Optimists provide funding Saturday Centre group on 'Safari'

For the past two years the Optimist Club has provided the funding for Saturday Centre participants to go on a presummer break major outing. Last year's trip to Puck's Farm was a rewarding experience for the children. This year the visit was to African Lion Safari.

Heather Thompson, program coordinator said "The children were very excited about going on a trip again this year and the support given by the Optimist Club has made this possible."

"The excitement on the children's faces as they gather to board the bus makes the giving a rewarding experience" says Don Smith, Georgetown Optimist Club president.

Saturday Centre is a recreation/respite program provided by North Halton Association for the Developmentally Handicapped through community sponsorship. It provides leisure activities for children up to the age of 18 years who are developmentally handicapped. It operates out of St. John's United Church, on alternate Saturdays through out the school year.

The major sponsors for this program are the Optimist Club of Georgetown and Halton Hills United Way, with additional assistance from St. John's United Church

Outreach Committee and UCW, the Georgetown Optimists and the Lions Club and Lioness Club of Georgetown.

The program also depends on a

host of volunteers who assist the children in participating in the various activities. Many thanks are expressed to those who have invested in the children.

Jennifer Stapleton, one of 10 Saturday Centre participants, receives assistance from Don Smith, Georgetown Optimist Club President in boarding the bus, bound for the African Lion Safari.
