

# Robin Lynn Gillard graduates with honors

ROBIN LYNN GILLARD

By KAY WILSON  
Fred and Mary Gillard of RR1 Norval are proud to announce the graduation of their daughter, Robin Lynn, with a Master of Education in Administration Degree (honors).

Robin Lynn was a student at Milton District High School and received both her Bachelor's and Master's degrees at Brock University in St. Catharines.

Robin Lynn has accepted a headship position with Peel Region in the Student Services Two department.

Way to go Rob!  
Brampton W.I. meets

The February meeting of the Brampton West Women's Institute was held in the bright, cheerful party room in Lois Fraser's apartment building. President Lois Fraser welcomed members and guests to the meeting with a reading about St. Valentine, followed by the Opening Ode and the Mary

Stewart Collect.

Mae Dixon reminded members of the Gulf War, and the role that Women's Institutes had played in the last war. Mae has been inquiring about the Field Hospital that Canada is sending to the Gulf, and if there is anyway the W.I. can help. She gave everyone a yellow ribbon to be displayed as a reminder daily of the men and women overseas.

After lunch a short social time the meeting proceeded with the Roll Call, My Favorite Bird. The robin signalling spring proved to be the most popular bird with those present.

Lois Fraser introduced her friend, Mrs. Jean Dickson who had toured the Falkland Islands. Those islands are off the coast of Argentina and belong to Britain. During the British-Argentine war in the early 1980's, mines were buried and there are large areas that cannot be travelled as these can still be found.

These islands are inhabited by many interesting birds, plants and animals. The sea lions bask in the sun on white sandy beaches. Rock Hopper penguins lay eggs on nests, made of sticks and stones. The Albatross, a bird with the wing span of eight feet, nest on the wind-swept cliffs. Snipe, which look like our Killdeer, bob along the shore.

Sheep farming is the main source of income for the islanders. They produce an excellent quality of wool which is shipped abroad.

The March meeting is a tour of the Watch Tower facility, west of Georgetown at 10 a.m. on March 12.

### United Church women

Unit 2 of Norval United Church met at the home of Aileen Nixon. Marilyn Buck presided in the absence of Gwen Laidlaw. Secretary

Anne Wilson read the minutes.

Business included:

Unit 2 contributed \$27.40 to the Least Coin of which \$6,000 from the W.I.s across Ontario, is being donated to an abuse centre for native women. Twenty burgundy chairs have been purchased through Fred Paul for the church.

World Day of Prayer will be held on March 1 in Norval Presbyterian Church. Bible Study is being held at the church every Sunday evening under Rev. Walter Beecham.

Guest speaker Norma Tripp of Brampton spoke on her hobby of collecting rocks and stones. Norma cuts the stones and makes them into jewelry.

Norma was thanked by Mary Crawford and presented with a token of appreciation. Lunch was served by the hostess, assisted by Mary Crawford and Norine Van Leeuwen.

### Pinegrove euchre

Pinegrove Euchre had five tables on Monday last. Winners were Mable Hives, Ethel Webb, Mae Tost, Enrico Caruso. Lucky draw, Jean Cunningham.

### Distress training

The spring training session for new volunteers for North Halton Distress and Information Center begins Wednesday, April 3 at 7:30 p.m. Please call 877-1211 for more information and to register before March 17.

### Coping with anger

The final presentation on parenting by Geoff Sansom at Acton High School is Wednesday, March 20 at 7:30 p.m. It will focus on anger, which probably causes the most problems of all emotions, but, once it is recognized, it is not all bad. The cost is \$3. For more information, call the school at 853-2920.

### DENTURISTS AND YOU

Any loss of your natural teeth is a regrettable occurrence. Fortunately it is one that can be remedied with excellent results. Today's Denturists (or Denture Therapists) apply all their skill and knowledge to provide you with a substitute that perfectly suits both the shape of your mouth and your smile. You benefit from the personal attention of the Denturist from start to finish.

Although less known than other professions, Denturists are providing an important health service to the public. Not only does the Denture Therapist provide a full range of dental services directly to the patient, but he provides this service at a cost that makes wearing dentures possible for many who could not otherwise afford them. "Personalized" dentures are no longer the preserve of the wealthy. You may be surprised at the reasonable fees the Denturist can offer for his services. Consultation will allow you to discuss all your options, desired treatment, and cost. Consultations are usually free of charge. Also it is important to note, that there is no GST or tax of any kind on dentures. They honor all insurance plans, D.V.A. & Social Services claims.

Denture Therapists also offer visitation services. They will go to see patients in hospitals and nursing homes, and in special circumstances, they will make house calls. It's the Denturist Association of Ontario's commitment to bring service with integrity to the profession of Denture fabrication. Our expertise is unique, as we are the only profession legislated specifically for one purpose - to make dentures.

## Is war getting you down?

Coping with war can be difficult, especially for those who have family members in the Persian Gulf.

"For all Canadians, especially the family and friends left back home, it is a time when we must remind ourselves to rely on our coping skills," says Mary Oordt, national president of the Canadi-

an Mental Health Association (CMHA).

Young people are particularly at risk, she says, because they have never experienced war with Canadian troops engaged in military battle.

The Halton Branch of the CMHA can help. Call 845-5044, 681-6776 or 853-4477.
