

# Select Juveniles claim Junior crown

A long hard day of volleyball at Scarborough College paid off for the Juvenile A team of the Peel Selects Women's Volleyball Club. The Ontario Junior Women's Open was hosted by Toronto and attended by six junior age teams and two juvenile age teams.

The Selects got off to a very poor start dropping the first match in two games (11-15; 13-15) to Windsor AKO, a junior team seen for the first time this year. Coach Christine Craig had a team meeting to settle the girls down, and their

second match against the Quebec team from John Abbott College saw the Selects regain their confidence, winning 15-4; 15-6. The last match of pool play had the Selects meeting the Scarborough Eclipse junior team and winning 15-4; 15-8.

After pool play, the Selects were in second place going into the elimination/championship round. They met with the Waterloo Tigers who had upset the Waterdown Raiders in order to claim first place in the other pool. The Selects won a long

hard match over the Tigers 15-11; 12-15; and 15-8 to advance to the Gold medal match.

The Gold medal match saw the Selects meeting Windsor AKO, the team that had handed the Selects their earlier loss. Coach Craig had prepared the team for a strong digging opposition, and long intensive rallies. This is exactly what happened, with the Selects playing a steady disciplined attack game supported by a heads-up communicating defense. The Selects won 15-12;

15-11 providing excellent volleyball for all.

Although Holly Sones of Georgetown had spent Friday afternoon and evening playing for the G.D.H.S. Senior Volleyball team, she was able to demonstrate her talents and skills in middle through her high calibre of play all day Saturday. Tracy Fowler, a setter for the Bishop Reding Senior Volleyball team, won Gold in tournament play all day Friday, and was still able to draw from her strength, as a power

hitter for Peel Selects in Saturday's win. Coach Christine Craig is also committed to high school volleyball as she spent Friday afternoon and evening coaching her Streetsville Senior Volleyball team, and then was able to direct the talents of all of the Peel Selects to this important Gold Medal victory on Saturday.

The Peel Selects Volleyball Club will be hosting the Region 5 Championships on January 25 and 26 at Mayfield H.S. The Midgets will be playing on Sunday afternoon.

### Midgets edge Erin

The Georgetown Sunny Acre Midgets returned to league play following the very successful Georgetown Midget Tournament. The Sunny Acre squad won two games and lost to eventual finalists Port Perry in their final game.

In their return to league play, Georgetown played two games this week, defeating Erin 5-2 before bowing to Oakville by a 4-2 count.

In Erin the Sunny Acre group seemed to have a case of the post tournament blues as this game featured sloppy passing and numerous give aways. Mark David's unassisted effort gave Georgetown a 1-0 lead which held up until late in the second period when Erin tied the score.

This seemed to snap Georgetown out of the doldrums as they proceeded to score two goals in two minutes end of the second period leading 3-1. Paul Kalbarski scored on a nifty two on one from Dustin

Thompson and then Thompson assisted again, along with Brent Couling on Ryan Ward's shot from the point.

Justin Wees came alive in the third period, scoring one goal on an assist from Kalbarski, and assisting on Ryan Rive's goal mid-way through the third. Dustin Thompson added his third assist of the game on Pirie's goal to round out the scoring.

Against Oakville the Georgetown crew stormed into a 2-0 first period lead and appeared to have things well in hand. A power play goal by Justin Wees on assists from Derek Ellard and Mark David and an unassisted effort by Ryan Rells propelled Sunny Acres into the lead.

However, that was the end of the Georgetown scoring and Oakville clawed their way back into the lead with four unanswered goals to secure the victory.

Little Julie Thompson, 8, was the lucky winner of a full set of signed Raider team sports cards at the kickoff night of the sports card program last Saturday night. Julie won her set of cards during a draw at the first period intermission. On hand to make the presentation were (from left) Georgetown Optimist president Don Smith (also proprietor of C&S Printing), Raider General Manager Finn Poulstrup and

Georgetown Village Constable Nick Leoni. New cards will be released at every home game, and fans will have a chance to get cards autographed by players between periods. The cards are a joint project by Georgetown Optimists, C&S Printing and Halton Regional Police, and feature a crime prevention tip on the back as well as the players' stats.

### Acton peewees clinch first

The Acton Monmar Homes Peewees continued their steady improvement by clinching first place this week in the Doherty Division of the Hub League.

That evening back in Acton the homeside hosted a big strong Guelph Peewee Select team and after an early struggle posted an 8-4 triumph. Seeds had yet another

multiple point night to bring his weekly goal total to ten and season total to an outstanding 48 and also set up two others. McKinnon had two goals and an assist. The "Mac" attack was in high gear with Brian and Phil counting three points apiece and brother Derrick contributing his usual gutsy play to his line of Jon Routledge and Paul Guy. Genzler added a goal and assist, Williams, two assists and Ryan Owen concluded his special day with another goal on a wicked blast from the slot after an end to end rush.
