

# Donations help in shingling concession booth in Hornby

**Norval**  
By KAY WILSON

**New baby**  
Congratulations to Allan and Kathy Blair, and Murray and Bev-

erley Bond, both couples from RR2 Norval, on the birth of their first grandchild Rebekka Marie, at the Credit Valley Hospital on June 28. Proud parents are Darryl and Carol (Blair) Bond of Mississauga.

**Hornby Park Concession Booth**  
The Hornby Ball Club would like to thank Herman Aluminum Roofing for their generous donation of the shingles he donated to put a new roof on the Hornby Concession Booth.

Also thanks to Alan Tilstra Roofing for his time and effort in putting the shingles on. It sure makes a big difference to the looks of the booth.

Also thanks to Al Campbell and Mr. Lopers for their time and effort in the new front door.

Thanks to Elva Howden "Old Faithful" for many years, at Hornby Ball Park, on these fine improvements.

**Get well wishes**

Get well wishes to Mary Picket, formerly of RR2 Georgetown and now of Milton, who is recuperating at home following a stay in Milton Hospital with a broken arm, following a fall.

**Brampton West W.I.**

The Brampton West Women's Institute June meeting was held at the home of Mary Garbutt. Tena Dykstra presided over the meeting in the absence of President Lois Fraser.

Tena reported on her recent bus tour to the Erland Lee and Adelaide Hoodless Homestead

Museums. She found it to be a very moving experience and an enlightening insight into the W.I. She had the feeling people who had lived there prayed the same prayers and dreamed the same dreams we do today for Home and Country.

Doris Sharpe introduced Phyllis Moffatt who has been Brampton West 4H Leader for 22 years. Phyllis told how 4H has changed over the 22 years, club members are younger, awards different and members come from different life styles. Phyllis introduced her daughter Mary Ann, who told about her own experiences as a 4H member and the awards she has received. She has been Brampton Fair 4H Princess, as well as 4H exchanges to Peace

River Valley, Alberta and Wisconsin. She has served on 4H Council and participated at several 4H Conferences.

Mary Garbutt introduced her niece Carol Reid, who is a student studying law. Carol spoke on the topic of wills. She gave several examples why everyone should have a will and have it kept up to date. Wills should be reviewed at least every five years, or when changes take place in your family. New babies, weddings, deaths and changes in marital status are all good reasons for a review.

Carol answered many interesting questions from those present in her very friendly and easy manner. Everyone enjoyed Carol's very interesting and informative talk, and wished her well in the future.

September 10 at 10:30 a.m. will be the first meeting of the fall schedule with a tour of the new Brampton City Hall.
