## Bantam Bs have Milton's number

After the Johnson and Associates Tri-County bantam hockey team opened the second round of their playoff series with Acton on a winning note the bantam Bs proceeded to lose the next three games, thus ending their OMHA playoff hopes. With coach Poulstrup and Juby not overly pleased with the previous three-game effort with Acton

they set their sights on the first round of Tri-County playoffs against Milton. The opening game of the best of three series in Milton did little to improve the opinions of either Poulstrup or Juby as their team scarcely went through the motions and Milton took an easy win. Game Two in Georgetown saw Milton take a three-goal lead mid-

way in the second period and it looked like Milton would avenge their OMHA loss to Georgetown with a 2-0 sweep. This was not to be as someone sounded the wake-up call for Georgetown as Craig Juby put the locals on the board.

Alan Fudge scored in the third to narrow the gap then Jeff Timmons tied the game with a minute left to play. In the 10-minute straight time overtime frame Brad Tutt scored at the 4:26

mark with what turned out to be the winner.

The two teams returned to Milton with the series tied and to some degree redeemed themselves (in the minds of the coaching staff at least) as they skated to an impressive 9-3 win and for the second time this year eliminated Milton from further play.

The team now faces Burlington in the new round, which began last Wednesday night in Burlington.

In the first round of the Markham invitational tournament the two-game total goals round Georgetown won the first game in Whitby against Whitby by a 6-0 score. The two teams played the second game last Tuesday night in Georgetown.

The Johnson and Associates team will be taking part in the annual Georgetown Bantam Tournament, which begins today at the Alcott Arena.

## Junior B and C hockey roundup

Members of the Acton Sabres junior C hockey club are walking around with big smiles on their faces these days.

The Sabres finished sixth in the Mid-Ontario Junior C playoffs and faced the dubious task of meeting second place Bradford Bulls in the first round of playoffs. Bradford went on to sweep Acton 4-0 but after suffering losses of 6-1 and 6-3 the Sabres dropped Game Three 4-3 and trailed Game Four 6-5 late in the third period before the Bulls took the contest 7-5.

Well now the Bulls are in the league final with first place Orangeville

Crushers and hold a 2-0 lead in the best-of-seven set. But the wins have come by 10-4 and 7-3 scores.

Still with Junior hockey, it seems the smile Etobicoke Capitals were wearing when Oakville Blades eliminated Georgetown Pontiac-Buick Raiders 4-0 in the first round of Central Ontario Junior B West Division Hockey League playoffs. The Capitals, who met the winner of the playoff, had trouble with Georgetown all season long but enjoyed much success against the Blades. That fact is quite relevant as the Capitals eliminated the Blades 4-0 in the second round of playoffs. The first three games were one-sided affairs but Game Four was a 5-4 decision.

Etobicoke will await the winner of the Streetsville-Burlington series, one Streetsville presently leads 3-2. Ironically the mid to late-season slide the Derbys went through is over. Streetsville had to hang on to third in the Division standings, clinching the spot from Georgetown in the second-last regular season contest.

Over in the East Barrie Colts advanced to their division final with a 4-1 series win over Orillia. In the other series Newmarket 87's defeated Vaughan Raiders 4-1.

## Ducks in Scarborough

stroke and seventh in the 50-metre breast stroke events. Patenaude also swam with the senior girls gold medal relay team.

Finally Sarah Vingoe was fifth in the girls 10 and under 50-metre backstroke and added a pair of sixth place ribbons in the 50 and 100-metre breast stroke races. She was also eighth in the 50-metre freestyle competition.

## Former Rebel swims well at varsity meet

Former Georgetown District High School swimmer Karen Pepper made her third straight appearance in the Canadian Intercollegiate Athletic Association (CIAU) championships last weekend.

The third-year University of Western Ontario student has personal best efforts in the 200-metre individual medley, 100 and 200-metre backstroke events. Pepper placed second in the consolation final of the 200-metre backstroke while claiming sixth in the final of the 100-metre backstroke race with a time of 1:07.98.

Pepper was a GDHS swimmer when the Rebels were claiming Ontario Federation of Schools Athletic Association (OFSAA) team titles in the early to mid-1980s. Georgetown this year was the OFSAA senior girls overall champ and added a silver medal effort in the overall team class as well.

## Slow down

Acton juvenile player John Van Dam heads up the ice with a Beeton player hanging on. The two sides decided their Ontario Minor Hockey Association (OMHA) playoff set last week with Beeton advancing courtesy of a pair of wins. In

this game played at the Acton Arena the visitors claimed the 5-3 win, then clinched the series with a victory in Beeton later on.
