## IT'S EASY TO PRETEND YOU DON'T SEE THEM

Ignoring the problem of homelessness won't make it disappear. But they're out there - Halton Hills 'Invisible' people. Living in streets. Sleeping in doorways. Fighting for survival, eating food we wouldn't serve our pets. Without our help, they don't stand a ghost of a chance. Donations of food and clothing, time spent volunteering can bring new hope to thousands of individuals and families who have none. It's time to open our eyes and help the homeless.
