It's as easy as ...

As today's business world gets faster and time becomes your most valuable commodity. Just think of all the things you can do if you can rely on someone to handle all your flyers, newsletters, business cards, camera ready art, overhead transparencies, design and layout.

Being fully equipped with a state of the art desk top publishing system, The Georgetown Independent can help you find that valuable time and produce professionally done camera ready artwork ranging from business cards to magazines and catalogues.

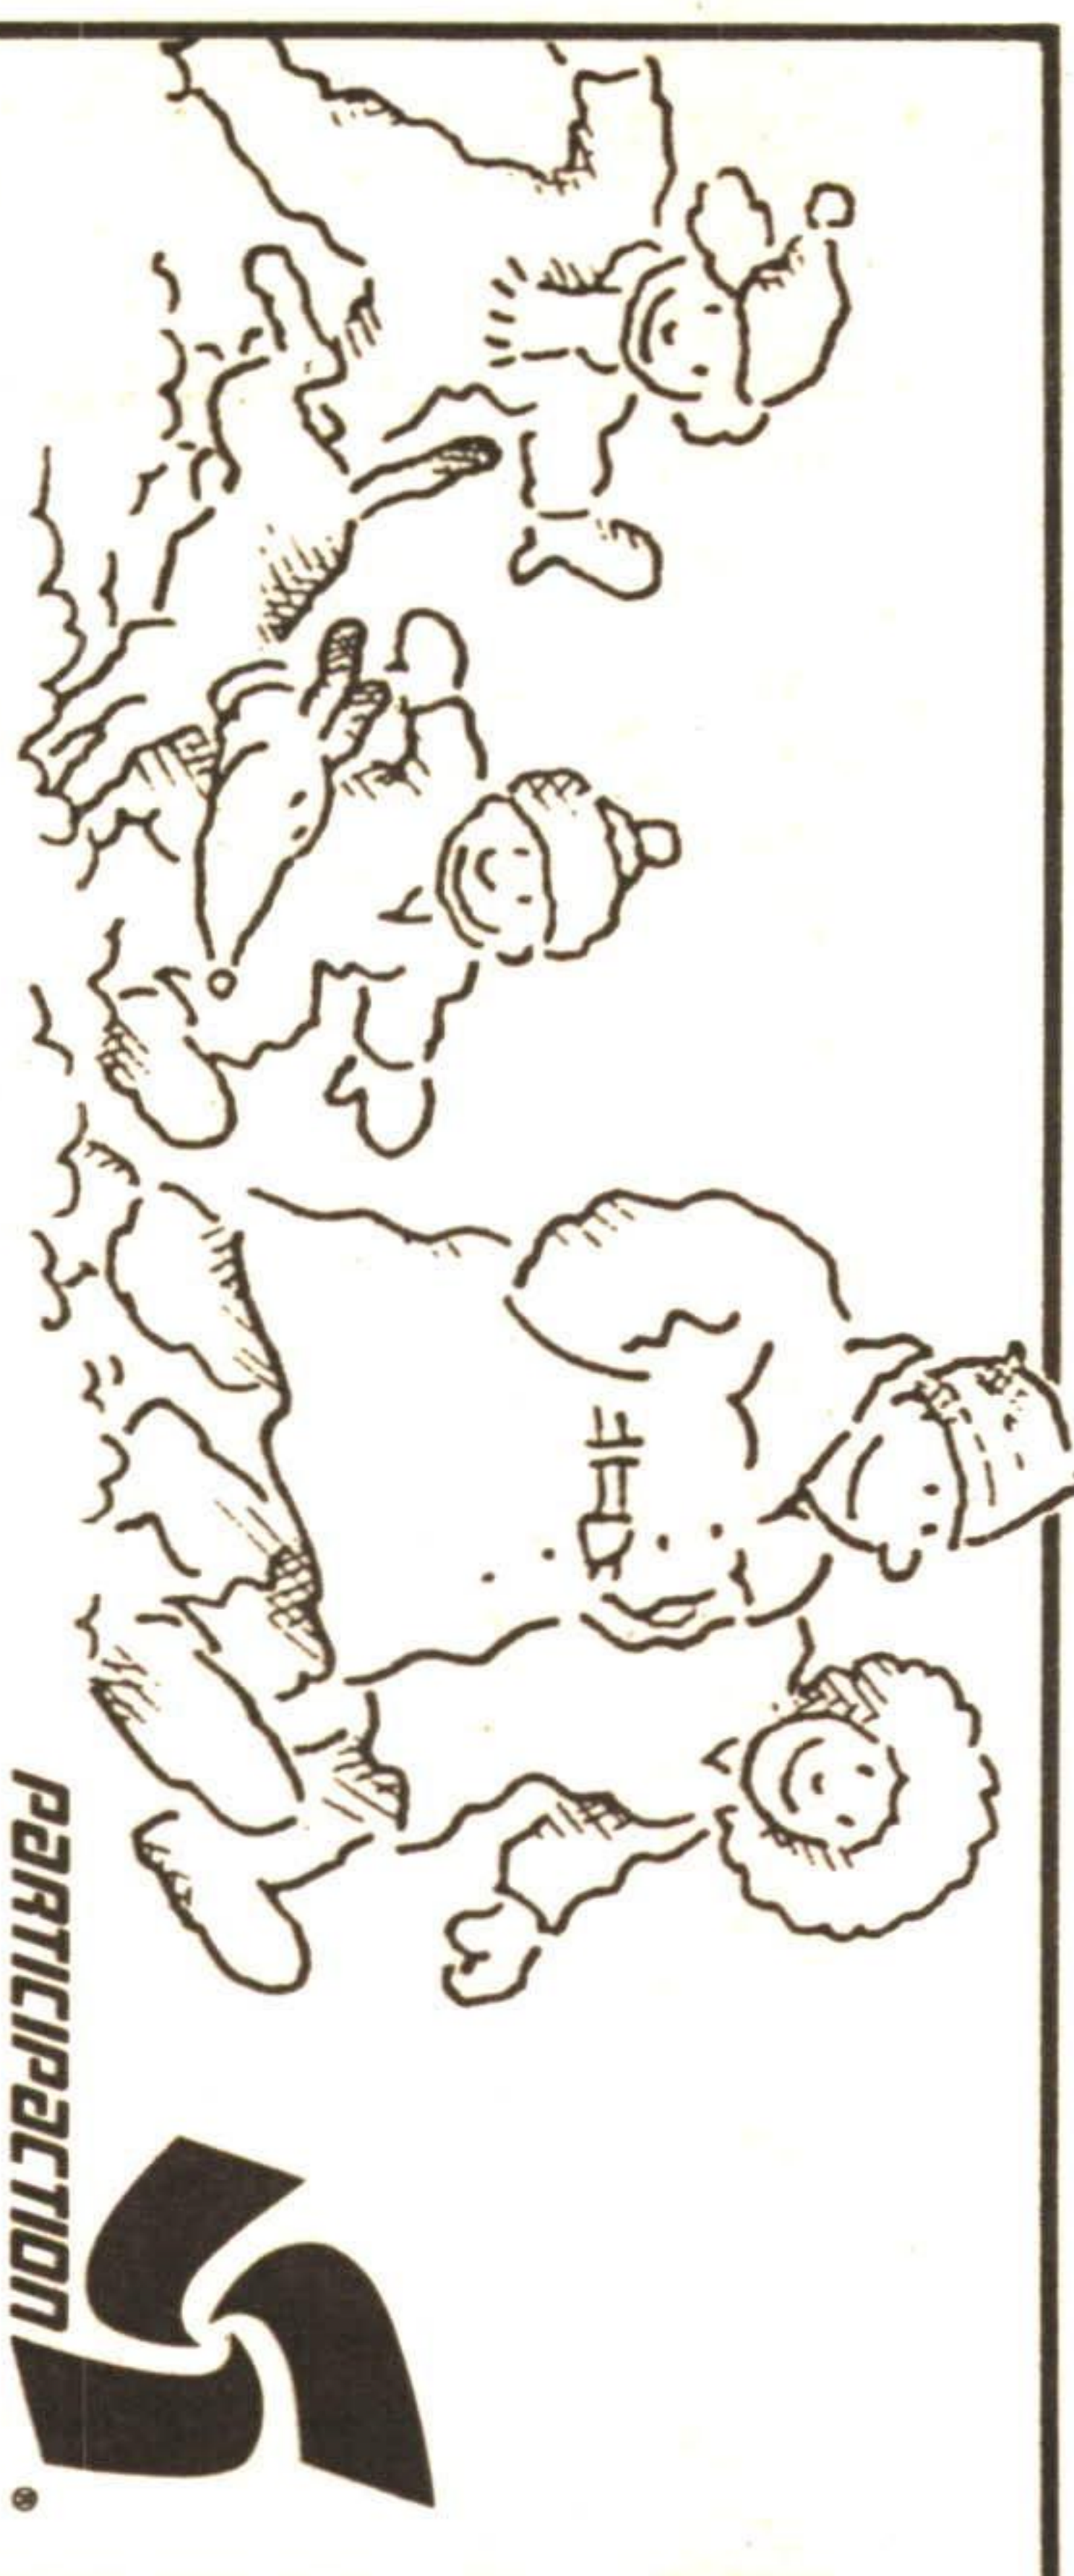

Computers in today's world can create and design artwork faster and less expensive than old conventional methods. Give us a try! You'll be surprised at the time and money you saved ... it's a easy as A B C.
