WINTER 1992  
January 6 - April 28

Laurier offers courses both through classroom lectures and at a distance, through Telecollege. We're here to help you achieve your educational goals.

Classes are available for part-time students at Brampton Centennial Secondary School in Brampton. We're sure you'll find classes that suit your interests, career and schedule.

Laurier regrettably, is withdrawing from the offering of classroom courses in Brampton at the end of the Winter 1992 term. Distance education enrolment, however, has more than doubled in Brampton, and we will continue our commitment to serving distance students in Brampton.
