

Rafferty's last minute marker leads Elks Lodge to win

The players were warmer than the spectators this week at the Under-10 girls soccer games.

Elks Lodge and Municipal Trust played a close game with centre field action and good goaltending. The last minute saw Elks player Tara Rafferty kick one between the posts for a 1-0 score. Red Elks players Emily Thompson and Melanie Sherren played well in defence with Kim Neilson playing well in goal. The Municipal Trust players who pressed hard were Jacquie Bajic, Louise Jarvie and Jackie Spittal. Danay Guignard was the referee.

Andrew Murray Motors played Burger Kings to a 5-1 score in favor of the Burgers. Motor player Laura Shields on an end to end rush put one over the goalie's head. Despite a bad fall, Bethany Booker put three in the net and Jaimie Ellis scored twice for the Burgers. The teams were both playing six-a-side for the whole game so there was great running by all players. Noteworthy were Audra Pacevicius, Sharon Rowan and Leanne Webb for the Andrew Murray Motors with Bethany, Jaimie and Heather Cunningham for the Burgers.

Referee Melissa Hill was busy sorting out free kicks and throw-ins.

Recochem team players exhibited great fortitude and never gave up in the face of the Millieres TV goal scorers. Charlene Roche netted six, Alana Zelek kicked in two and Stephanie Young got her first goal of the year. Recochem noteworthy players were Amanda Burgan, Sarah Czerwinski and Billi Jo (B.J.) Fleet playing well for the defence. Millieres TV were pleased with their goal scorers. Thanks to Aaron Williams who refereed.

Armstrong Insurance played Wendy's Winners with Chrissy Periera finding the back of the Wendy's net four times just for insurance. The name of the Wendy scorer was not available at press time as she netted one to round out

the 4-1 score. Noteworthy for the Armstrong Insurance team were forward Karen Dillabough, goalie Shannon Sommerville and defence Jill Redman. Becky Chapman, Jaime Campbell and Joey Stansfield played well for the Wendy's team.

UNDER-10 GIRLS REP SOCCER

The Under-10 girls Rep soccer team representing Georgetown and Acton played in the Brampton United All Star tournament in rain and mud.

It was their first time playing as a team as well as their first experience playing 11-a-side so it was a trial by fire (and water, as the soccer pitches had puddles). A strong experienced Oakville team won handily in the first game but in the

second game against Milton, Tamara Gilmore scored one for Georgetown in the first half and Milton had to work hard. Jaimie Ellis was busy in goal as Milton tied it up. An exciting moment was in the last minute of play, when a Milton ball landed in the water in front of the Georgetown goal and stopped dead. The score stayed tied at 1-1.

In the third game, the Georgetown/Acton team played Mississauga and were demonstrating better positional play when the heavens opened and it was hard to see the red and white shirts through the torrential downpour. The game was called with Mississauga leading 4-0 in the second half and the field was quickly abandoned.

Twirlers place third

Kevin and Alison also received a standing ovation for their pairs performance of a 'Robin Hood' routine. This was a demonstration event this year and will a medal event at next year's competition - which will be held in Amsterdam, Netherlands.

Darlene explained that they had some problems with the heat in the facilities and with the music, but that her baton twirlers kept themselves focused and were very professional throughout the entire weekend.

Following the championships, team members were given a weeklong tour of France. They visited the new Euro-Disney as well as seeing France's beautiful countryside.

"It's a memory they will keep with them for a long time, something that makes all athletes much richer," explained Darlene.

The Kings have given their athletes the next few weeks off and will resume training for next season's competitions in September. For now, the coaches are busy picking out an appropriate selection of music for next year.

"Next year, we hope to make the trip back to the worlds and capture another medal, perhaps the silver," said Darlene King.
