

Fendley - Leonard IT'S A BOY!!

Kelly is pleased to announce the safe arrival of her first child, Brandon Peter Bruce, born at Georgetown District Memorial Hospital on March 28, 1992 at 1:47 p.m. weighing 5 lbs. 11-1/2 ozs. Brandon is the third child born to Peter Fendley of Georgetown. Brandon now has two older brothers to look up to, Johl of Stratford & Cory of Georgetown. Proud grandparents for the sixth time are Fred & Mary Greenway of Georgetown.

I would like to send a very special thank you to Dr. Panabaker, Dr. Kumar, Dr. Furness, all of the OB nurses & to all of my family & friends for all of their love & support.

Thanks Again

Beetlemania?

No, members of the Georgetown Rotary Club haven't returned to their youth and tried to see how many they could get inside a Beetle. Instead, Rotarians (from left) Barry Timleck, Steve Hay, John Winsor, Ken Robertson, Artur Trebbne and Conrad Buy are among members organizing a fund-raising raffle, by selling tickets on a nearly new 1973 VW Beetle. There will be 500 tickets sold

at \$50 each for the car, which has a retail value of \$14,880, and the draw will take place Sept. 12, 1992 at Georgetown Fair, at the Rotary Bingo tent. Tickets are available from any Rotarian, and can be purchased with cash or Visa. The vehicle is on display at Autohaus Georgetown, 199 Guelph St., Georgetown.

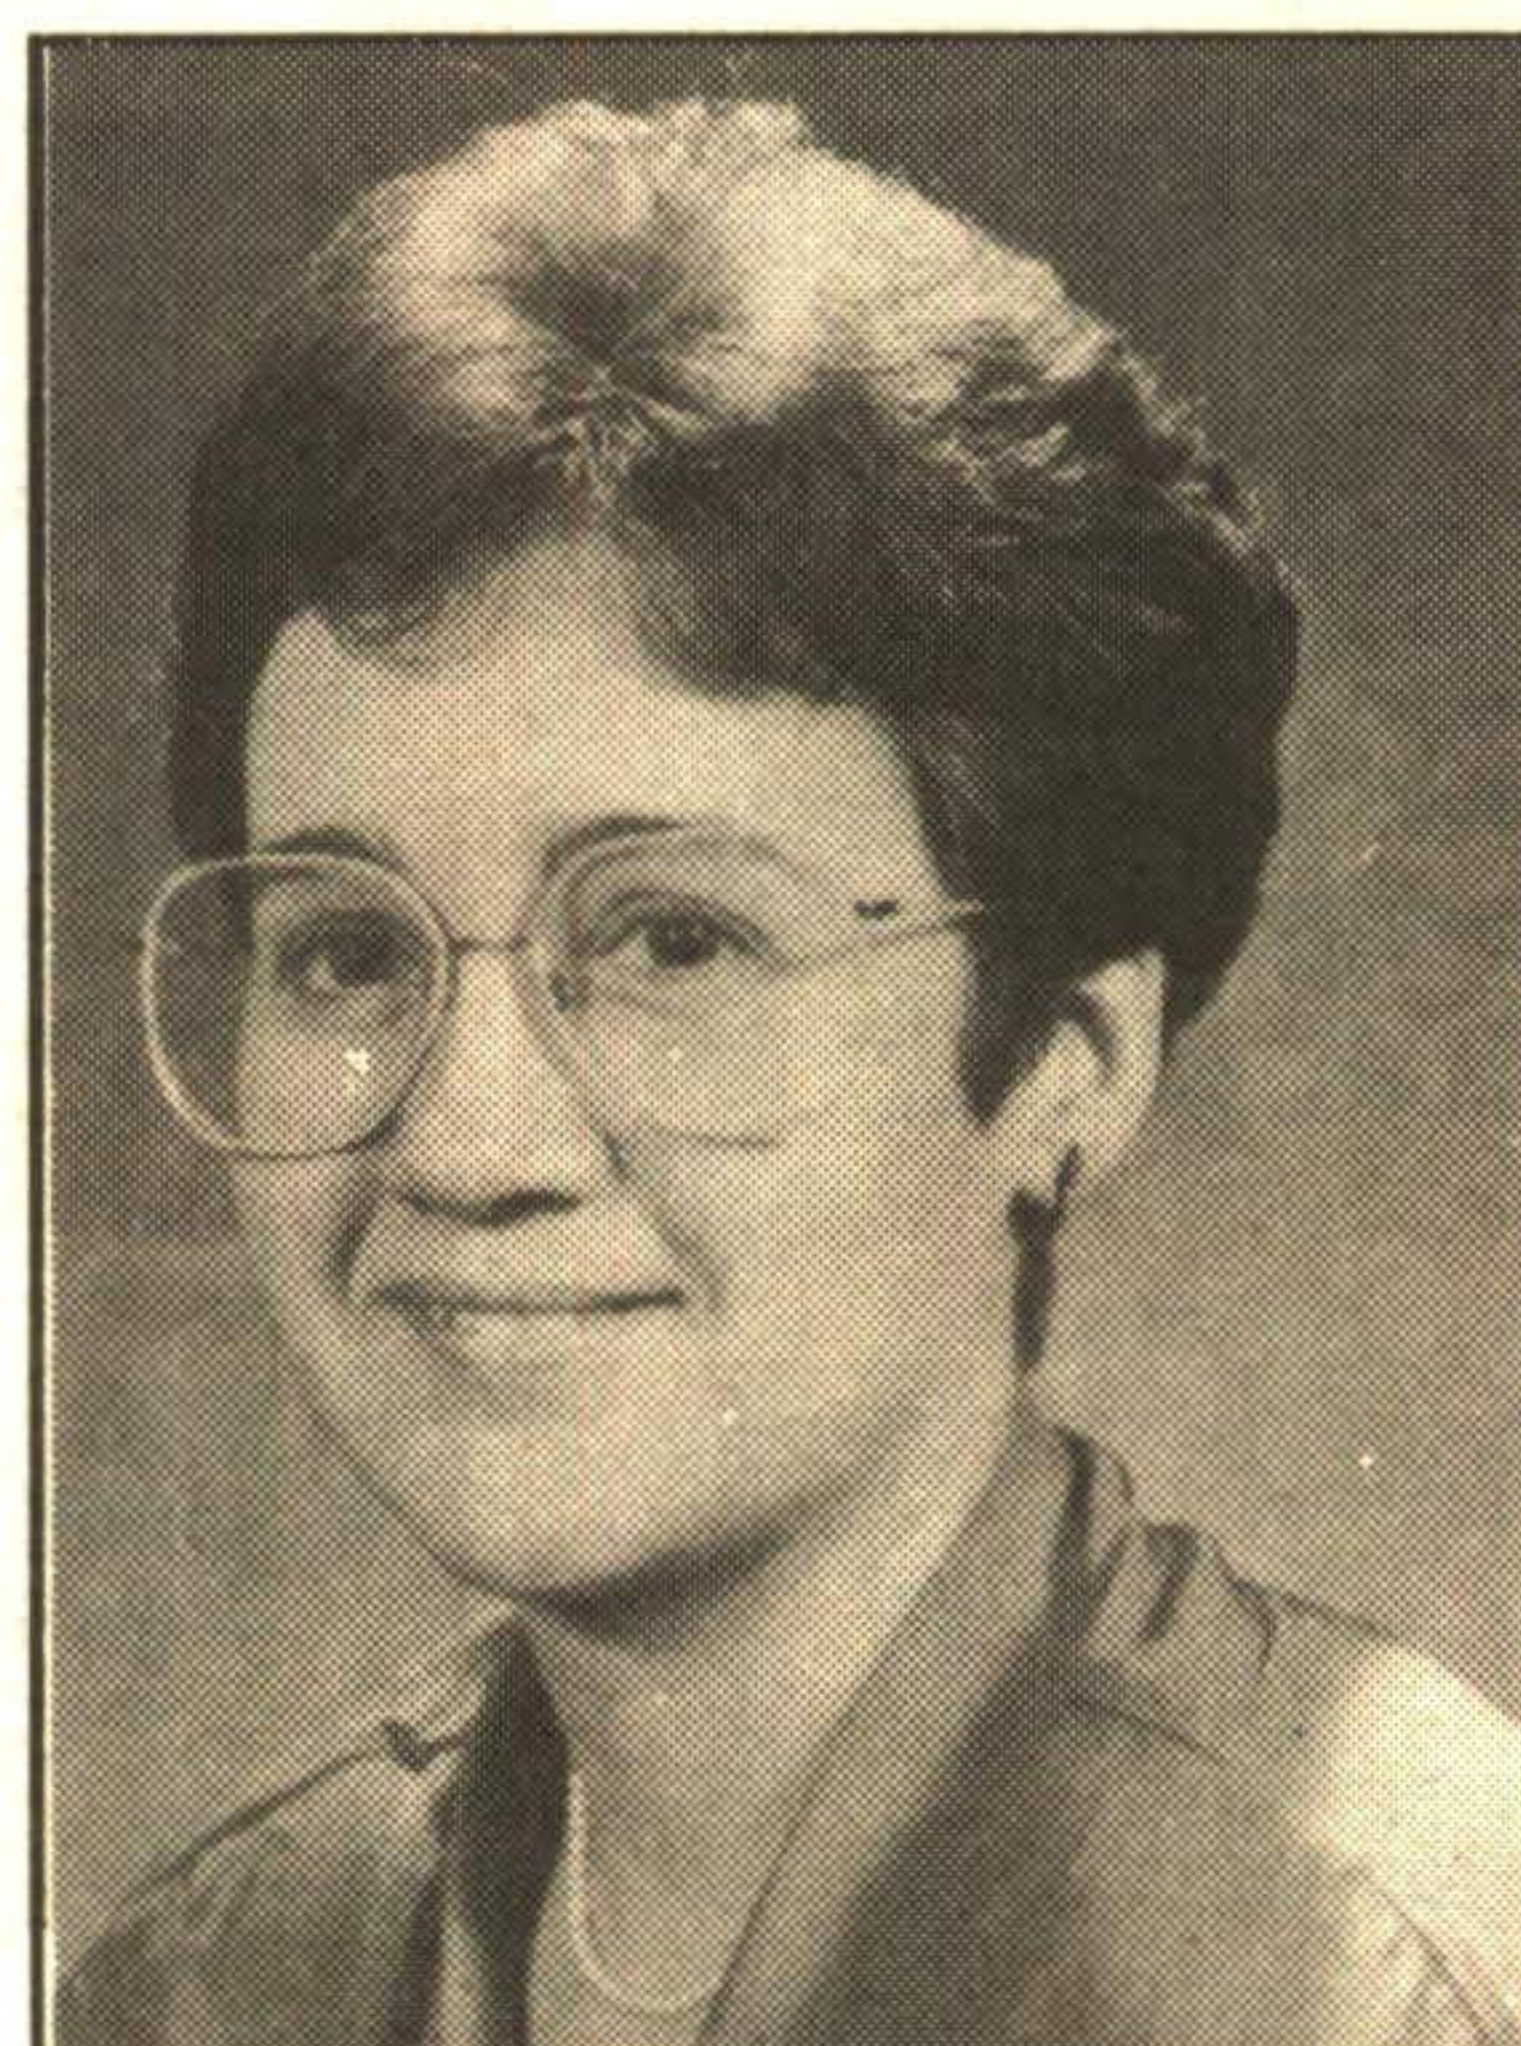

Changes at Georgetown Hospital

Gilmore new nurse manager

Gayle Sadler, director of patient care at Georgetown and District Memorial Hospital is pleased to announce the appointment of Lucy Gilmore as nurse manager of the obstetrics unit.

As manager, Gilmore is responsible for the overall operation of the hospital's 19 member obstetrics unit, including patient care; short and long term planning; equipment purchases; staff education and liaising with the hospital's medical staff and the regional public health department.

To meet the ongoing and changing needs of obstetrics' patients at Georgetown hospital, Gilmore and her department plan to routinely examine and evaluate the ways in which the unit provides high quality, family-centred maternity care. Her primary goal is providing obstetrics' patients with choices in their birthing and post-partum

experience - "within a safe and supportive environment - is our primary goal."

In fact, a number of exciting changes have already taken place within the unit. There was the recent purchase of a new infant warmer for the delivery room, and a new policy which allows mothers and their infants 24-hour rooming in as they desire.

Lucy Gilmore's recent clinical experience at Credit Valley Hospital is enhanced by a B.Sc. degree in nursing from McMaster University, and a Master of Science in nursing from the University of Toronto. She has also been an instructor at Sheridan College School of Nursing.

Georgetown and District Memorial Hospital is a 112-bed primary, acute care and long term care facility. As a primary health care provider, the hospital is committed to identifying health care needs for Halton Hills, and developing programs in co-operation with other health agencies.

SPRING YARD & GARDEN COLLECTION SCHEDULE

The Town of Halton Hills is expanding its yard and garden waste collection schedule in the hopes of diverting even greater volumes of refuse from our landfill. This program will run in conjunction with our Home Composting Program. Home composters will be available again this year pending provincial funding.

Materials such as grass clippings, flower stalks, leaves and other related yard and garden wastes are acceptable for pick up. Brush put at the curb for collection should be bundled or tied in lengths no greater than 4 feet (1-2 m). Twigs or branches should not exceed 1/2 inch (12 mm) in diameter.

Please place your yard and garden materials at the curbside in clear plastic bags before 7:30 am on the following days:

April 27	May 25
May 11	June 1
May 14	June 8
May 19	June 15
