* These offers are mutually exclusive and may not be combined. Program applies to all new 1991 and prior model year Ford, Mercury cars and light trucks excluding Crown Victoria, Grand Marquis, Continental, Town Car, Mark VII and Explorer. Purchases must be made and taken from dealer inventory. All 1990 models include dealer participation excluding Escort and Bronco II. No payment for 120 days. Ford of Canada Limited will pay interest for the first 90 days.
Example: 48-month contract, cost of money for first 90 days is nil. \$15,000 financed over 48 months at 15.25% APR, monthly payment is \$439.74. Cost of borrowing is \$4788.30. Offer available only to retail buyers financing their purchases through Ford Motor Credit. On approved credit. Additional cash back of \$350 on Festiva, \$450 on Escort and Tracer, \$500 on Probe, Mustang, Tempo, Topaz, Bronco II and Ranger, \$700 on Taurus, Sable, Thunderbird, Cougar, Aerostar, Econoline, Bronco and F-Series.
** Retail buyers choosing a reduced financing rate in lieu of cash rebate are eligible for 8.9% financing over a maximum 36-month term, 9.9% financing over a maximum 36-month term or 10.9% financing over a maximum 48-month term. On approved credit. Example: For \$15,000 financed over 24 months at 8.9% APR the monthly payment is \$464.58, the cost of borrowing is \$1,429.92 and the total to be repaid is \$11,753.92. For \$15,000 financed over 36 months at 9.9% APR, the monthly payment is \$483.30, the cost of borrowing is \$2,398.80 and the total to be repaid is \$17,398.80. For \$15,000 financed over 48 months at 10.9% APR, the monthly payment is \$506.55, the cost of borrowing is \$3,573.60 and the total to be repaid is \$18,573.60. Assuming a rebate of \$750, as the alternative, should you choose a reduced financing rate instead of the cash rebate legislation requires that the amount of the rebate must be included in the cost of borrowing in order to arrive at an effective interest rate. In the examples given, the effective interest rate would be 13.38% over 24 months, 12.82% over 36 months and 13.02% over 48 months and the total cost of borrowing, including the rebate not taken, would be \$2,179.92 for 24 months, \$3,148.80 for 36 months and \$4,324.08 for 48 months. Cost of borrowing will vary depending on the amount financed and term of loan.
* Cash back of \$500 available on 1991 and prior model year Festiva, Escort and Tracer, \$750 cash back available on 1991 and prior model year Tempo, Topaz, Mustang, Econoline, Bronco and Ranger, \$1,000 cash back available on 1991 and prior model year Probe, Taurus, Sable, Thunderbird, Cougar, Aerostar, Bronco II and F-Series and \$2,000 cash back available on 1991 and prior model year Continental, Town Car and Mark VII are limited time offers. This offer cancels and replaces all other programs previously advertised and may not be combined with any previous offers. See Dealer for details.
