## A hometown split for Dodge ReMax

The Mal Dodge ReMax AA Peewees began the 1991-92 hockey campaign with a split at home.

Sept. 29, they suffered a 7-2 loss at the hands of Flamboro, but rebounded Oct. 7 with a 3-1 victory over the visiting Dundas Peewees.

In game one, Flamboro controlled the play through the first two periods, running up a 5-0 lead before Georgetown's Chris Goodhew broke the ice with a goal at 4:07 of the third, set up by David Papadopoulos.

Flamboro added two more before the home side closed it out with a late marker from Steve Smith, assisted by Joshua Malinosky.

A week later, it was Dundas taking a 1-0 lead into the second period before the blacks stormed back with three unanswered tallies.

With just five seconds remaining in the period, Fraser Brown tied the game on a set up from Jamie Briggs and Chris Goodhew.

Allan Rasmussen made it 2-1 with his goal at 7:09 of the third period, assisted by Stephen Markham.

At 1:10 of the period, Briggs

scored Georgetown's third from Papadopoulos to finish off the 3-1 win.

This year's squad, caught in the player squeeze created by zone AAA hockey, has gone to a minor, major format signing nine major and eight minor aged players.

Goaltending duties will be handled by Andrew Craig and John Moon.

Defensive assignments have gone to Ken Armstrong, Jamie Briggs, Rick Clark, Chris Corney, Trevor Crane and Grant Walsh.

Offensive responsibilities go to Fraser Brown, Chris Goodhew, Brad Kouyoumjian, Joshua Malinosky, Stephen Markham, David Papadopoulos, Rob Pilgrim, Allan Rasmussen and Steven Smith.

Mentors for this year's Tri County entry are coaches Jack Moon and Bob Craig, trainer Ron Crane and manager Bill Briggs.

Early competition suggests that there is lots of work ahead. If you find things a little boring after the ball season's over, come on over to Alcott on Sundays at 3:45 and cheer on this year's AA Peewees.

See you at the rink.

## CRUNCHING DEFEAT FOR JUNIOR REBS

The Georgetown District High School Junior Rebels absorbed a 27-8 hammering by the high-riding Milton Mustangs Wednesday on home turf, leaving the local boys two and two on the win-loss register.

The game was not without its outstanding Rebel plays, however. John Buckle scored on a 40-yard run and kicked in the convert, while Trevor Knight covered his Milton opponent in their end zone for a single point.

Defence was led by Scott Tarzwell, Steve Mc-

Clung, Andrew Elinesky and Anthony Wilson. A fumble was recovered by Jeff Williams.

After a nervous start, rookie quarterback Aaron Williams settled down to play an outstanding game, with the whole offensive unit rallying behind him for a strong second half, when they outscored the Mustangs 8-0.

The junior Rebs play Loyola this coming Thursday and begin the playoffs the following week.

## Sunny Acre Midgets give thanks for 3-2 win

The Georgetown Sunny Acre Midgets celebrated Thanksgiving Sunday with a come-from-behind 3-2 win over Burlington at the Alcott arena.

A scoreless first period featured some great opportunities for the home team while goaltender Josh Barber provided steady netminding. Burlington opened the scoring early in the second period with Georgetown

evening the score midway through on a goal by Chris Barrow. Dustin Thompson and Ryan Ward assisted on Barrow's marker.

A power play goal late in the second gave the visitors a 2-1 lead. The Sunny Acre squad waited until the dying minutes of the third period before pulling this game out of the fire.

With five minutes remaining, Greg Dawson scored a power play goal with an assist from Derek Parsons and, with less than three minutes to play, Greg Dobbin tipped in the winner on a pass from Derek Ellard.

Barber again proved very steady in the Georgetown nets, shutting out the visitors for the entire third period.

The Sunny Acre Midgets are now 3-1 in league play and will travel to Orangeville this week to try to extend their winning streak.
