Junior Pairs Gold

Congratulations to Acton Hayleigh Bell and her Junior Pairs skating partner who successfully defended the Junior Pairs title with a personal best skate at the Canadian Tire National Figure Skating Championship in Mississauga on the weekend.

Bell, 16, and partner Alistair Sylvester were nine points ahead of the Silver team – in part based on their clean triple twist. After the weekend competition, the pair learned they had been invited to the Junior Worlds in Italy in late February. Bell also placed 16th in the Junior Ladies division.

On Tuesday, the Bell/Sylvester pair learned they will receive a bursary from the new Canadian Tire and Skate Canada bursary program. Each athlete will receive \$500, and Bell's club – Mariposa Winter Club – will receive \$1,000.

Peewee AEs sweep Erin-Hillsburgh Devils

The getconnected.ca Peewee AE team won three games in a row and the win over Erin-Hillsburgh sent the team to the next round of the OMHA playdowns. The Tanners came out quickly and dominated. Lightning fast Luke Meihm worked the puck up the boards and passed in front of the

net to Torin Martin then onto the stick of Dylan Palmer for the first goal. In under a minute, Cian Dumas flicked one over the Erin goalie's pad after help from line mates Ethan Constable and Brian Secord to take the Tanners ahead for the night. Palmer continued his solid performance with a solo drive

into the Erin end to take the Tanners up 3-0. Still in the first period, Constable popped one over the goalie's shoulder after a quick feed from Dumas. Finishing off the first period scoring was Martin who fought through the Erin defence after pass from Tayden Bachert.

Goalie Matt Adkins

wasn't tested in the first period, but saw some action in the second period when Acton got into some penalty trouble and was short handed. Defense-men McAskill, Coleman and Thomas worked hard to keep Erin from making any more advances. Erin managed to score two goals in the second with

the man advantage.

Acton broke out in the third period with three more goals. Hard working Victor Montini got two on board with help from Constable, McCauley and Jones. Bachert got in on the action with another back and forth play in the Erin end assisted by Martin and Palmer.

The 8-2 win was the Peewee's best scoring night of the year and capped off the best of five game series. It would also be the last time Acton's Peewee AEs played the Erin-Hillsburgh Devils. The team now waits for the winner of the Lincoln-Pelham-Niagara Lake series.
