

Residents get fit in new area spa

By JAMIE HARRISON

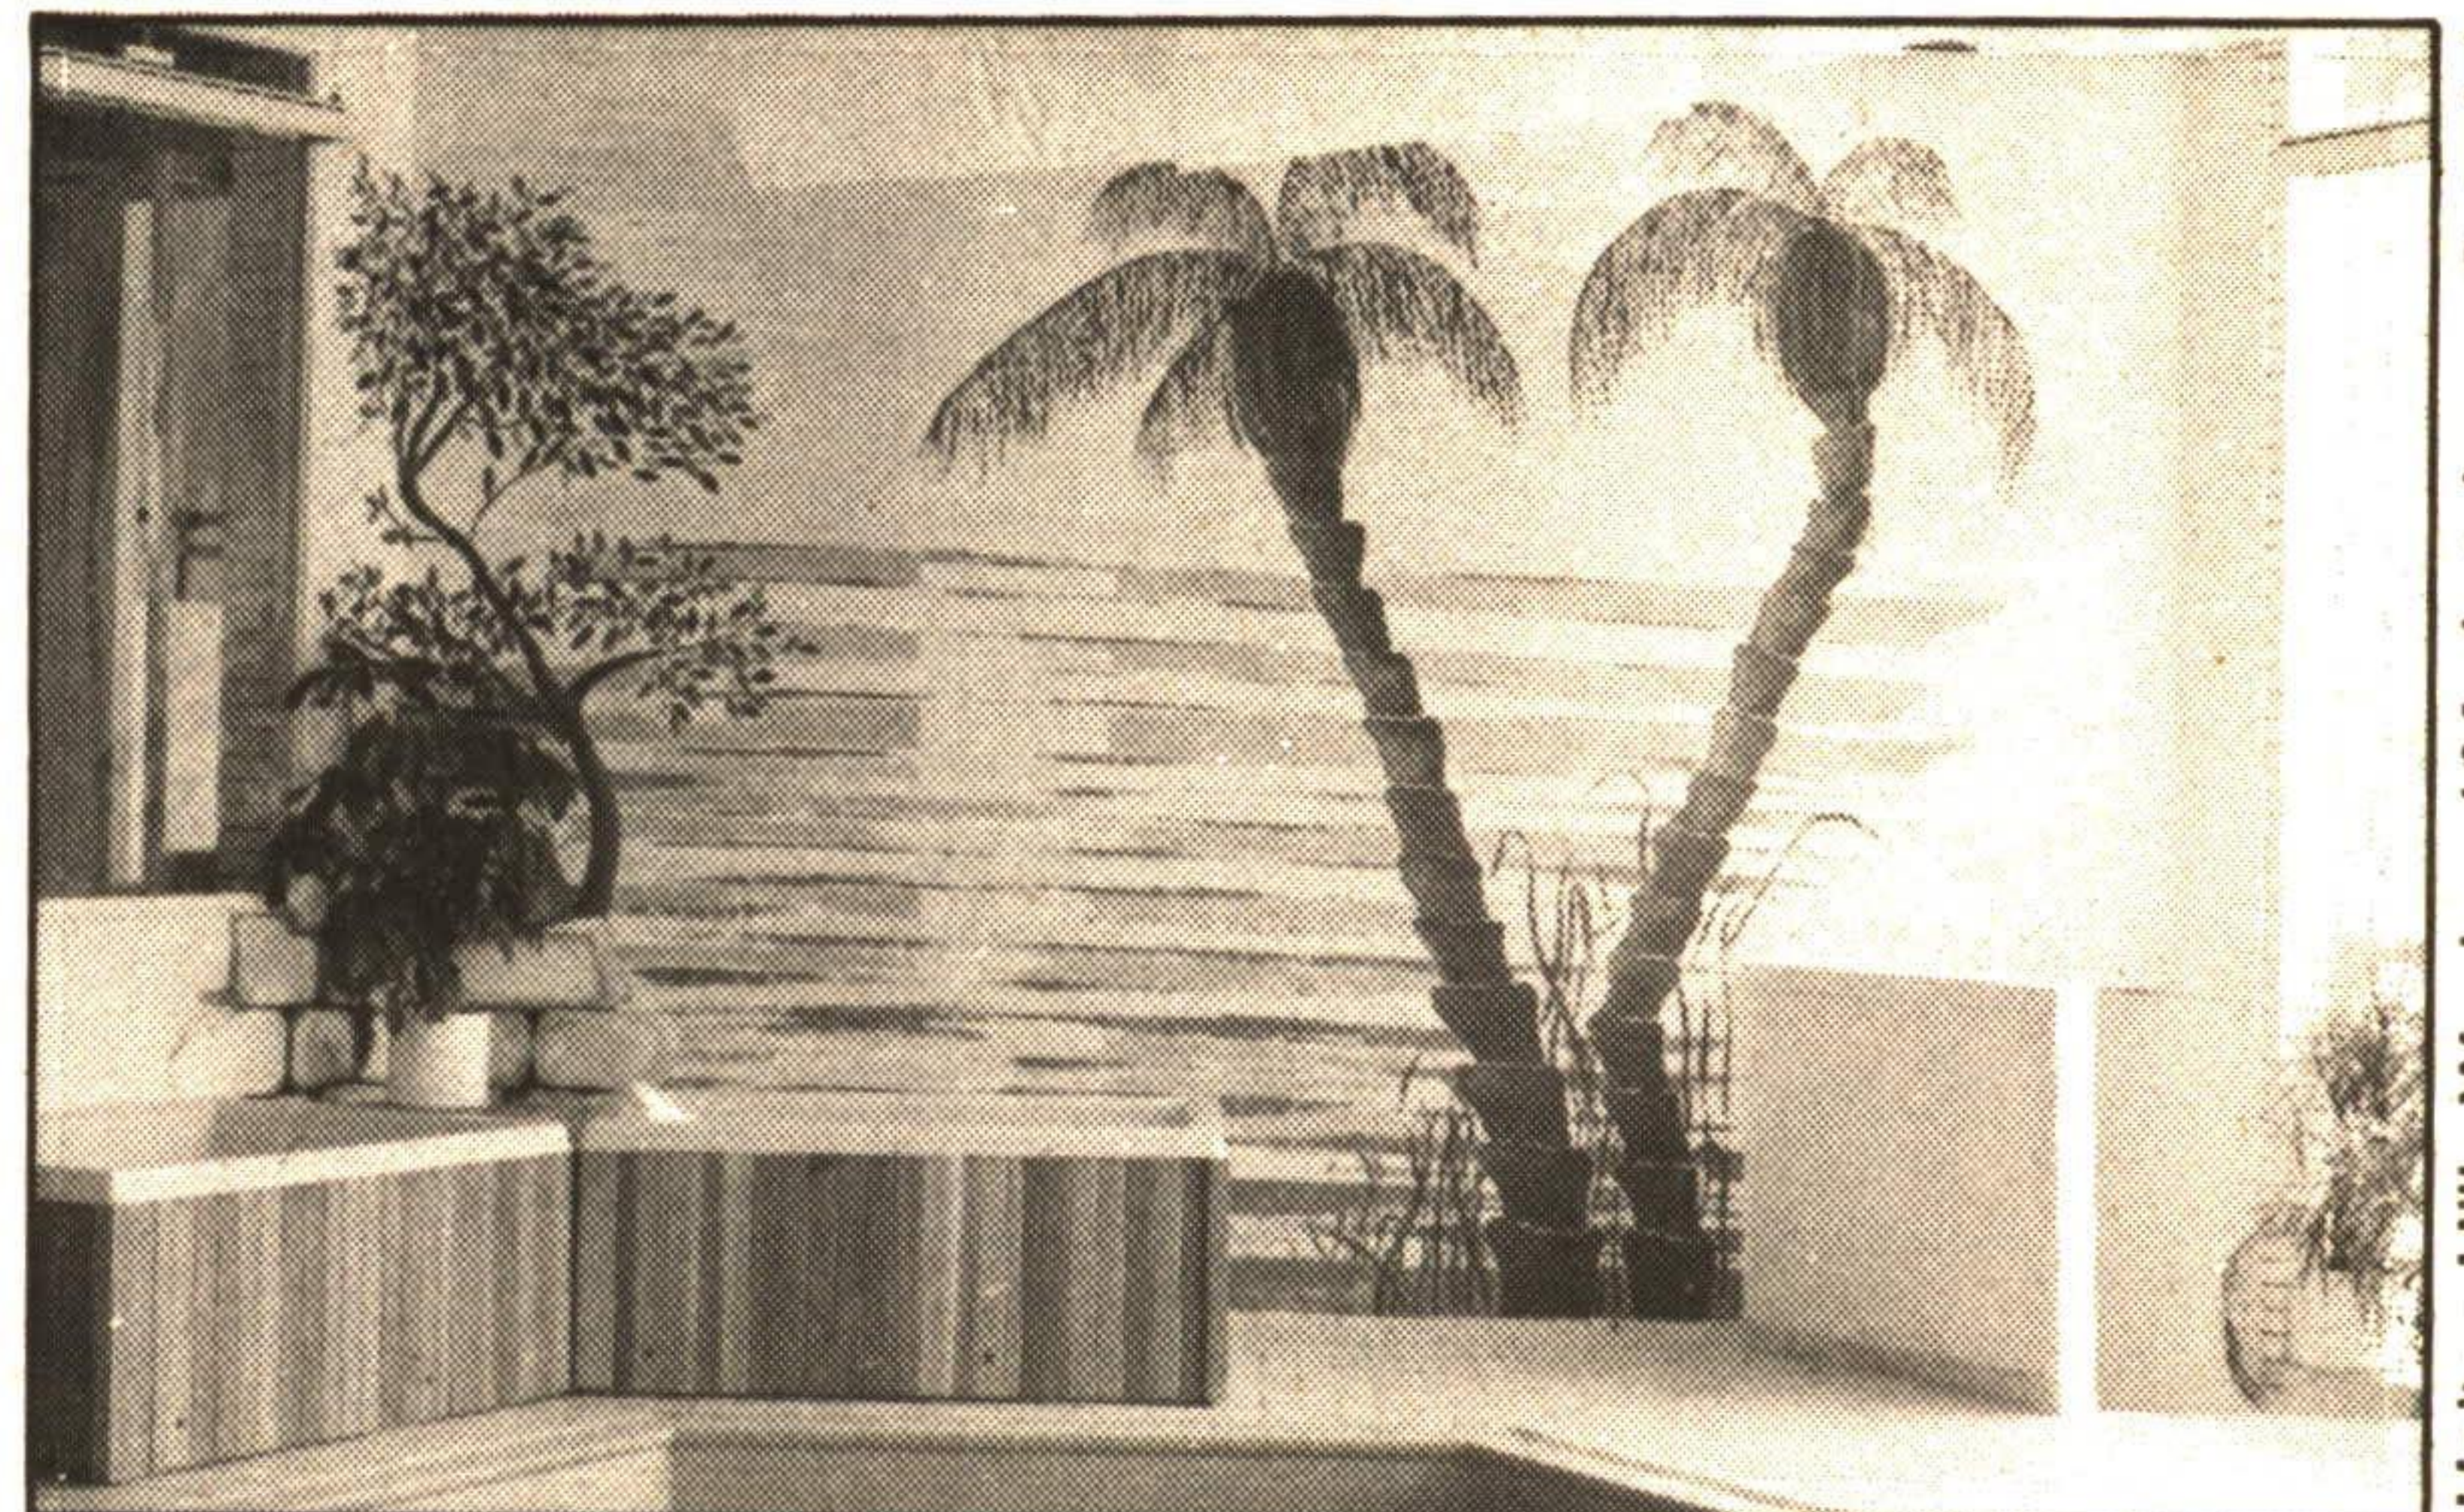

Georgetown-area residents will soon have a new spa and health club to get fit in. John Fisher, manager of the Riverside Centre which houses the new Riverside Spa, hopes to have the facility open for business within the next few weeks, and fully operational within six.

Areas of major improvement include; the addition of a squash court, resurfacing of the tennis courts, renovations are to include an aerobics room, licenced lounge, saunas, and a workout area. Also included in the refinishing were both the indoor and outdoor swimming pools.

Guided tours of the facilities are currently being given at the complex which is situated on the banks of the Credit River in Norval.

Brand new exercise equipment are just one of the many focal points of the Riverside Spa. The spa, located directly behind Le Club 2000, is set in a country-like setting.

Palm trees swaying in the breeze and other such murals cover the walls of the Riverside Spa, located behind Le Club 2000. The murals give a relaxing feel to the modern facility.

Bingo workers needed

Volunteers are an essential part of many children's programs at Halton Children's Aid Society. But volunteers are also needed to help support the organization's work in other ways. The CAS is looking for bingo workers in Oakville, Milton and Burlington. This requires one evening a week for six weeks. No experience required. Also office helpers in Oakville, approximately four hours a week. Please contact Heather Smith at 844-8211.
