

SKY WEST

Home Entertainment Systems

We wish to let you know that your advertising feature "Here's My Card" has been a very effective form of advertising for us. We have been a part of the page since the start. The thing that attracted us to this form of advertising was that our actual business card is reproduced in the paper. Our main form of advertising is this card and it keeps our image consistent.

We live on the fringe of the Halton Hills area but need to make those in Acton, Georgetown, Erin and surrounding area aware of our Satellite and Home Entertainment Systems.

We appreciate the fact that this page appears in both the Wednesday and Weekend papers at random thus covering all of the readership area.

We also like the fact that the page is set up in such a manner that it stands out and is easy to read. Where else can we send our business card into over 20,000 homes with each issue and at such a reasonable rate?

Thank you for offering this form of advertising and we plan to continue to run our card for a long, long time.
