# W.I. District meets next Saturday

By RUTH KRANENDONK  
Women's Institute public relations officer

The link between Women's Institute members in Canada and the rest of the world is through the Associated Country Women of the World (A.C.W.W.). Each year members, families and friends are invited to attend a celebration of international friendship and understanding. Local Women's Institutes met at Barrie Hill United Church on Wednesday, April 29 to celebrate this day and to listen to guest speaker Bruck Aregay who spoke on Ethiopia.

"Do You Hear What I Hear" is the theme for this year's 91st District annual meeting which will be hosted by Campbellville branch. Guest speaker will be Shirlee Smith, Seniors Outreach Services counsellor from the Canadian Hearing Society. The meeting will be held Saturday, May 23 at St. David's Presbyterian Church, Campbellville with registration at 9 a.m.

What! Start a new branch? Are you interested in the work of the Women's Institute but there is not a branch in your area? Do you have different interests than the branch near you? The Federated Women's Institutes of Ontario are inviting new branches to be formed around the province. This is a welcome change which can only bring positive results. There is a "New Branch Organizer" who has been trained to encourage and educate new branches in developing membership in the Women's Institute.

For more information, contact Eve Martin (853-1382).

Wardrobe Wizardry wrapped up their creative workshop sessions in Halton and Wellington with an evening in Arkell on April 6. The next course being offered will be Decor Accents to be held in late 1992. Look for more information soon. Anyone is invited to attend these sessions. A great way to meet new people and have fun - while learning something new!

A Cookbook For Canada's Kids has been created by the Women's Institute Education Committee. This book is specially designed for children to encourage healthy eating. It is entitled Traditional, Nutritional, Sensible and Cents-ible. It is full of nutritional recipes which follow the four food groups.

These books will be distributed free of charge to all the food banks in the area of Wellington and Halton.

## Sorority sisters celebrate

By ETTA MILLS  
Preceptor Gamma Chi

Founder's Day Celebrations of the Beta Sigma Phi Sorority were held at the Lionhead Golf and Country Club on April 29, with four local chapters (approximately 50 women) in attendance: Xi Epsilon Chi, Xi Delta Beta, Preceptor Delta Kappa, and Preceptor Gamma Chi.

Guest speaker was Isabel Cruise, local interior decorator. Isabel judged the Year and Scrapbook competitions. Isabel is a warm and entertaining lady and her gracious presentations and readings were enjoyed by all.

Beta Sigma Phi celebrates 61 years of sisterhood and this sisterhood was evident at the evening's proceedings. Several special awards were presented to the following recipients:

Preceptor Gamma Chi Sisters: 23 Year Perfect Attendance Pin, Jazzy Campbell; 25 Years of Dedicated Service (Silver Circle), Fran Hopkins; Girl of the Year Award, Etta Mills.

Xi Delta Beta Sister: Order of the Rose Award, Sue Worton.

Xi Epsilon Chi Sister: Girl of the Year Award, Wendy Behling.

Preceptor Delta Kappa Sister: Girl of the Year Award, Sue Robbins.

The evening consisted of a wonderful dinner, special rituals, presentations and very entertaining "resumes" that were performed by each chapter. (There is a lot of talent in them there gals!)

Halton Hills City Council President Betti Jamieson and her committee are to be congratulated on a wonderful and successful evening.
