

Driving for charity at Mohawk

Eight of the world's best harness drivers - John Campbell, Jack Moiseyev, Mike Lachance, Ron Waples, Doug Brown, Steve Condren, Tony Kerwood and Mike Saftic - have combined to drive horses to earnings in excess of three hundred million dollars.

But tonight (Sunday) this all-star cast will not be driving to put money in their own pockets but rather into the pocketbooks of three of eight children's charities.

The Drivers' Charity Challenge will involve six races and each driver will earn points based on where he finishes in each race.

The Ontario Jockey Club will donate a total of \$10,000 to the chil-

dren's charities.

The driver who earns the most points in the six race challenge will have \$5,000 donated in his name to the charity that he's teamed up with at the start of the evening, prior to the challenge.

The runner-up driver will have \$3,000 donated in his name to his respective charity and the third

place finisher will have \$2,000 donated to his charity.

Fans will be able to participate in the Drivers' Charity Challenge by voting for the driver they feel will be the winner.

At the completion of the challenge draws will be made from the fans who voted correctly for the winner for trips to The Meadowlands Pace.

As well, there will be photograph and autograph sessions with the drivers.

Join in and cheer on your favorite driver in The Drivers' Charity Challenge. Racing starts at 7:30 p.m. and the gates open at 6 p.m.

Members of the Acton AquaDucks turned in a solid effort at the recent Alderwood Swim Meet, setting several personal bests, as they prepare for the Division Three Provincial Championships in Sudbury. Among the record setters were, front row (from left) Stacey Moore, Roshini Kassie. Back row, Sarah Vingoe, Kara MacDonald, Gareth Lichty, Julie Pliotas and Jamies Davies. Record-breakers Angela Hill and Chris White were missing.

Aqua Ducks set 13 records

Julie Pliotas set two meet records and the Acton AquaDucks managed 13 club records at a recent meet in Alderwood, as they prepare for the Provincial Division Three Swim Championships in Sudbury.

"We're peaking at the right time," commented coach Gerry Ockenden, of the Alderwood achievement. "I'm as pleased as I've been in five years with performance results."

Pliotas swam off with meet records in the 11 and 12 year-old girls 50 and 200 metre breaststroke events, to claim gold medal honors. She also added fourth place finishes in the 50 and 200 metre freestyle events and fifth in the 100 metre breaststroke. The gold medal performances were also club records.

Kara MacDonald, Sarah Vingoe and Gareth Lichty also set club records at the event.

Lichty claimed silver in the 200 metre freestyle event for 11 and 12 year-old boys. He added bronze in the 50 metre butterfly and 200 metre individual medley, fourth in the 100 metre backstroke, fifth in the 50 metre freestyle event and sixth in the 100 metre freestyle.

MacDonald and Vingoe competed in the 13 and 14 year-old girls events. MacDonald claimed gold in the 100 metre backstroke event and added silver in the 200 metre freestyle. She was also fifth in the 50 100 freestyle races, and sixth at 200 metres in the backstroke. Vingoe was second in the 100 and 200 metre breaststroke events and sixth in the 200 metre freestyle.

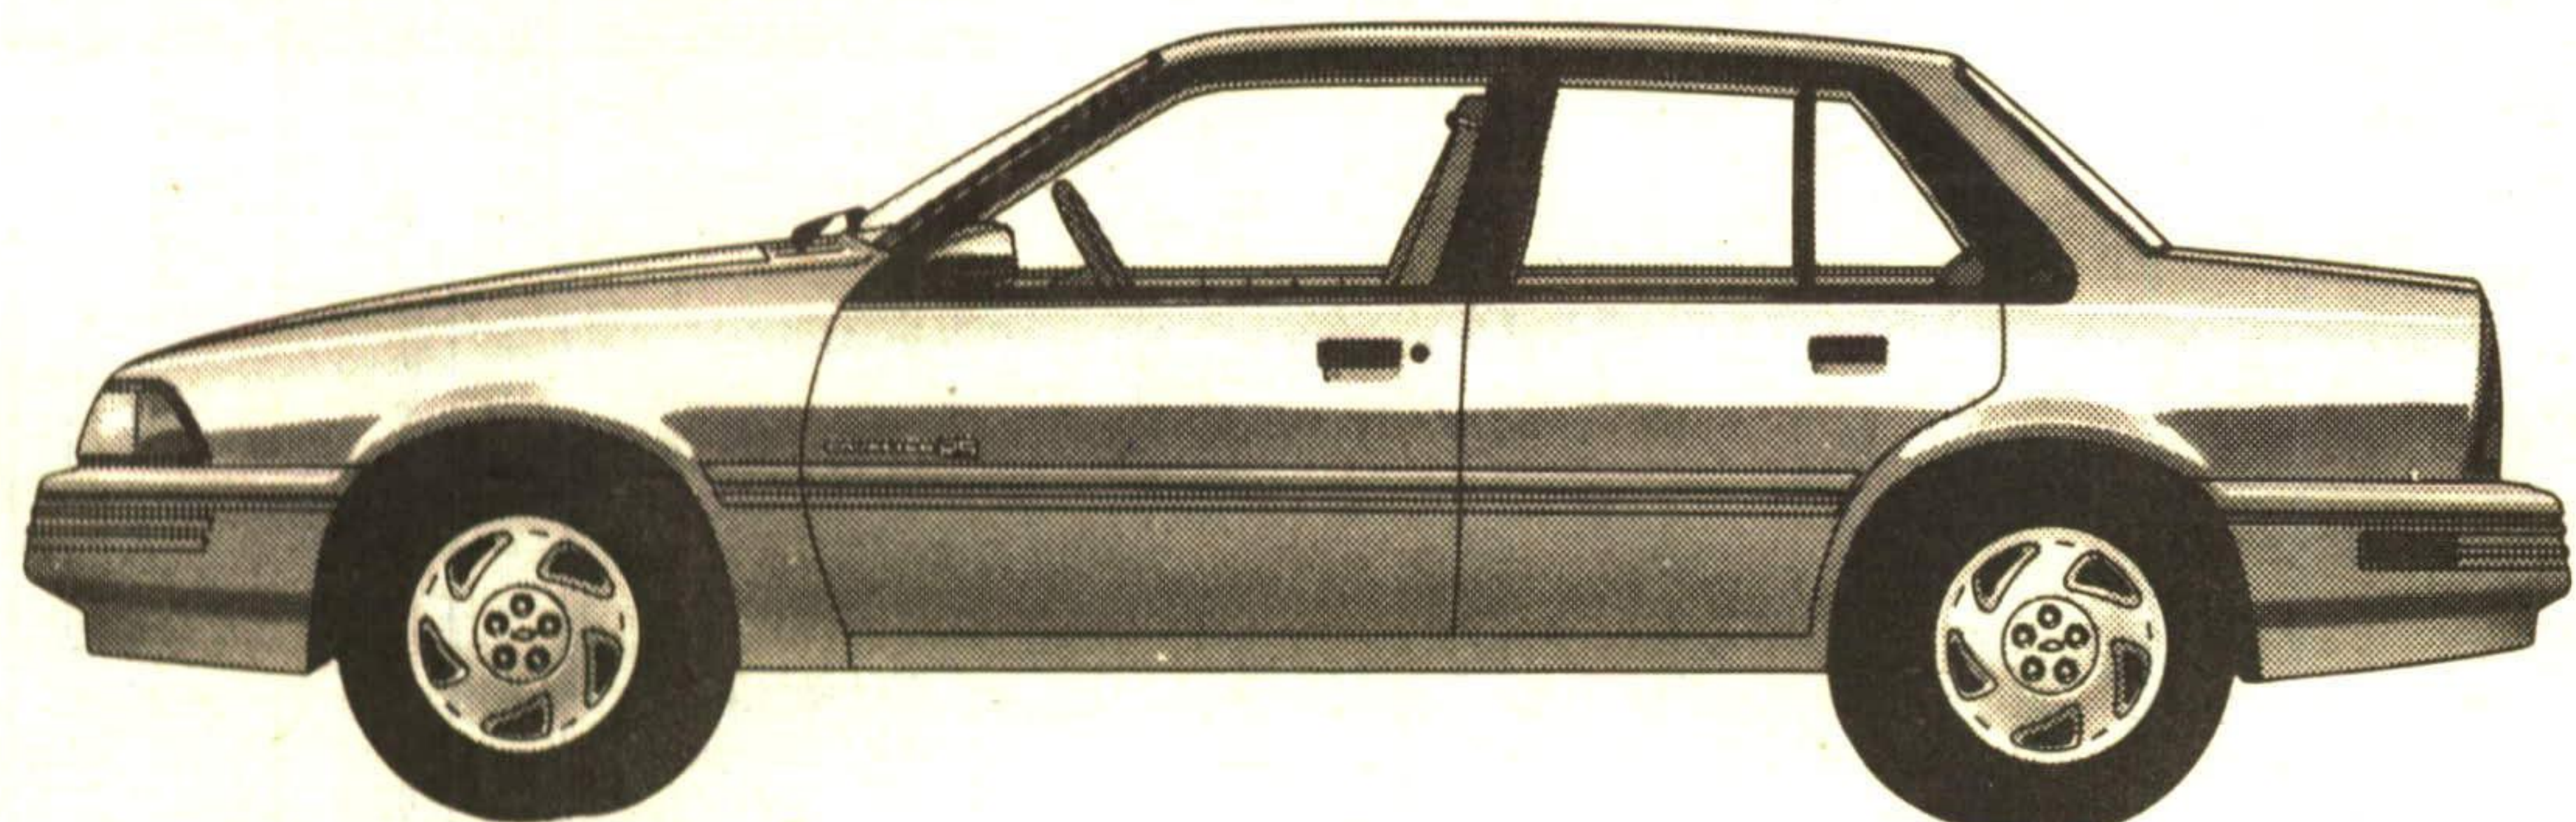

Jamie Davies swam to third in the 13 and 14 year-old girls 50 metre butterfly and fourth in the 100 metre backstroke while Chris White was sixth in the 15 and over 400 metre freestyle.
