Longest Day of Golf

The Georgetown Unit of the Canadian Cancer Society is holding the "Longest Day of Golf" on Tuesday, June 23. This event is to raise funds, by pledges, for two foursomes, who will play by normal golf rules. One team will golf at the Georgetown Golf and Country Club and the other will play at the North Halton Golf and Country Club. The "Longest Day of Golf" consists of one foursome, at each course, playing golf from sunup to sundown. They will play as many holes as possible and pledges are asked for each hole that the foursome completes. It is expected that approximately 100 holes will be played. Both golf club pros are in full support of this fun day and pledge sheets can be signed at either club house. The players at Georgetown Golf and Country Club will be Sandy Peer, Jay Anderson, John Wheeler and Paul Armstrong. North Halton's team will consist of Gloria Sinclair, Peggy Darmody, Don Ferguson and Chris Nye. Each foursome will probably be "playing through" other parties on the golf course and this event sounds like a fun-filled fundraiser. Pledge sheets can also be signed at the Georgetown Unit Office of the Canadian Cancer Society, 164 Guelph Street, Monday to Friday, from 1 to 4 p.m. This is a great way for everyone to help support the Georgetown Unit.

Competition tough for M & M Midgets in fastball action

M and M Sports Limehouse Midget Boys have met some good competition to begin their 1992 schedule.

The team has entered the North Waterloo League this year and must stay on their toes. As of June 5 they had played four games, losing three, winning one but the team could have won any of the games.

In game one Derrick Robson was on the mound but Limehouse team just couldn't get the bats going losing to Cambridge 7-0.

Game two played in Guelph was very close and exciting. Guelph got the lead in the third scoring 2-0. In the fourth Limehouse got on the scoreboard. In the sixth, with Sheldon Stuckless getting a single and Mike MacArthur walking, David Osborne got the job done with two RBIs but not enough to tie the game. Guelph shut them down in the seventh leaving the score to 3-2.

Game three was played in Limehouse against Fergus. Fergus team was first overall in the league last year leading M and M Sports to think that they could not compete with them but Limehouse was wrong and got their bats going and winning the game 9-5. Derrick Robson and David DeForest did the pitching. Derrick had a no hitter going but defence got a little loose when David came to the mound. David Osborne, Chris Nolan, and Eric Bodin all had one RBI while Mike MacArthur had two RBIs but David Patey had a big night with four RBIs. Fergus got on the score-

board in the fifth scoring two and adding two in the sixth.

Game four was played in New Hamburg and Limehouse didn't come away very pleased but once again the M and M Sports team had nothing to hang their heads about. Limehouse had a 4-0 lead in the fourth, but New Hamburg was determined to come back and kept it up and finally in the fourth the team came back and tied it. New Hamburg still had to fight those Limehouse players until the end when a throw to the catcher was knocked out and the go ahead run and the winning run scored. Scoring for Limehouse were Cameron Sproule, Jason Cook, Sheldon Stuckless and Brett Papillon. Papillon hit a triple and MacArthur sent him home. Sproule and Cook got on with singles and Stuckless hit a double to send the two RBIs home. David Osborne also got credit for one RBI. Cameron Sproule worked really well in the pitching position but it just seemed like the Limehouse bats went cold.

M and M Sports went into the Acton Sabres Jr. C Three Pitch Tournament last weekend and not doing too bad for the first time playing in a tournament like this. The first game was won 23-11 against the Hogies, the second game they defeated Station Hotel 18-10 but The Bad Boys that play together all the time came out strong and defeated M and M Sports 20-9.

M and M Sports plays almost every Sunday evening at Limehouse Park at 7 p.m.

Blue Fins set bests in Mayfield

The weekend of May 23 and 24 saw the Halton Hills Blue Fins attend the Guelph Long Course Meet. This was a high calibre meet in a 50metre pool.

Alison Duby claimed fourth place in the 50 m freestyle. Laurie-Anne Crocker came fourth in 100 m backstroke, seventh in 200 m butterfly and eighth in the 400 m I.M. Sabrina Bassett picked up three fourth place finishes in 100 backstroke, 50 m freestyle and 50 m backstroke plus two eighth places in 100 m and 200 m freestyle.

On the following weekend 12 club swimmers attended the "D" standards meet at Dorado Pool in Mayfield. Every swimmer attending set new personal best times and came away with many top finishes.

For the girls Alex Lent, Kim Willis, Dana Welters and Amy Willis swam extremely well. Kathy Dugas had two first place finishes and a second to have her best meet ever. Tania Welters kept pace with Kathy by achieving two firsts and a second place also.

The guys, not wanting to be outdone by their teammates, all set personal best times and excellent placings. The boys' team included Daniel Hardstaff, Danny Morris, Aaron Scarlett, Patrick Potosky, Matthew Hardstaff and Michael White. Michael White earned one first and three seconds in his four events. Matthew Hardstaff had two firsts and two seconds plus a club record in the 50 m butterfly.

The season is rapidly drawing to a close with one or two meets left to attend.
