## FOR A GREAT TIME TAKE MORE TIME WITH THE CARIBBEAN S BEST

There's only one thing better than a seven-day cruise with Princess. And that's a sensational ten-day cruise with Princess. Sail east to six lovely Caribbean islands. Play golf at Mullet Bay on St. Maarten. Tour Trafalgar Square on British Barbados. Shop for French imports on Martinique. Explore ever-popular St. Thomas. Take in the Paradise Island casinos and resorts on Nassau. And enjoy our private beach party and picnic on the secluded island of Mayreau in the Grenadines. Or choose our six-island western itinerary. See the Sea-floor Aquarium and Botanical Gardens on Nassau. From St. Croix, take the snorkeling trip on Buck Island. Shop, scuba, and sightsee on St. Thomas. See Doctor's Cave Beach on Jamaica. Stroll the white, powder-soft sands of Seven Mile Beach on Grand Cayman. And explore Tulum or Chichen Itza from Playa del Carmen/Cozumel. In ten days, you'll see the best of the Eastern or Western Caribbean. And you'll have more time to enjoy the unparalleled pleasures of a Love Boat cruise.

### ACTIVITIES

Princess ships have everything you cruise to the Caribbean for--right on board. Like beautiful sparkling blue pools. Fabulous places to stretch out and relax in the sun. Charming seaside cafes where you can savor a festive island brunch while enjoying the view. Casual day-time and nighttime bars where you can meet with friends over a frosty, tropical drink. Lively calypso bands. Fun-filled Island Night parties with on-deck barbecues and limbo contests. Plus a never-ending panorama of travel-poster scenery. You can learn to scuba dive on board. Practice your chipping and golf swing. Take up everything from aerobics to water volleyball and earn tokens towards "Cruisercise" T-shirts, hats, sweatbands and other apparel. Our French, Spanish, Italian and Portuguese lessons will come in handy in the islands. And there are many other onboard diversions from which to choose. Like singles get-togethers, fashion shows, dance classes, pool games, quiz shows, talent shows and fascinating guest lectures with shopping and sightseeing tips on each port of call. Princess ships have everything you can imagine under the Caribbean sun. Everything, that is, except the sand.

### DINING

Aside from the obvious temptation of the most fabulous gourmet continental cuisine afloat, we offer so many other reasons to cruise with Princess you won't be able to resist. Take our charming Italian waiters. They'll remember your name before you can remember theirs. They'll bring you extra servings of your favorite pasta. And, when you can't make up your mind between lobster and filet mignon, they'll bring you some of each with a smile. Our masterful Italian chefs, members of the world's oldest culinary society--La Chaine des Rotisseurs--are exceptional too. Imagine Sevruga Caviar. Beef Wellington. Roast Leg of Lamb Boulangere. Veal Scaloppine. And Alaska King Salmon Princess. Sound tempting? Well, you haven't heard the half of it. We also create some of the world's most luscious desserts. Including a

different dessert souffle virtually every night. Now, if this isn't enough to sell you on Princess, consider this. If you don't find what you want on the menu, just tell your head waiter. Unlike other cruise lines, with twenty-four hours' notice we'll prepare almost anything you'd like. At Princess, what you don't find on the menu is a rare quality of service you won't find anywhere else.

### ENTERTAINING

A cruise with Princess is your ticket to the finest entertainment afloat. Great big, beautiful Broadway-style

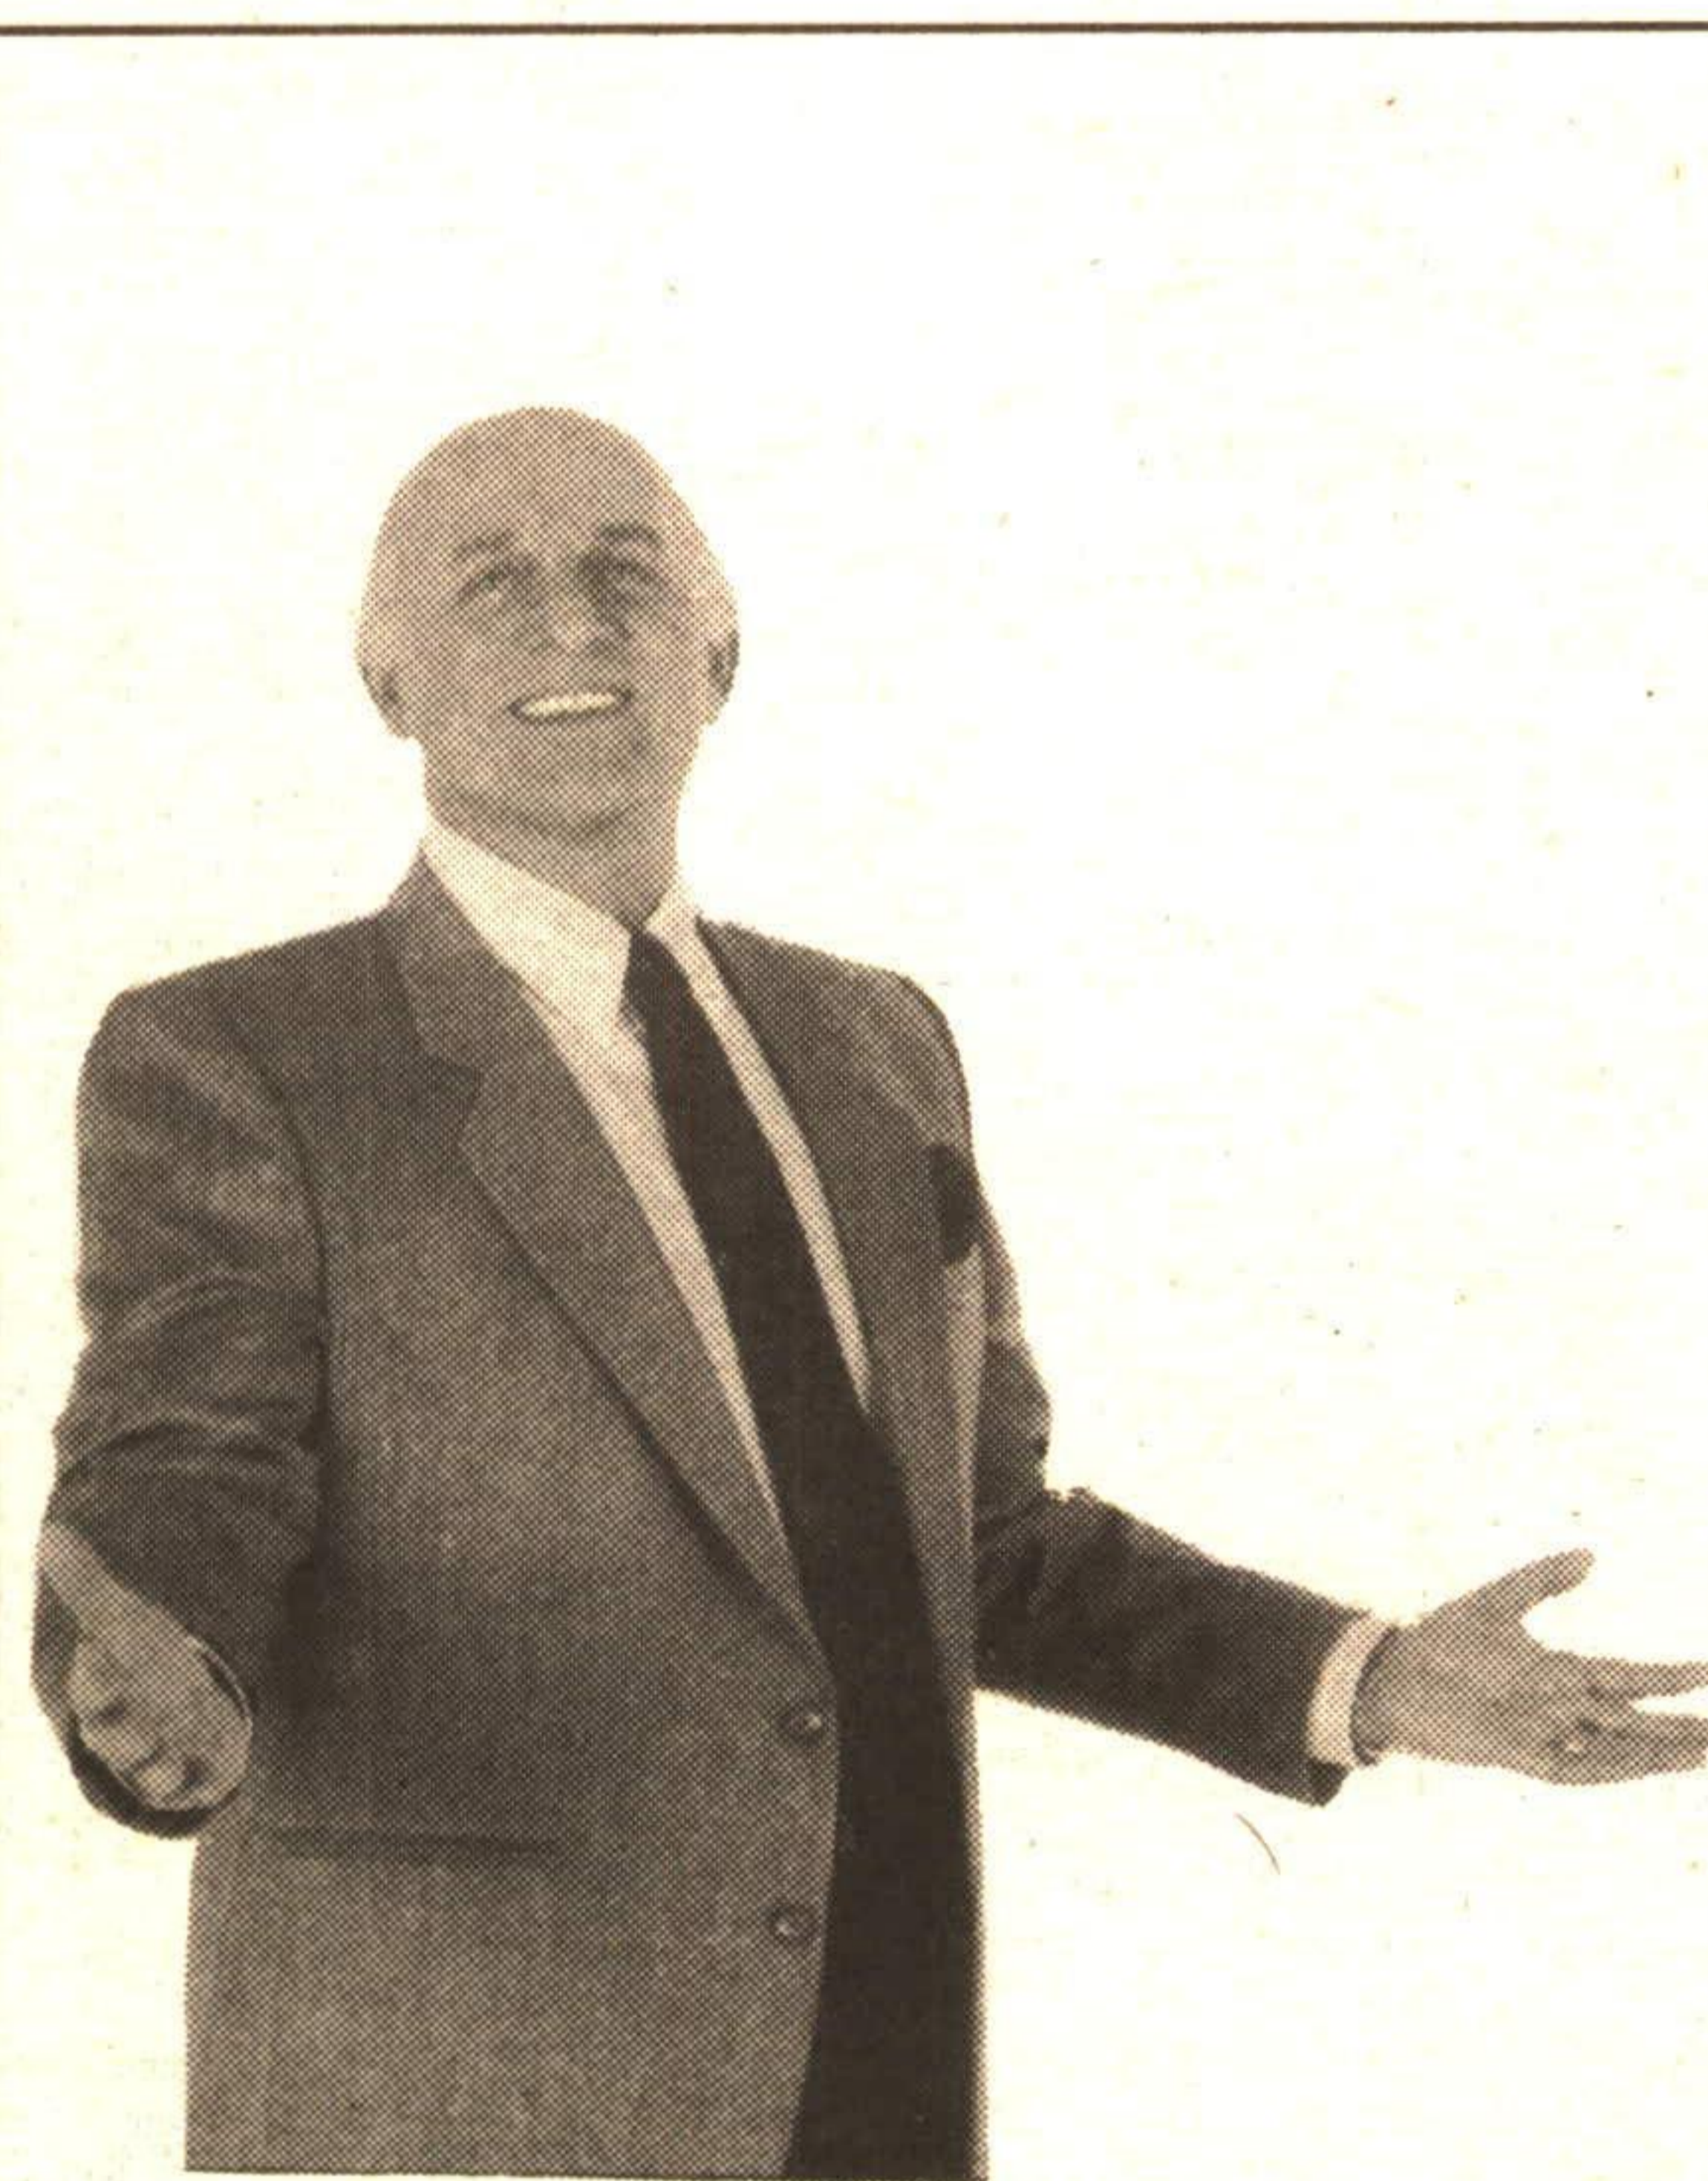

production shows light up your life night after night. With fabulous costumes, high-kicking dance routines, toe-tapping show tunes and sensational performers. Our famous main-stage entertainment is just the beginning. In the Cabaret showroom, magicians keep you guessing. Comedians keep you laughing. And our featured singers get you humming along. You'll never be bored aboard the Love Boat. Not when you can get into the act in our Lip-Sync contest. Join the fun and games of London Pub night. And bet on your favorite jockey during Race Night, a whole different kind of horse race. Feel like dancing? Live bands play the music you love

to dance to. And the Disco rocks into the wee hours of the morn. Want to meet and mingle? You'll find lots of cozy lounges and bars where you can join the party or host one of your own. Everything about your ship at night seems more romantic. The whir of the roulette wheel. The dim lights of the movie theatre. And the gentle hum of the ship's engines as you stand out on deck under a soft, silver moon. No matter what you're in the mood for, the Love Boat is the perfect setting. And the comfort of your luxurious stateroom is always just moments away.
