Darts ladies record a split in round robin competition

By ALEX TOUGH

Some people read the column to find out what has gone before. Some people read because they find the column interesting. Some people purely to see if their name is included. Hopefully the column is mostly all of these items—newsworthy, interesting and naming names of a particular achievement or two.

It is not always possible to do everything all at once. Information is not always at hand, perhaps there are too many individual highlights to name all and sometimes I miss the odd moment. Sometimes a lack of space or time is the reason.

Last week I missed out the girls team achievement at the Legion Zones. The girls, led by Monica Southon, won two and lost two in their round robin play, one of the wins coming over the George O'Neil team. One more win and they would have probably joined the male team of Beau Beaumont, Eric Fuller, Brian Hicks, Ron Scarlett and self this past weekend. They might have done better than we, as we failed to survive the first round, losing three and winning three in the effort. There is always next year!

Time Out 1 continue to lead the Monday night Halton 'B' division of the Peel Region League. A repeat of the previous week's whitewash of McGibbon 2, the ladies, takes the team further ahead with now a 50 point gap between first and second place. Again the girls played well in spite of the result. Beau Beaumont and I were the only game to go to the third game for the result, in the doubles. Kim Allen and Bonnie Schell king the second game to tie at that stage. Schell shot 132 in that game to record the girls top score. 140s came from Beaumont, Joe Cairns, Pete Pickering and self.

Hollywood move into second place. They have the same points total as O'Tooles, (third spot), but have taken more points in head to head. Hollywood went down the glen to defeat Kettle by 11-3. Greg Cummins and Joe Benoit were singles winners and Stu Engineer, David Ball, Ray Catney and 'dummy' were team winners for Kettle. Hollywood's Bruce Hope topped two 140s and Ed Koumyoumjian scored one 140 to lead the way in a solid win.

Meanwhile O'Tooles came one game short of retaining second place alone in taking 10 games to Time Out 2's 4 games. Larry Valley and John Colter won their singles and teamed for a doubles win, with Tony Marrows and Rick

Fisher also doubles winners for Timeout 2's only points. Vic Lovell joined the 180 club and shot 140 for a good effort. Helen Reid shot 135 and Kevin Baldwin shot 138 for O'Tooles in reply.

McGibbon 1 kept in the hunt with a steady win over Brackens by 10-4 away. Brackens three singles winners were Armel Hache, Jamie Frank and Larry Melton, Greg Thoms and Earl Maltby doubled the other win. (I hear that two of the Malby brothers shot back to back 180s on Friday—a new record, perhaps?). The division individual points leader, Gary Rodda, McGibbon 1, shot 140 and won all three matches to retain top spot. Paul Kirby shot three 140s and Marty Wheeler stepped in with 134. With the singles going 3-3 at one stage it looked as though Brackens were going to put up a fight to the end. However the next two singles and first two doubles set McGibbon on the way to the comfortable win.

Industrial league leaders squeaked by Close Challengers, Westenders, to increase their number of winning matches to 17, with 2 losses for the season to date. 5-4 is the result and it was an exciting match with incident and humour, not forgetting noise! John Mills and Ray Ackroyd each shot 140 and Derek Hardcastle 120 for Westenders. Beau Beaumont knocked 140, Ron Scarlett three tons and Joe Cairns and Ray Inglis both hit 95. Second place, last week, Exports did not have a match scheduled and dropped to 4th place as a result. Moving into 2nd is the aforementioned Westenders, for the time being.

Ensigns are third following a 7-2 romp over Inter County. Roy Rudiger and Trevor Williams each fire in 123 and Ken Baker came in with 121 and 116. Bruce Brown finished on 90 to climax the third game. George O'Neil opened with 58 and Gerry Wallace closed 58 in the 8th game for County.
