

ROYAL LEPAGE Advantage

Royal LePage has more ways to help you find the right home through exclusive Royal LePage catalogues, area information and computer listings. Once a day, Royal LePage's computer will check your needs against new listings and alert your sales representative whenever there's a good match. Buying a home for the first time? The Royal LePage Home-Buyer Kit will guide you through the process.

Royal LePage has people you can trust. Sales representatives who specialize in a specific area, or type of home. They're experienced, knowledgeable-and backed by one of Canada's leading real estate companies. They'll search for your next home and when you're ready to buy, they'll prepare your offer and help you during negotiations.

Because we have our own mortgage company, we can beat or match the mortgage rates offered by the five major banks. With a pre-approved mortgage, you know how much mortgage you can afford-before you start to look. Your mortgage rate is guaranteed for up to 90 days. If interest rates drop, your guarantee rate goes down. You can't lose.

WIN AN INTEREST-FREE YEAR ON YOUR ROYAL LEPAGE MORTGAGE
