Following through

Georgetown District High School's Scott van Der Valk follows through with a pitch here during East Halton boys baseball action Monday against White Oaks. Van Der Valk pitched well in the season opener, but still the Rebels suffered a 5-2 setback. Wednesday the Rebels returned to league play, travelling to meet E.C. Drury. There Van Der Valk enjoyed better success in pitching the win in the Rebels' 4-0 victory.

Mohawk tries novel event

Mohawk Raceway took on a novel look on Saturday, April 28th as it hosted its first ever (and hopefully annual) Carnival Night. Upon entering the grounds, patrons were welcomed by clowns, stilt walkers, jugglers, unicyclists and the tempting aroma of hot-buttered popcorn, fresh baked beer nuts and lip-smacking candy apples.

The giant slide, the clown ball crawl, and the moonwalker kept the children busy and entertained while the smaller children enjoyed rides on pull carts pulled by gently Newfy dogs.

Candy floss, popcorn, ice cream cones, and hotdogs were consumed by the thousands. Entertainment and stage shows were put on by a masterful magician, a world champion yoyoist and a fire eater! Susie the Monkey and the organ grinder put on a good show and Madam Buskerfly with her 10 arms was a sight to behold. Kids were walking away with stuffed animals and trinkets after conquering the games of skill and chance. Smiling faces, full tummies and squeals of laughter were the best bets for the day.

On track racing fans were treated to 11 exhilarating harness races. Veteran pacer Barely Visible paced a spiffy 1:54.3 mile over Jagger Hanover and Concussion for driver Steve Condren in the feature event, a \$24,000 Free For All.

Some 5592 fans plus another 1127 children (12 & under) attended Mohawk for this fun-filled family event, no doubt lured by the smorgasbord of entertainment and the warm weather.

Monies raised from ticket sales for rides and games from Carnival Night are being donated to the Milton Hospital.

UPCOMING EVENTS - Friday, May 4th Mohawk hosts the fifth leg of harness racing's travelling roadshow - The \$75,000 Graduate

Pacing Series. Fans will have an opportunity to see North America's finest aged pacers.... Saturday, May 5th the opening leg of The Mohawk Pacing Series for three year olds goes postward.... Looking for a change of pace?

Enjoy fine dining in Mohawk's Terrace or Sport's Dining Rooms. The Terrace overlooks the track and Sport's features a larger than life television screen. For reservations and more information call 854-2255.

Alfred Oates tourney draws to a conclusion

By ALEX TOUGH

Typing a column over the heat of the weekend is not my idea of heaven. As there is little news and only one night to go bear with me for a short time. Just over a week ago Wednesday's Gasketman Cutters, Independents, Snowjacks Hustlers and Westenders had to finish off the Alfred Oates Tourney, held over from December.

The round robin continued from where it left off and after the end of the round Westenders were eliminated and the others were tied. A playoff took place and the same three tied again. A one match playoff with all three teams playing followed and went with the toss of the coin - Gasketman Cutters won, Independents were second and Snowjacks Hustlers took third place. Each squad had their chance to close out, and failed, until Cutters and Independents closed ahead of Hustlers.

Cutters also won the first division playoffs leaving Westenders and Hustlers in their wake as they proceeded to destroy Golden Flights first before a narrow victory over Acadian Pools. Captain Bruce Hope has tried for a number of years to play on a winning side and found the formula was to produce his own - and did it. The team played consistent darts over the past few weeks and thoroughly deserve the playoff title. 'Enders came through with a late challenge to oust the falling Hustlers from runner up spot at the end of the night. Bulldogs finish a creditable

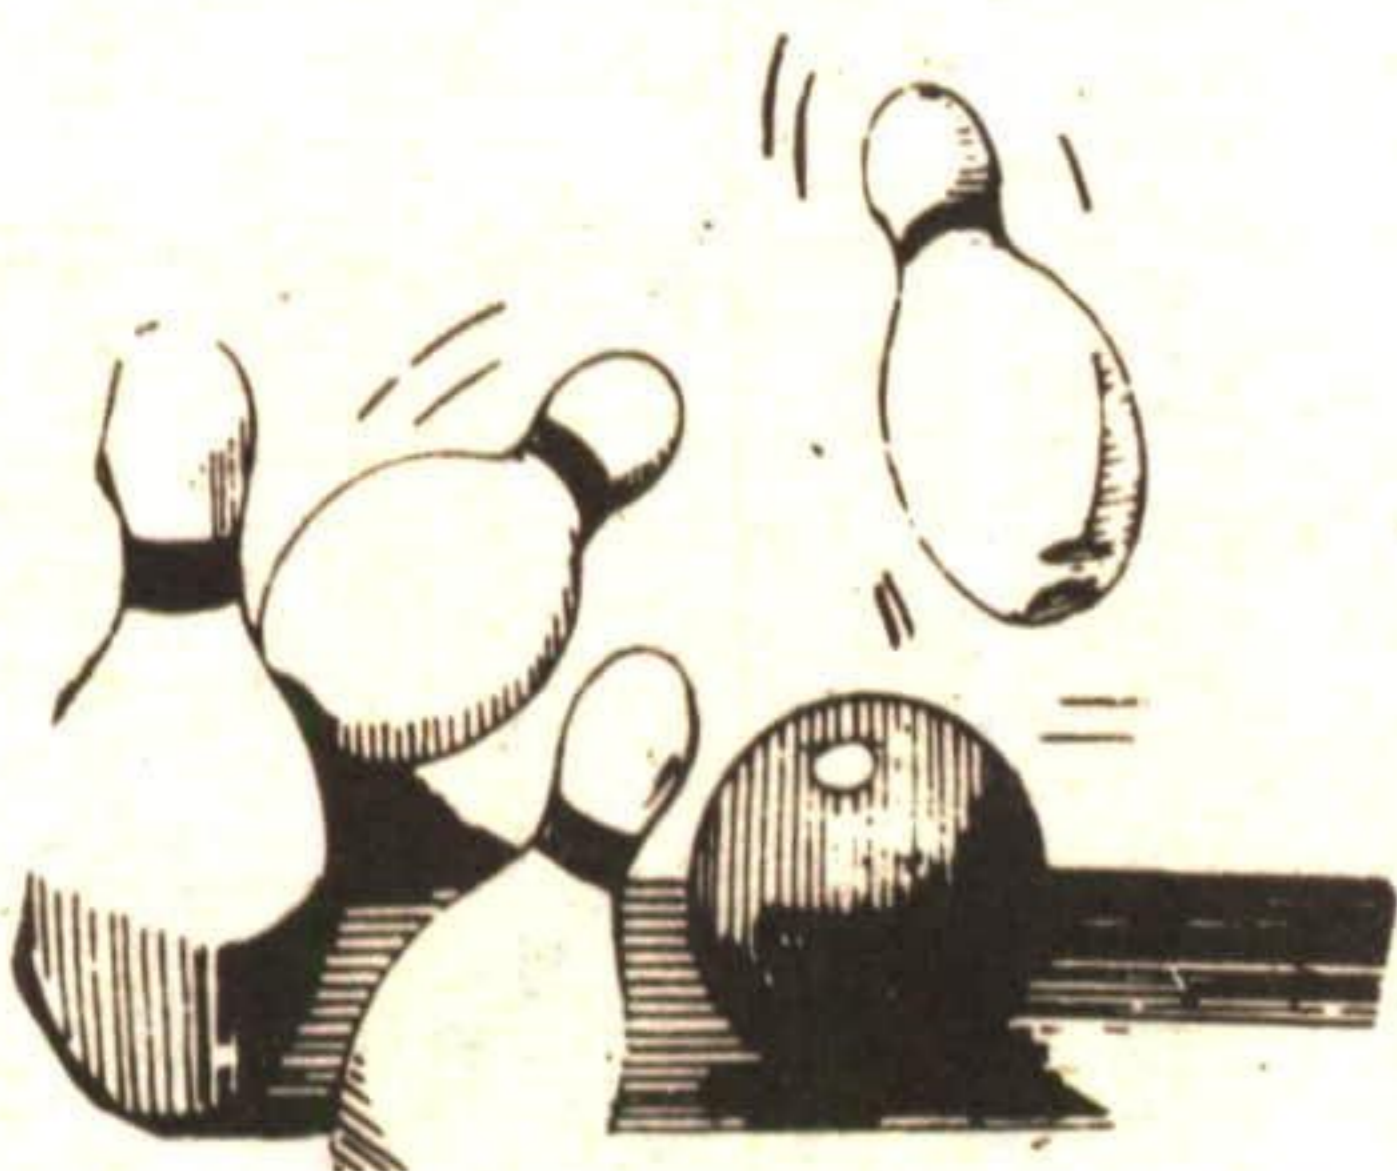

fourth from the top.

Second division winners are Panthers as reported last week with Taxmen sustaining a late run to finish runner up in the playoffs with Independents and Firemen close behind.

Panthers also won the league title and are promoted, together with Independents, to the first division come August. Demoted are Golden Flights and Acadian Pools.

Monday's Halton league held the playoffs, four player teams fashion, at the Armories and McGibbon #1 emerge as leaders with 14 points, one ahead of Time Out's #1 & #2 teams. Alone on 11 points are O'Tooles #2 with Stion House next on 10. Most of the teams were short of numbers or 'top' players and an interesting standing is the result. One set of Time out #2 went 9-0, one set of Copper Kettle #1 went 7-0, for example. However, Kettle #1 second squad was non-existent and so gave up their points.

This Monday sees the close with the doubles format, each team fielding four doubles sets for the remaining points. There are no singles due to lack of playing time. It should be a close finish, with Time Out #2 dark horses and O'Tooles #2 and Station house lurking. Will any team come out of the pack? Kaspers? They are second from last and unlikely to mount a challenge. The ladies lie seventh and we shall see by midnight on Monday where we finish.
