

Hospital to benefit from performance of Ronnie Coburn at Elliott Theatre

By BEV GOSS
Georgetown Hospital Auxiliary

Ronnie Coburn is coming to Georgetown! He will be bringing his variety show "A Breath of Scotland" to the John Elliott Theatre May 13 at 8 p.m.

This is their 30th North American tour. Tickets are \$15 and are available at the Georgetown Hospital gift shop or by calling 877-9790 or 877-4593. If you are in or near the library you may find one of our auxiliary selling tickets there also.

There will be a reception after this wonderful family show so that you can meet the performers and

nibble on coffee and shortbread.

May 23 is the date of our Spring Bazaar and Bake Sale in the Bennett Centre Recreation Room, 9 a.m. to 3 p.m. with the Penny Sale draws at 2 p.m. Among many and varied attractions will be a draw on the raffle tickets for a quilt, a quilt rack or perfume.

You will notice our coin jars in some of the businesses in town just waiting for your spare change. This is another way we hope to raise money for our hospital in Georgetown through the Hospital Auxiliaries Association of Ontario.

The response to our Country and Western Dance was overwhelming and took us all quite by surprise!

Thank you for coming out. We will be having another one in the fall.

Our next monthly meeting will be May 14 at 7:30 p.m. in the Hospital Board Room.

The annual meeting will be May 27 and we will have a potluck supper at 6:30, meeting at 7:30 p.m. We hope all members will try to attend the meeting if not the potluck. Annual meeting to be in the Bennett Centre Recreation Room.

Our 1990 donation of \$25,000 to the hospital was used for a Portable Transpacer for the E.R., a trauma stretcher and an O.B. Isolette. Thank you to everyone who helped us make this possible.

Health nurses visit area bars

"Play It Safe." This message was promoted once again to bar patrons in Halton Region on Thursday, April 23. Public health nurses visited bars to distribute condoms and promote the Play It Safe message. The bar campaign is trying to generate an awareness among young adults about HIV/AIDS and Safer Sex.

Department's AIDS Project visited bars in Burlington, Oakville, Milton and Halton Hills as part of the Healthy Relationships campaign.

This campaign promotes abstinence or condom use as positive options in preventing transmission of HIV. This is the second time public health nurses have visited bars in Halton Region.
