

SPANISH GIRL SEEKS HOME IN OUR COMMUNITY

Maria from Spain is anxiously awaiting news that there is a host family in Ontario who will help fulfill her dream of spending a school year in Canada. Maria enjoys guitar, theatre, music, water sports, cycling, basketball and is hoping to pursue some of these interests during her exchange year. Maria is also looking forward to developing new Canadian interests and hobbies that she can share with her friends when she returns to Spain. Each year ASSE International Student Exchange Programs provide qualified foreign students with the opportunity to learn about life in Ontario while attending the local high school. If your family would help make Maria's year in Ontario possible, please call the local ASSE area representative. ASSE, a non-profit organization, is dedicated to fostering international relationships between countries through cultural exchanges.
