

Skills Canada competition

Mike Delouche earns medallion

A Georgetown student was awarded a Skills Canada medallion last month.

On May 7 and 8, Skills Canada hosted the Provincial Skills Competition held at the East Metro Trade Centre in Pickering. Halton students came away from the tough event with three gold, one silver and three bronze medallions.

Mike Delouche of Georgetown District High

School won a bronze medal in the small engines category.

Skills Canada is a national organization sponsored by business and industry to promote the development of skills and leadership at the secondary level.

All students who competed in the Pickering competition were gold winners in Halton Skills Olympics held at General Brock on April 29.

A tree grows in Acton

Paul Hanousek of Doug Woods Trees sets the newly planted evergreen in place at the new Halton Hills Area 1 Fire Hall in Acton as Doug Woods donated a tree to grace the front of the new facility. The tree was chosen to allow firefighters to decorate a full sized tree at Christmas.
