'One' not so lucky for four Rams rivals

"One" didn't turn out to be a lucky number for rivals of the Acton Rams novice lacrosse team this past week.

The young boxla players improved their record to 4-0 with three straight wins, allowing the opposition one goal in each of the three outings.

Elora was no match for the Acton crew as the locals ran off with a 12-1 win. Milton couldn't muster much offence either, as they fell by an identical 12-1 count. London was the closest match for the Rams. They held the Acton attack to eight goals in an 8-1 Rams win.

In the match with Elora, the novice squad built up a 5-0 first period lead before coasting through the middle stanza, edging the opposition 2-1. In the final frame, Acton put things back in gear, outscoring Elora by another 5-0 count.

Kyle Artem had a big night for the locals, scoring four times and assisting on two more. Andrew Coe also carried a big stick, firing three and assisting on two.

Shawn Weatherall had a four-point night with two goals and a pair of assists. Chris Lee, Richard Raju and Jason Christopher netted the others. Sandy Chapman earned two assists while Scott Monaghan picked up a solo helper.

Christopher, Lee and Raju came up with the big games against Milton. Christopher and Lee scored twice each and set up two more apiece while Raju lit the lamp three times. Chapman, Monaghan, Artem, Paul Withers and Jeff New-

man netted the others. Weatherall and netminder Ryan Young earned single assists.

A solid team effort led to an 8-1 win over a strong London squad. Raju led the way offensively with three goals and a single assist. Artem and Lee chipped in with two goals each while Thomas Wolfer added a single score.

Chapman led the assist parade with four, while Artem notched three. Wolfer chipped in with a couple while Coe and Lee helped on singles.

The novices are back in action at the Acton Community Centre next Thursday at 7:30 p.m.

Novice Rams earn 3-3 tie with Guelph

The Tim Hortons Novice Rams lacrosse team, after two previous losses to Elora and Arthur, played to a hard fought 3-3 tie with Guelph #2 Monday night in Guelph.

A new team, the Tim Hortons Rams are improving with each outing. Scoring for Tim Hortons were Mathew Hall, Noah Malinosky and Mathew Bodin, who netted one goal each.

Assists went to Joel Petkoff and Derrick Elliott. Ron McCaslin played a strong game in net.

Next game is Monday in London.

G'TOWN BALL ASSOC. ROUND-UP

MAY 28

George & Dragon Yankees at Jim & Pat Akers Countrywide Tigers.

Despite a strong nine-run effort, the Tigers were unable to overcome Yankee pitching and defence. First-base outs by Adam Scuralli, Andre Garneau, and Paul DiMarco combined with Trevor Cash's quick snag of a hard line drive to shut down the Tiger offence. The outcome: Yankees over Tigers, 12-9.

Blake Leavitt Expos at Mike Reed D.J. Angels.

Expo pitchers Simon Ford, Adam Stoyles and Joel Springer held the Angels to a mere three runs while the offence, led by Jeff Meinen's two-bagger and Ford's grand slam, managed to drive in ten runners. The 10-3 score was the Expos' first victory of the season.

Halton Credit Union A's at Beaver Lumber Mets.

Even Jason Hayes' homerun and two fine pop flies grabbed by Matt Hotham

and Dan Smith couldn't stretch the Mets' undefeated record. Solid infield play by A's third baseman Ryan Aubin and shortstop Jeff Russell stopped the Mets at five runs. Three RBIs courtesy of Richard Cunningham, two by Jason Higgins, another two by Russell, and Nick Johnston's homerun, inspired the A's to a 19-5 win.

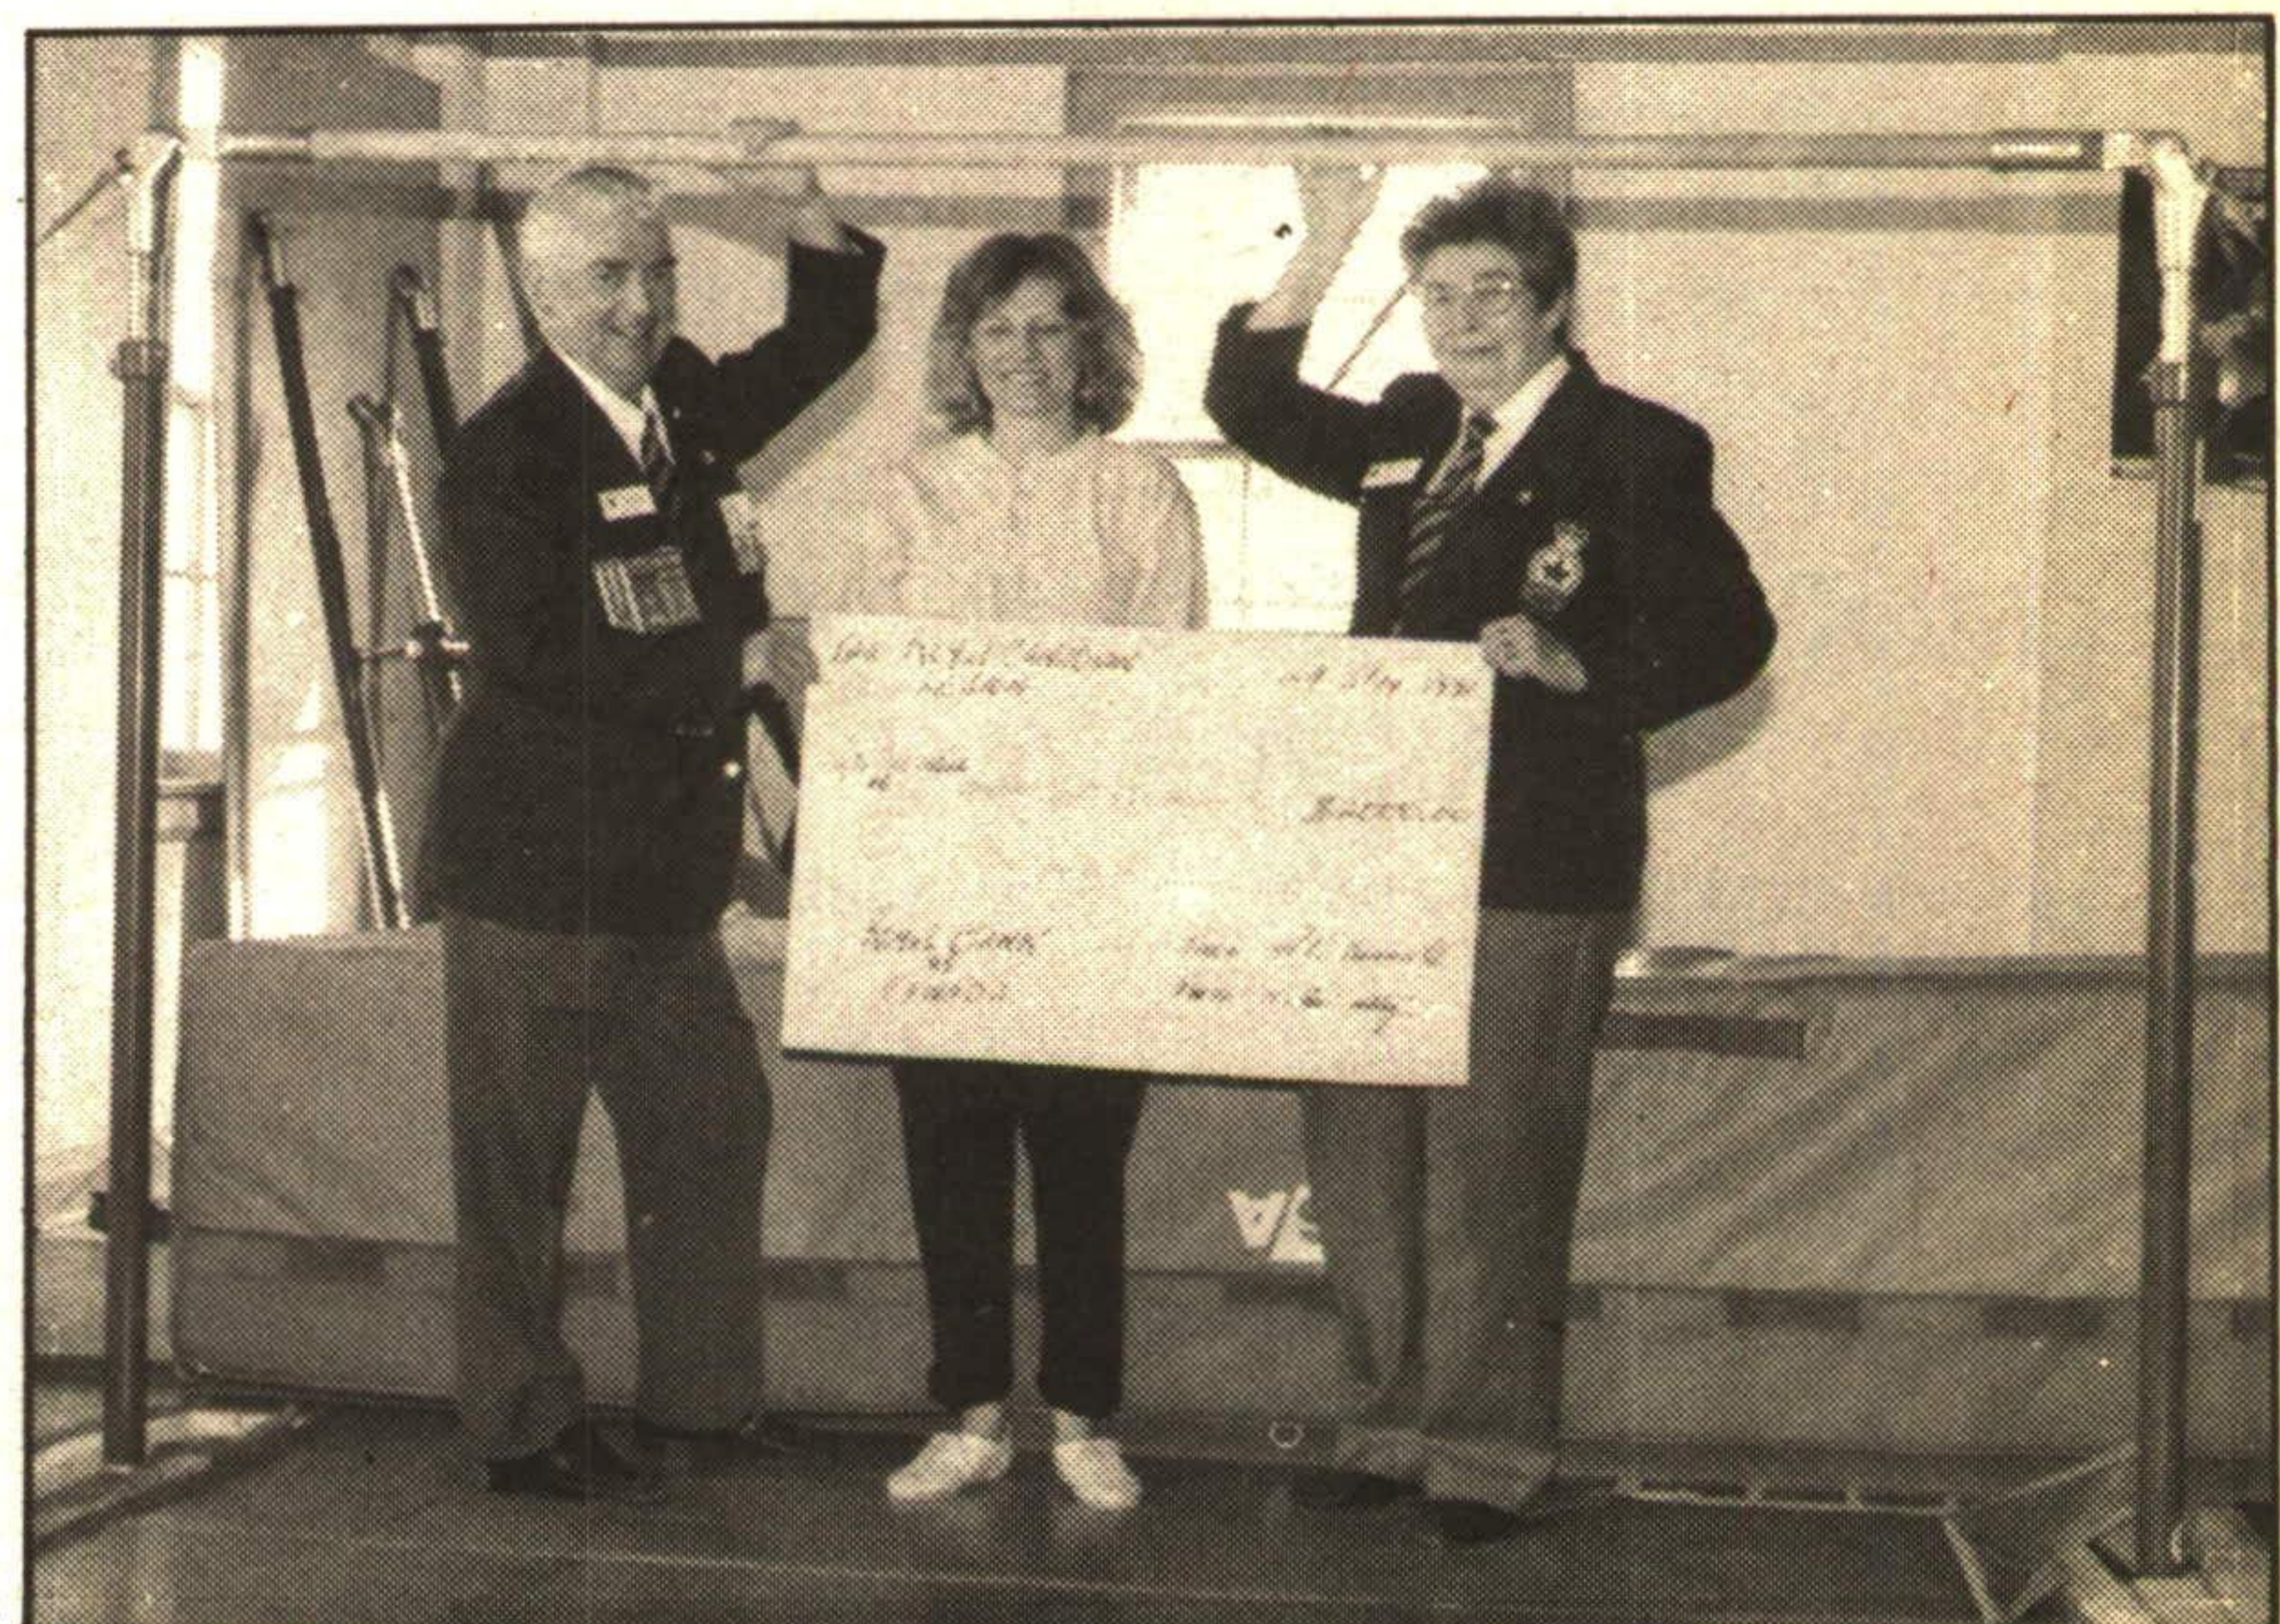

MAY 30

Akers' Country-Wide Tigers at Halton Credit Union A's.

Catcher Craig Anderson's control of the infield enabled the A's to hold the Tiger thrust to six runs, while A's batters hammered in 15 runners, adding another decisive win to the A's string.

Blake Leavitt Expos at J.V. Clothing Blue Jays.

Despite Jesse Viens' two-bagger and Clayton Prucyk's four stolen bases, only Adam Stoyles' two RBIs made it to the Expos side of the scoreboard. Blue Jays logged five, for a solid 5-2 win.
