Raiders get head start with April training camp

The past couple of seasons, the Georgetown Chrysler Raiders have waited until August to get rolling on a new season. Not this year.

With new coach Charlie Hanman in place, the Raiders are trying to get a big edge on their Central Ontario Junior B rivals by holding an April training camp.

With some Junior B squads, like the Oakville Blades, still searching for a 1990-91 Ontario title, the Raiders are making big plans for the '91-92 season.

In fact, the Raiders are expecting 80 hopefuls on the ice this Sunday as they begin workouts for next season. And it won't end there. This group of Raider hopefuls will display their talents Sunday and Tuesday and 60 to 80 new faces are expected next weekend at Alcott.

By the end of the month, the Raiders hope to have the 140-plus skaters to pare down to a workable unit for an intrasquad game.

President Finn Poulstrup noted that in the past, many of the top prospects had been snapped up before the Raiders headed to training camp. He hopes the early camp will sway some of those youngsters this way.

Poulstrup added that the 1990-91 Raiders will be at the "Rookie Camp," but not vying for positions.

"They are already Raiders," Poulstrup said. "They'll be at camp in August, but many are going to be helping with this camp."

For Hanman, it will be a chance to get an early start on his junior coaching career. The Raiders are hoping he can perform the same magic he did with Georgetown Minor Hockey teams, from novice to juvenile, and the AAA Major Midget Hurricanes.

Hoare was awarded the MSP Award while goaltender Cory Constant was the Vezina Trophy winner.

In the atom division Dirk McKee was selected as MVP this season. Alfred Roffel was the MIP while Shawn Morden earned the MSP Award. The Vezina Trophy for top goaltender was shared by Dylan Lee and Mark Quaglia.
