

TSN reminder of soccer season

BY ALEX TOUGH

Watching soccer on TSN keeps reminding me we are fast approaching the beginning of a new season. The youth sections are already in the gym at the High School on Sunday mornings and afternoons. The players are under the watchful charge of Harry Jackson and George Baines, and I have seen the presence of president Dave Maloney and Stu Baines in assistance. Players and coaches interested should contact George or Harry to find out the times for their age groups, (877-5573 or 877-5768).

The senior team, last season's Ontario Cup finalists, are 'sleeping' at the moment. Coach Sam Inglis plans to return this coming season with the basic squad from last season. The lads are to be the recipients of the town's annual awards

for their Ontario achievement. Most of the players are still in college or university and it will be a little later before they step into training.

The Mariners are in the gym under the usual scrimmage, informal, style and contact with myself or Bryan Turner will provide more details. Sunday mornings before the youth group is our time. Other seniors are playing in an indoor league in Milton. The league was originally formed by the Meteors and is now under the auspices of Milton Soccer. Some locals from the Northern end take part. I believe it is a little too physical for the most part. Several Ancients found this out to their cost with injuries.

Also indoor is the Eagles/Ajax league on Tuesday evenings at the Trafalgar Road Hall with Peter Smedema the man in charge. Usual-

ly the players are by invitation and has been a successful format for the clubs.

There is a great interest in indoor soccer all over the place with Soccer World in action since October for the more serious minded.

I watched some of the World Indoor Cup from Holland with the hosts in the final against Brazil. The South Americans won by 2-1 in what

turned out to be a boring game for the most part. The FIFA version is different from what is normal in this part of the world: it is simply a version of the outdoor game on a smaller scale with touchlines all round. Kick-ins for throw-ins are one change to suit the indoor game. Use of the boards is much more exciting and keeps the ball in play more.

The Inter County league meets in Milton on Thursday February 16th to hold the annual meeting parts 1 & 2 combined this time around. Elections, registration of teams and budget are on the menu.

Look for some more news in a few weeks, this is just the usual mid-winter newsletter.

Busy slate for skiers

The Milton Heights Ski Team was busy last weekend.

The Mountain League team met Horseshoe at Horseshoe Valley and dropped a 100-89 set. The top three male skiers were Marc Hooper of Burlington (first overall), Kevin Martin of Campbellville (fifth overall) and Mark Pearson of Acton (eighth). The top three females were Meaghan Powell of Burlington (third overall), Lisa Rezek of Mississauga (fifth overall) and Kristen McEhlore of Campbellville

(sixth place).

The Green Team Sunday took on London, Manfield and Horseshoe Valley in a meet held at Horseshoe Valley. Mansfield took the event with 303 points while Milton Heights was second with 280. The top three male skiers were Ian Vice of Burlington (second overall), Jeff Nicholson of Burlington (seventh) and Ryan Page of Oakville (eighth). The top three female skiers were Michelle Sutherland of Milton (first overall), Kathy Brad-

ley of Milton (fifth) and Monique Howling of Norval (10th).

The White Team took on Horseshoe Valley Stallions at Oshawa Ski Club and came up short 109-73. The top three male skiers were Derek Glende of Milton (seventh), Marc Binkley of Burlington (eighth) and Don Drnovsek of Campbellville (ninth). The top three female skiers were Natalie Clarke of Milton, Yvonne Martin of Campbellville and Alison Sterling of Brampton.

Acton midgets in driver's seat after claiming first two victories

The Acton Ed's In and Out midgets are one game away from claiming their Hub League opening playoff set with Kitchener White.

The Acton squad opened the playoff in convincing form, netting a 12-0 win. Kelly Jupp led the way with three goals and two assists while Gareth Marks added two goals and three assists. Erik Matson had two goals and two assists while Steve Robertson had two tallies and a helper. Mike Williams and Sean Sears had the other

goals. Stephane Mangotich finished up with four assists while Brad Thompson had three assists. Scott McKee and Sean Vanksestren both added a pair. Kevin Caswell picked up the shutout.

The Acton club went up 2-0 in their best-of-five series with a 7-2 win at home Tuesday evening. Jupp had two goals and an assist while Sears also had two tallies. Vanksestren and Mike Brower had the others. Williams, McKee and Paul McLeod had two as-

sists.

Game three returns to Acton Tuesday evening.

Ironically the midgets have yet to finish their regular season slate. Acton played its second-last scheduled game against the same Kitchener squad with the effects of a two-week layoff evident. Team officials are hoping the season-finale against Woolwich can be played after the first playoff round. Up for grabs is third spot overall in the loop standings.

Other Top Triples: John Aheam 668, Richard Cripps 657, John McConnell 654, Lee Foster 651, Kenny Norton 640.

Raider has a slight problem

Georgetown Pontiac-Buick Raiders' centre Chuck Loreto gets set to turn up-ice but has a bit of a problem. A Mimico Monarch is in the way. The Raiders finish their regular season tonight, hosting Oakville Blades and faceoff time is set for 7:30 p.m.
