Hurricane peewees nipped by Burlington

After five games the Leaver Hurricane Peewees were even with Burlington, each registering two wins and two losses with one tie game. The final game was held in Erin March 31 due to lack of ice facilities and was another close one with Burlington edging Halton 4-3.

Burlington opened scoring but Halton came back with a goal by Justin Davis off a goalmouth scramble. Assists were by Ryan Taylor and Peter Mashinter.

In the second Hurricanes led 2-1 on Davis' second power play goal with assists by Darin Finlayson and Mashinter again. Burlington put in two more quick goals to go ahead 3-2.

In the third Davis slipped in his hattrick goal at the 8:10 mark on a relay from Tom Baynton. Burlington with just over four minutes left, put in the winning goal. Hurricanes pulled the goalie but to no avail.

The first game ended in a 3-1 win for Burlington. Peter Mashinter got the lone goal assisted by Justin Davis.

In the next game Halton coasted to a 6-3 victory on the strength of a fine hattrick performance by Mashinter, who has been shooting up the rinks lately. He was assisted on all goals by Justin Davis. Other markers were by Tom Baynton, Davis and Jon Atley.

On March 26, Burlington blanked the locals 3-0. The Hurricanes showed up but were simply outthusted. Jeff Langille's outstanding goaltending kept the score down.

The fourth game ended in a 5-5 tie after a 10 minute overtime period. Tow goals apiece by Mashinter and Davis paced the locals who actually led by three goals at one time.

Halton had to win the fifth game on Sunday at Mainway and came through with a 4-2 win which forced the final game. Justin Davis who was hacked, prodded and provoked, still came up with another hattrick to seal the victory. Curtis Carr, Mashinter and Baynton earned assists. Doug Janjevich stole the puck and put it on Steven Roy's stick who backhanded in the other goal to finish off scoring.
