The Georgetown O'Tooles squad is looking pretty hot after some confidence-building wins.

## O'Tooles reach Sarnia finals with 31-0 trouncing of hosts

A few weeks ago, O'Tooles travelled to Sarnia in hopes of finishing with a winning record. After losing a close game to EBBA from Windsor 8-7, the team jelled.

During the EBBA game, for O'Tooles, Sean Hardcastle led the way with a double, single, walk and four stolen bases. Also contributing, were Robert MacLeod with two RBIs, Isaac Ferguson and Geoff Bahr collecting singles and Mark Fedchyshyn, Trevor Rich and Geoff Bahr each stealing two bases.

In game two the team pulled together beating Windsor 9-1. Andrew Nelissen led the way with a triple, double and single. He also had four RBIs and scored three runs. Devon Fraser earned the win. Hardcastle continued his stealing ways by taking three bags.

Game three proved much closer against Oakridge with Georgetown O'Tooles emerging with a 6-5 win. Brent McClung, Andrew Nelissen and Robert MacLeod scored two runs each with Isaac Ferguson adding two RBIs. MacLeod, Bahr and Nelissen added singles.

After much deliberation it was determined that Georgetown O'Tooles had earned a spot in the playoffs. In the semi-finals they had to face Sarnia 'A'. The game finished after five innings with Georgetown coming away with a 31-0 win.

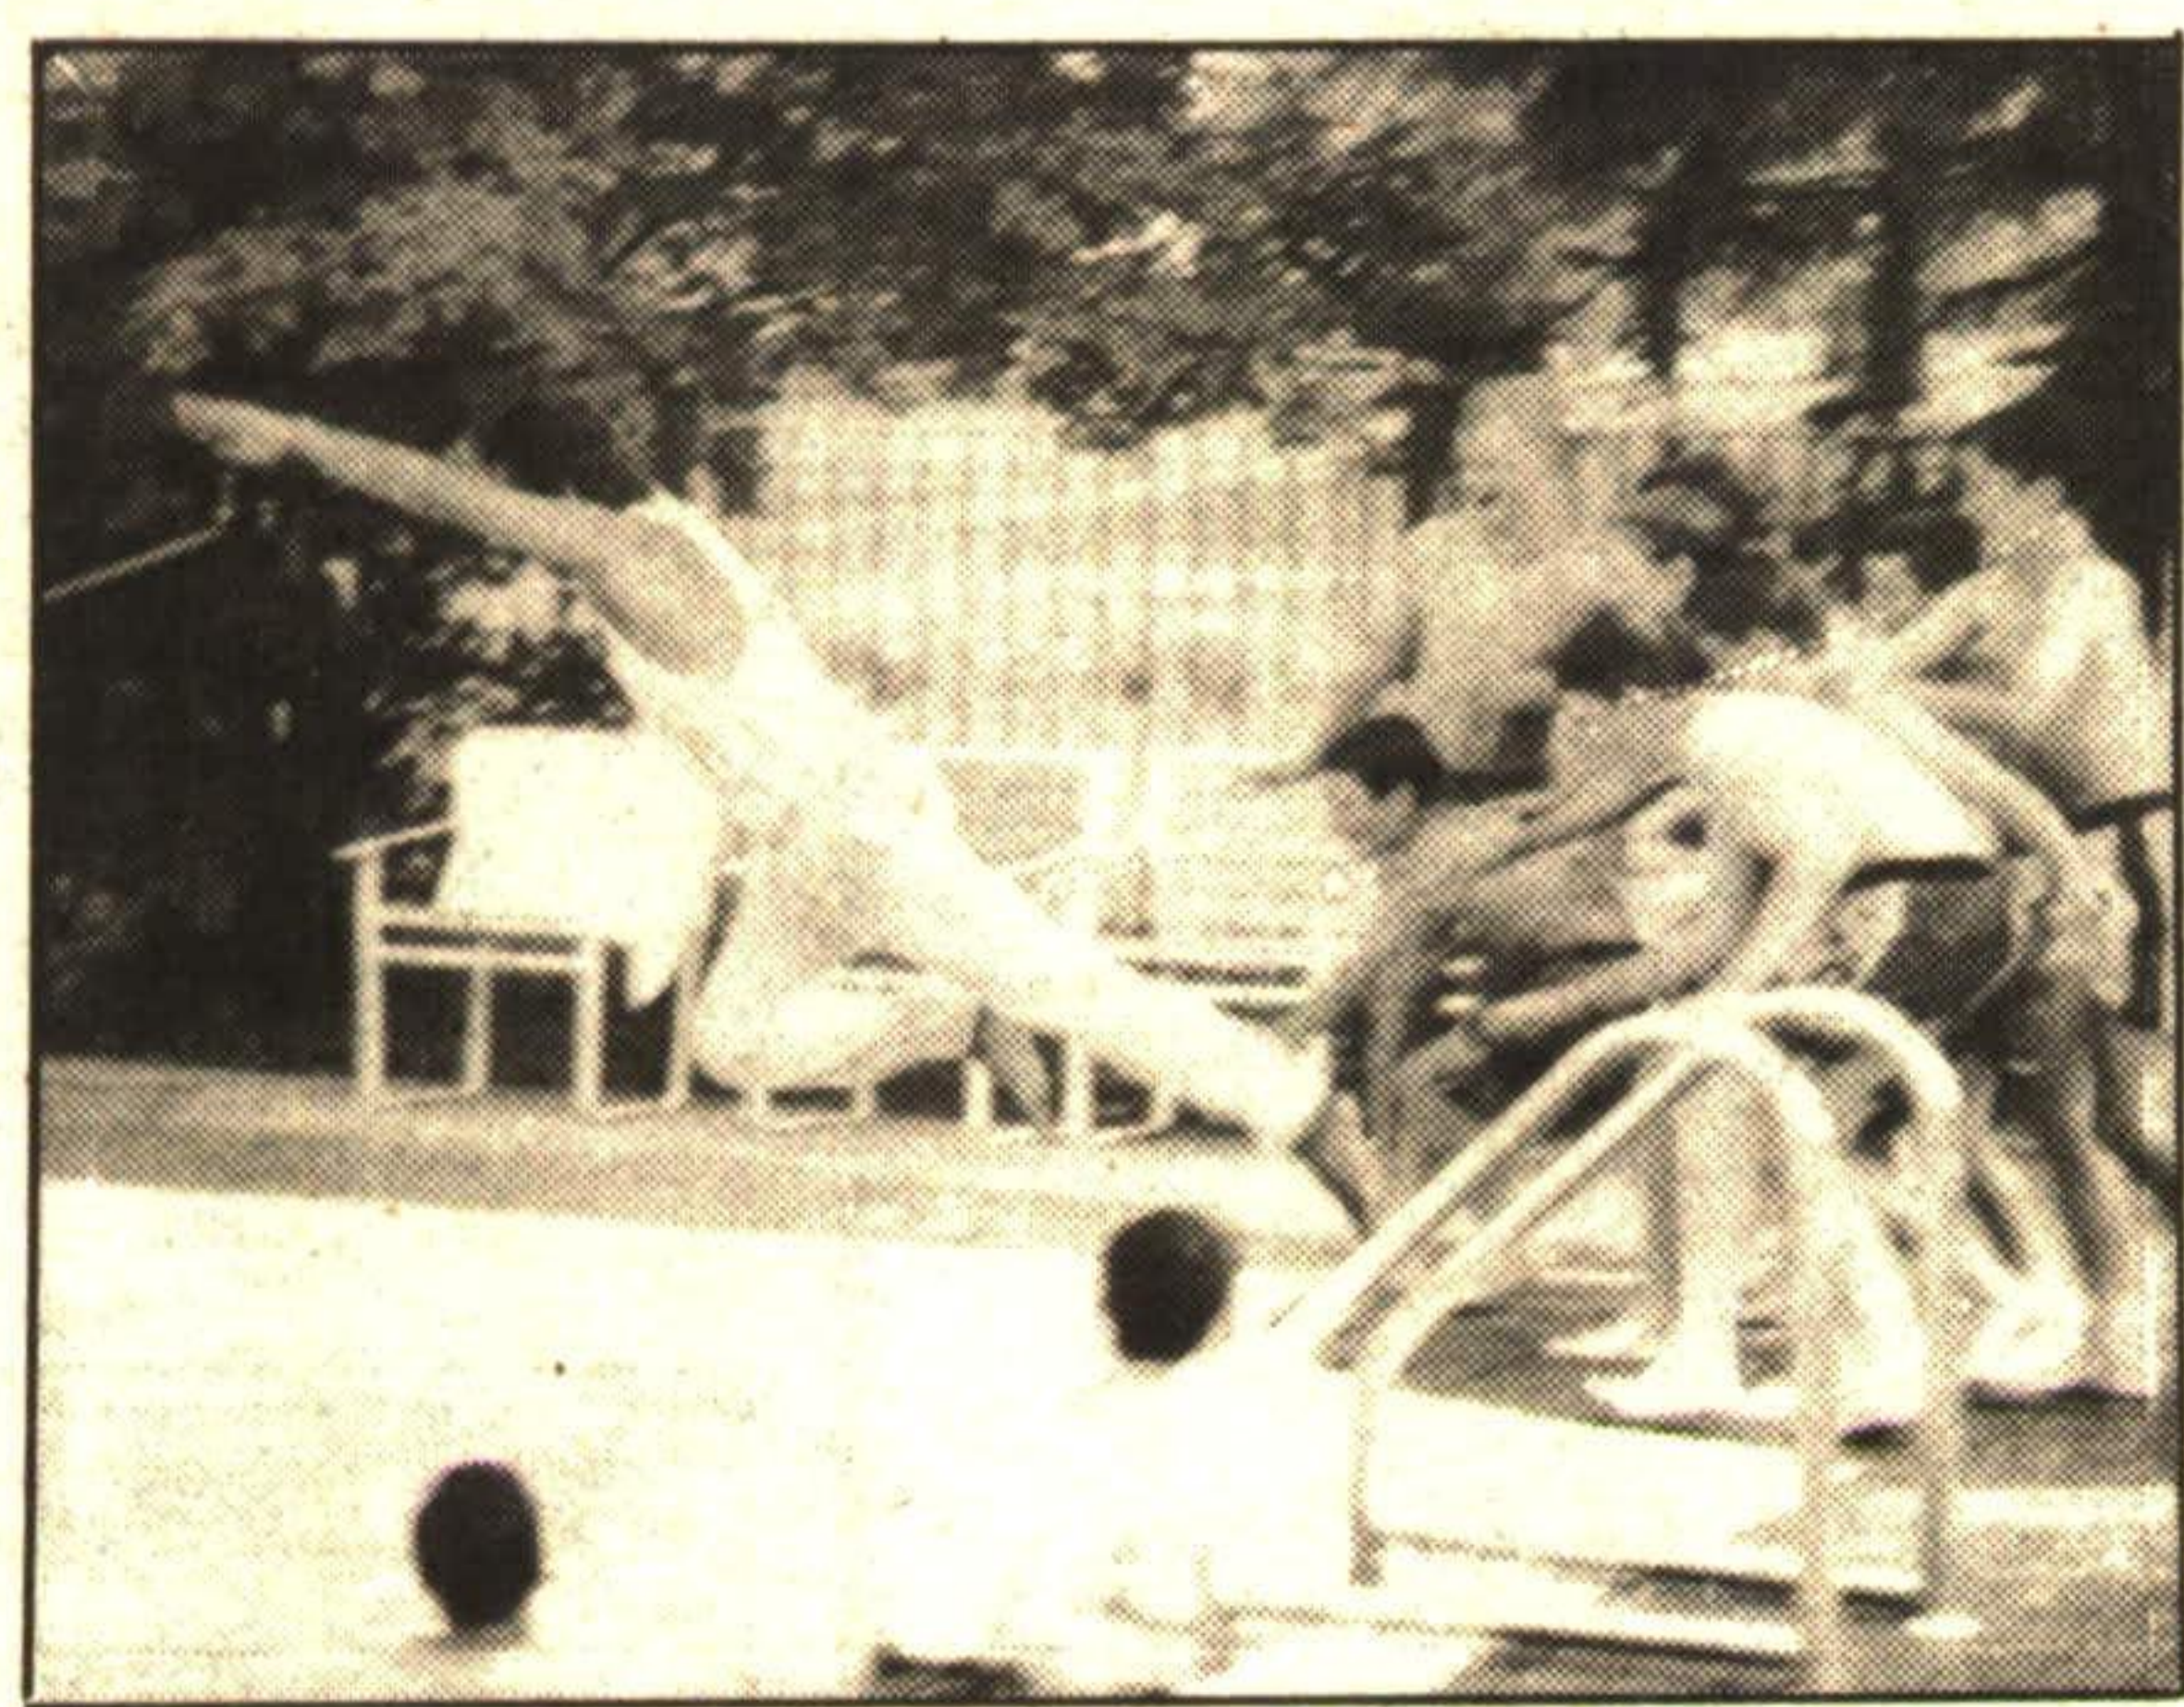

With so many runs the highlights were: Hardcastle, Fraser and Bahr with four RBIs each, Isaac Ferguson and Ryan Bobor added three RBIs each, Geoff Bahr earned the win with Greg McCullough pitching a scoreless fifth inning, and Ryan Smith coming off the bench to add a stolen base and RBI.

In the finals they faced last year's Ontario 'B' champions, Tecumseh Chiefs. Although having a chance in the middle innings with bases loaded, one out, and a score of 7-3, they couldn't produce

the much needed hit. The final score was 12-3. Scoring for Georgetown were Isaac Ferguson, Mark Fedchyshyn and Devon Fraser. During the three victories the Most Valuable Player awards were given to Brent McClung, Geoff Bahr and Andrew Nelissen.

**Coaches Comments:** Our team is beginning to come together. We have nine players that are in their first year of rep and our record at this time, including tournaments, is 12 and 14. As manager I would like to thank the players, my coaches and the parents for their support. Also thanks to Glen Allen at O'Tooles for his sponsorship and future plans for the team. Congratulations also to the team for finishing second in the Sarnia tournament.

Pictures supplied by Roman Fedchyshyn. It was agreed that if the team played well Saturday, they could throw manager Terry Jones in the pool. Guess what happened.

## Falcons on a roll after four consecutive wins

By DAN DUNLEAVY  
Player/Coach

The Georgetown Senior Falcons Soccer Club is definitely on a roll. After struggling at the start of the season, the men haven't lost in their last four outings. Their latest effort was a 1-0 win at Chinguacousy last Sunday night.

George Tzimas was the difference in this match as he played an outstanding game in net. Chinguacousy had more than one opportunity to tie the game up after Georgetown took the lead early, but Tzimas was determined to keep his club on top.

The Falcons' goal came off the foot of Paul Smith once again. Smith's goal came courtesy of a

nice centering pass from Rick Fitzpatrick. Howie Oram and Steve Swimscoe both had great games up front for Georgetown.

Now into the second half of the season, the Falcons have a realistic shot at taking third place in the league. Thoughts of a league cup win or two are also dancing in their heads. The first game will be played either Aug. 13 or 14 at Mississauga Valley against Classic.

Georgetown's next game is Thursday night in Malton at 7 p.m. Each win at this point in the season is very important as some players may be forced to leave the club come September for other commitments.

## Juvenile Eagles' five-run blast bounces Brampton

On Monday evening the Minor Pee-wee Eagles played their second last home game of the season. The hometown fans were treated to an exciting and entertaining game. The visiting Brampton Blue team cruised into town fresh from winning the championship in the Brampton Tournament held over the holiday weekend.

Brampton, in second place, three points behind the first place Burlington team, were hungry for this game and hoping for an easy two points in order to close in on the league leaders. But the "green machine" were ready to do battle and make some decisions about where the league leaders might finish.

Georgetown got off to a slow start surrendering three runs on five errors in the first inning. But after a five-run explosion in the third inning and two more in the fifth, Georgetown soundly defeated Brampton 7-4. The Brampton coaches admitted after the game that this loss would probably eliminate their chances of capturing first place. Throughout the past few weeks the Minor Peewees have steadily improved after making it to the consolation final in the Streetsville tournament in mid-July. They are looking forward to pulling off several more upsets as they head into the upcoming league championships.

The game was highlighted by many excellent plays, timely hitting, awesome pitching and great player enthusiasm. The team deserves a lot of credit for rebounding from a difficult first inning. Unfortunately a week's layoff since their last game caught several players napping during the first inning to allow three unearned runs. The steady pitching of Mike "Curveball" Kelly shut down the Brampton team for the next two innings. Suddenly in the bottom of the third, Kevin Humeniski, Todd Bussell and Daniel Young hit three singles in a row to load the bases. With Georgetown's heart of the order coming up to

bat, the game took on a new perspective. The number four hitter, Doug "Boom Boom" Inglis with a season average of .342, immediately slammed a three-run double tying the game which led the hometown crowd screaming for more. Up stepped Steve "Sluggo" Gibbons (batting an incredible .406 for the season) and crunched a one-run double. Georgetown closed out the inning with one more run to take a 5-3 lead.

After retiring nine in a row Kelly surrendered the first earned run of the game in the top of the fifth inning allowing Brampton to close within one run. But during Georgetown at bat, the bash brothers Inglis and Gibbons hit singles and scored two more runs on RBIs by Kelly and Dan Hughson.

With Georgetown now leading 7-4, Mike Kelly shut the door and retired the last nine batters in a row including three strikeouts. Kevin Humeniski hit two singles and scored a run, Daniel Young hit two singles, walked and scored a run, Dan Hughson hit a single and scored an RBI, Geoff Stoneham hit two singles, Mike Kelly hit a single and scored two RBIs, Steve Gibbons hit a single, a double, scored two runs and an RBI.

The player of the game honors were shared by Doug Inglis with two singles, a double, three RBIs, and two runs scored and Mike Kelly, recording his second win of the season. Kelly faced only 28 batters during the complete seven inning game, gave up only one earned run, issued no walks and struck out five to bring his season ERA to 3.12.

The Minor Pee-wee Eagles earned this long awaited win after two years of defeats to the powerful Brampton teams. After the recent close games with Clarkson and Burlington, Georgetown is beginning to peak at the right time. The season concludes with away games on Aug. 6 and 12 in Brampton and Oakville, with the last home game Friday, Aug. 9 against Streetsville.
