TED BROWN/Weekend

Little Amanda Emmerson, 9, accepts the prize money that her grandfather Steamer Emmerson recently won in the Hartley Coles Limerick Contest in the *Independent/Free Press*. Amanda promptly turned around, endorsed the cheque and

presented it to the Park Public School Parents Association. Dressed in her Halloween finest, Association president Sue McNally accepted the \$15 cheque which will be entered into the association's general funds.

Re-elect

Mayor

RUSS Miller

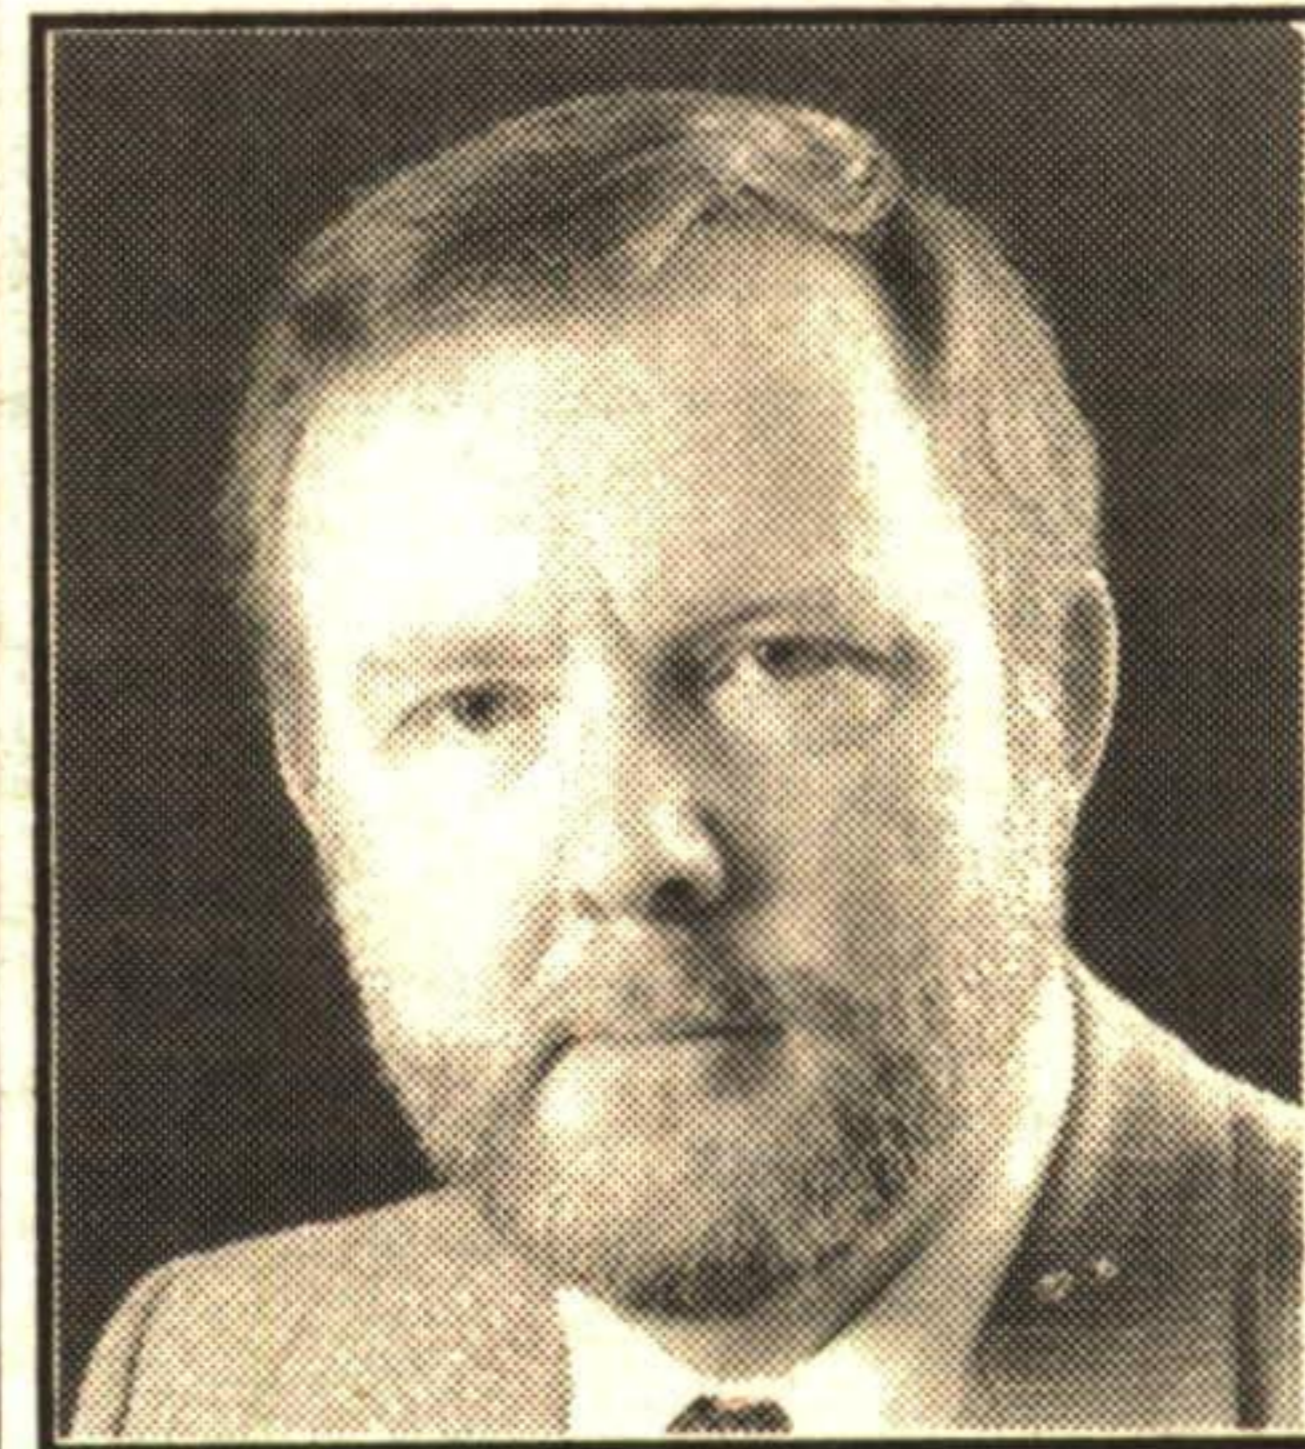

on November 12th

Let's continue

- strong leadership responsible to ratepayer's needs
- committed representation at the regional level
- sound financial budgeting
- further upgrading of streets and roads with more controls on traffic to ensure safety
- improved recreational and cultural facilities for our communities
- support for the farming community

For credibility at all levels of government
Vote MILLER on Nov. 12

ACTON VOTERS

For the past 6 years, it has been my privilege to represent you on local council.

It is critical that Acton continue to be represented by fair-minded, progressive and effective Councillors.

Over the next 3 year term, major issues such as taxes, arena replacement, seniors facilities & development will require sensitive consideration and good judgement.
