

THE HEART FACTS

Q. What are some of the major signs of a heart attack?

A. Physical signs include chest discomfort, fatigue, nausea, sweating and shortness of breath. The most important factor to watch out for is a psychological one, *denial* — not admitting that you could be having a heart attack. If you have any of these symptoms, you should tell someone and seek help *right away*. It could save your life!

For more information on these or other facts, please contact your nearest office of the Heart and Stroke Foundation of Ontario.

YORK

Heating and Air Conditioning

Makes You Feel Good Inside

The York Stellar 2000™ high efficiency heat pump is the heart of your York dealer's Total Comfort System. You heat and cool with one efficient unit at a low operating cost. You'll feel good inside from the filtered and moisture balanced air the York heat pump provides.
