### BLUE FINS TIME TRIALS

About 40 swimmers like Dana Welters, 9, (above) took to the water in the GDHS Indoor Pool when the Georgetown Blue Fins conducted time trials Monday night. Swimmers were clocked in the 25 and 50-metre lengths while parents and volunteers

waited at the opposite end with their stop watches ready. The time trials give swimmers a reference point to measure their level of performance and enter the correct level of competition at swim meets.

First place Bishop Reding Secondary School has 15 points and a five-point lead in Volpe division senior field hockey going into playoffs this week. GDHS has nine points for a third place tie.

### OPTIMIST CROSS-COUNTRY CHAMPS

A little drizzle didn't dampen the enthusiasm of runners in the Optimist Club's cross-country meet for north Halton grade schools, held last Saturday in Georgetown's Cedarvale Park. In fact, Rachel Andrews (below right, with dad Bob) ran so fast she left her shoes behind — and won the 10-year olds girls' division. Champion among the nine-

year old girls, Angie Van Egmond earned a hug from her teacher at Georgetown District Christian School Mrs. Woudstra (below left). Warming up for the 11-year old boys' event (above) were Brad Ellis of M.Z. Bennett, Greg Brown of Stewarttown, Dan Buligin of Park and Glen Wood and Richard Hyde of Centennial. Richard turned out to be the winner.

## Monmar Peewees leap to 3-1-1 record

The Acton Monmar Developments Peewees have played eight games thus far in their new season, including five exhibition and three league tilts.

Their exhibition record is three wins, one loss and one tie, while their league record is one win and two losses.

Game one, an exhibition contest, saw Acton in Brampton, with the Monmar crew totally dominating 5-1. Scoring star was Gary Genzler with two goals and one assist.

Game two, also exhibition, was against a determined team from Bolton. The Monmar crew was outplayed in losing 4-2.

Goalies Sterling Luedee and James Metcalfe faced an almost constant barrage of shots but managed to keep their team in the game. Single tallies were notched by Chris Gillingham and Martie McKinnon.

Game three was an all Halton Hills contest with Acton gaining the upper hand 4-2 over Georgetown. Four different forwards notched their first goals as Peewees - Derek and Brian McIntyre, Paul Guy and Ryan Seads.

The team's fourth game Oct. 11 was their league opener against the hard-hitting Hawks from Cambridge. Rugged Ryan Seads, Magic Martie McKinnon and Rocket Ryan Owen led the way in scoring with each contributing two points in another 4-2 victory.

The next night back in Acton, Monmar hosted a different Brampton team, hammering out a victory by a score of 3-1 in an exciting game.

The Thanksgiving Sunday game in Elora was a "turkey," with the final score a lopsided 8-4 for the homeside. Acton trailed 6-0 at one point in the second but fought back to close the gap to 6-4

before Elora popped their final two markers. Single Acton goals were counted by McKinnon, Routledge, Genzler and Derrick "Mac."

Last Tuesday's league home opener against Stratford was a barn burner which thoroughly entertained the large appreciative crowd. The Monmar Peewees built a 3-1 lead into the second period on two goals by Genzler and one by Brian "Mac" with big defenceman "Joltin" Joel Reynolds contributing two assists.

Stratford finally found their scoring eye at the end of the second and into the third. James Metcalfe was strong in goal facing 28 shots and adding an assist but he couldn't stop the onslaught. The final score was 4-3 for Stratford.

The final game of this report is last Saturday night's 2-2 tie against Brampton. This was a close contest all the way, with Acton tying the game with only one second showing on the clock off a scramble in front of the Brampton goal with Brian "Mac" having the last poke at the puck.
