

Halton 4-Hers win at Canada's most prestigious show

By HAZEL STEWART
Halton 4-Hers have again brought home top honors from the National 4-H All Breed Dairy Show. The show at the Royal Winter Fair, sponsored by the Scotia Bank and Hays Farms International, had 255 entries.

For the first time the Grand Champion Calf Award came to Halton with Kelly Stewart winning with her Junior Yearling, *Provale Inspir Bobbie*, bred by Jack Proud of Halton.

Kelly was followed by another Halton breed calf, *Donacres DM Christine*, bred by Gordon McDonald and shown by Brian Robinson of Wellington County.

The Honorable Mention Award also came to Halton with Todd Livock winning with his Jersey Junior Yearling, *Donhead Beaming Del*.

The Halton team was Ron Bird, Brett Cormier, Kelly Stewart, Lee-

Anne Bustard, Connie Bennett, Todd Livock, and assisted by Tyler Brander.

Halton placed first in the Group of Three class. Kelly Stewart and Todd Livock's champions were teamed up with Ron Bird's summer yearling.

In the very keen herdsman competition, Halton did well placing third behind Perth and Northumberland.

The premier county award goes to the county or province accumulating the most points in showmanship, conformation and

herdsmanship. Again for the fifth time in seven years, Halton claimed this Bill Edelstein Trophy by one point with Wellington and Peel tied

for second.

Congratulations to a job well done. We are very proud of our 4-Hers.

Four false alarms

Firefighters responded to four false alarms this past week. The first one occurred at a Sargent Rd. business Tuesday afternoon, after a contractor working in the building set off the smoke

alarm while soldering. A few hours later they were called to an Eighth Line residence, north of 22 Sdrd., after an alarm was activated there, however, the call was cancelled before they arrived at the scene. Early

Thursday morning a malfunction in the system set the alarm off at an Armstrong Ave. business. Later that morning, the fire department was called to Zellers on Guelph St. after an alarm was falsely activated.

Terraglen places well

By KAY WILSON
Terraglen Farm, RR4 Georgetown, placed well for Peel Region in the Holstein Cattle show at the Royal Agriculture Winter Fair.

A March calf in the open class was fifth. Their two senior heifer calves placed sixth and ninth respectively.

Other area people including Don Cleave of Norval, Jack Fraser of Streetsville and Jim King of Brampton came out of the show equally as well, with their Holstein cattle all from Peel County.

Moving Toronto closer to home.

Being blind didn't stop Beulah Spence from crocheting a colorful afghan for Saturday's Holly Fair at the Bennett Health Care Centre. Nurse Gail Collette assembled the work for Beulah.
