

# Soccer season end with tough Cup battles

The Georgetown and Acton girls Under-10 soccer season ended Saturday with teams all playing fabulous soccer on Cup Day.

Burger Kings and Andrew Murray Motors started the day with a 50-minute hard fought game which kept referee Dylan Lee on his toes. The game was tied at 1-1 after Laura Shields and Kira Lawrence each scored for her respective team. Then in the last six minutes the Burgers with great inspiration scored three more goals via Bethany Booker and Jamie Ellis for a final total of 4-1.

Recochem Turbos and Armstrong Insurance Aquas played to a score of 3-1 for Aquas. The game was well balanced with a goal in all four quarters. There was good passing and team play by both sides. Tamara Gilmore got the Recochem goal with Teri Reynolds and Chrissy Periera getting the Armstrong Insurance goals. Rob Timmings was the referee.

Municipal Trust Blue Bombers squeezed the orange Millieres TV team with a juicy 1-0 score with the oranges on top. The goal in the last quarter was a nicely angled shot by Danielle King. This was a high spirited game with some clean on the field blocking as well. The parents of Municipal Trust were on the edges of their seats throughout, as this was one of the best games that the Trust has played. Lee Sperduti, the referee, was great at ducking, as balls flew over him.

Wendy's Winners Gold team and

the Elks Lodge Red team also played an excellent and exciting game with a 1-1 tie. Ellen Smith scored for Elks Lodge in her first goal of the year but Wendy's played with heart and a good defence and tied it up with a goal by Rebecca Culp. Both teams demonstrated good team play, clearing the ball from in front of the nets quickly and play was steady up and down the field. Thank you to referee Kim Timmings.

Steven Lee, the president of the soccer club, stated during medal presentations, that the soccer club would like to thank the coaches, managers, parents and sponsors from Georgetown businesses for making soccer fun and successful. At this level of soccer each member of the team is valuable. Each girl played her best this day; therefore all the teams are declared to be full of noteworthy players. Each girl demonstrated that whether the score was for or against them, they were all winners because they played cleanly. They can take with them an inner sense of personal accomplishment for the season and a spirit of pride for their team's efforts.

As each girl received her Olympic-type medal and shook hands with the commissioner and the coach, parents realized that each girl had gained in stature and skill.

Thank you girls for keeping your parents outdoors and busy during the summer evenings.

## Players ready for challenge

Continued from page 16

Like his two teammates, Don would also like to play college or university baseball once he finishes high school.

Grade 9 student Luke Zinke, 14, attends Acton High School and was a lefthanded pitcher/shortstop with the Brookville Bantam Blue Jays this season. He has been playing baseball for many years and is proud of being named to the reserve list.

"I feel good about being named to the list."

This year's Central Ontario Bantam All-Star team will be headed up by manager Dick Imus and assistant coaches Rick Wilson and Bill Murray.

Hopefully these local youths will have the right stuff this weekend and help their team capture the gold.

## Busy time at Mohawk

The month of September at Mohawk Raceway annually attracts North America's finest freshman pacing colts to compete in Grand Circuit stakes, the Nassagaweya stakes and the lucrative Metro Pacing Stakes.

Last Sunday night at Mohawk some new kids on the block found the five eighths mile oval to their liking while some familiar, local colts found their way into the winner's circle as five divisions of the Nassagaweya Pacing Stakes went postward.

Native Born, a Nihilator colt from the Bill Keeping stable demolished his opposition as he paced to a six and a half length win in 1:54.4 for driver Mike Lachance for his fourth victory in seven starts in the first \$57,340 division.

Jack Moiseyev, Bill Robinson and Tony Chiaravalle teamed up for a double as they posted back to back wins in the second and third Nassagaweya divisions.

Riyadh paced to a 1:55.3 effort for his second career victory over Oh Fore and Village Jiffy in the second division, while highly touted Presidential Ball paced a gate to wire 1:54.4 mile over Wilco Kosby and Ragtime Band in his division.

Both colts are eligible to the \$719,700 Metro Pacing Stakes on Sept. 26 (eliminations on Sept. 19).

Ready To Rumble fought off Graphite John and Crisis Situation for a head victory in the fourth Nassagaweya division with Joe Pavia Jr. in the bike for trainer Bill Popfinger and Upside Equine Sales of New York.

Beastmaster came from well off the pace to get up for a length and a half win in the fifth Nassagaweya division, timed in

1:54.4 for driver Trevor  
Three \$40,000 eliminations were postward at Mohawk Saturday night. The top three finishers from each elimination test will advance to the \$719,700 final on Saturday, Sept. 26.

The People's Horse promotion is back this fall and this is your chance to experience the excitement of owning a horse without incurring the costs.

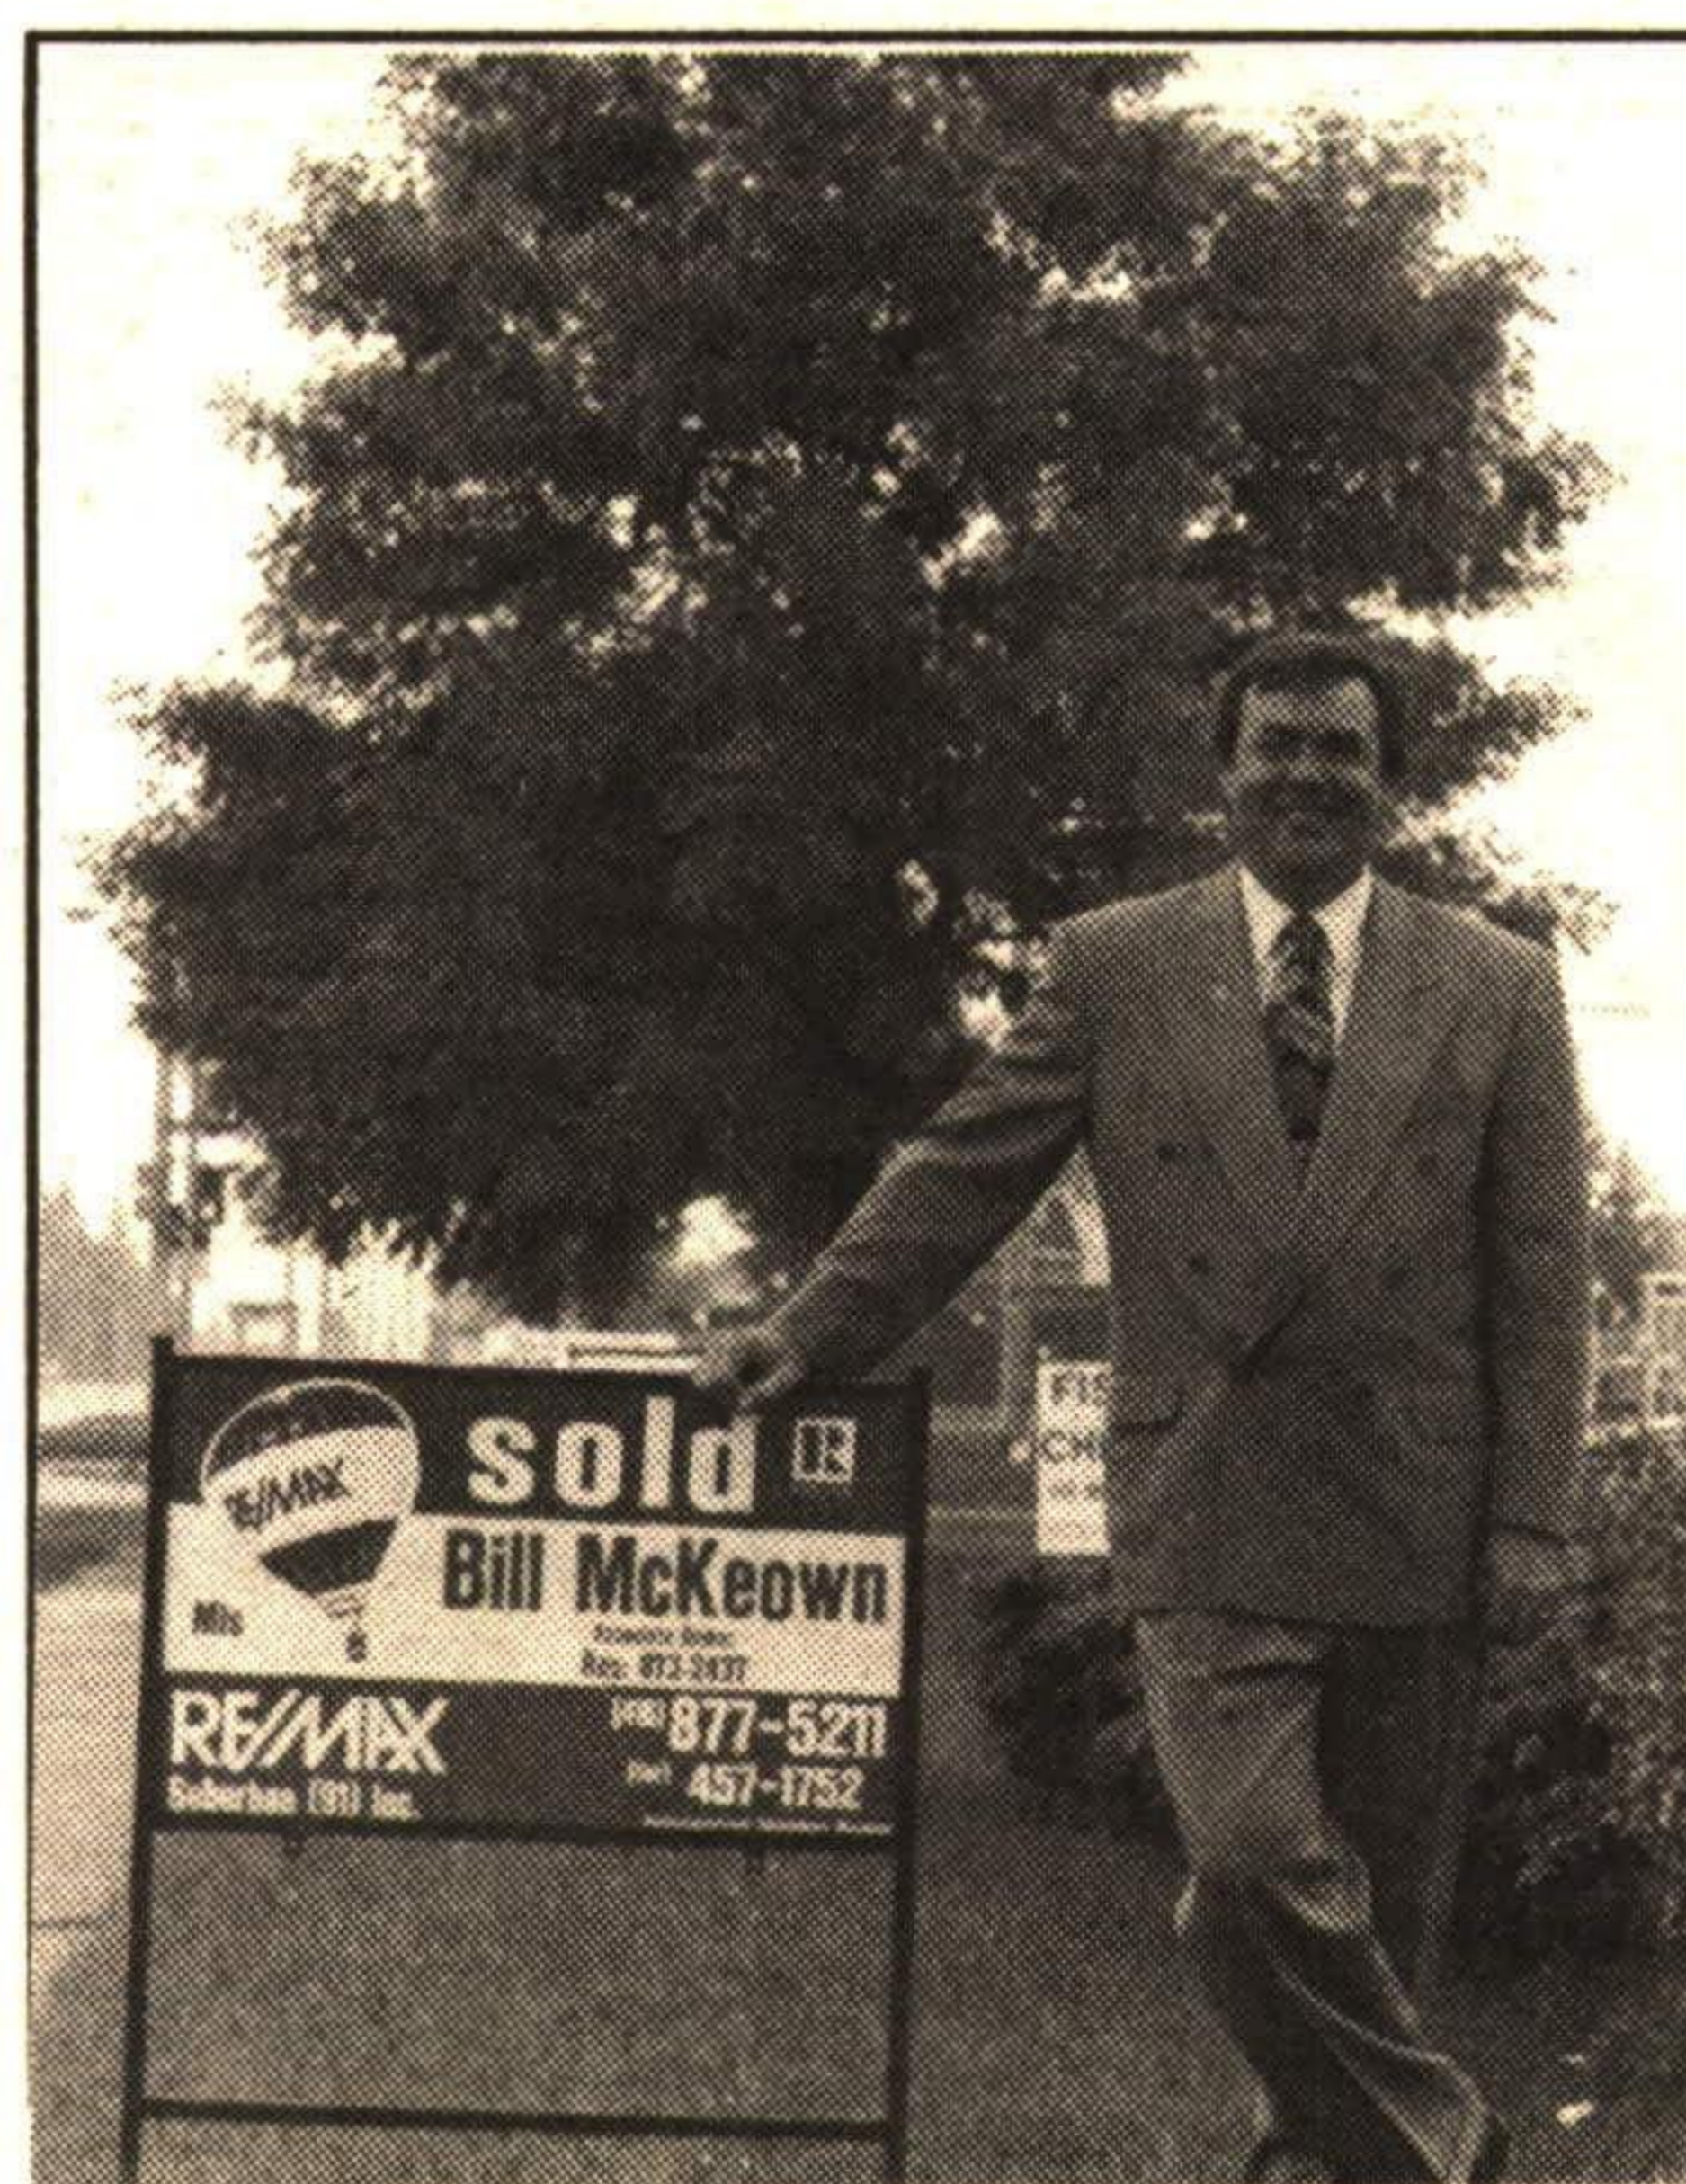

This season Shipp's Commander, a four year old son of Direct Scooter, owned by Mississauga developer and prominent horse owner Harold G. Shipp will race at The People's Horse for the entire fall meet which extends through to Dec. 8.

Whenever Shipp's Commander races, all registered Honorary Owners will receive free general admission, plus they'll have a chance to share in the purse earnings, meet the horse, and his trainer-driver, Tim Twaddle. So, if you've always wanted to be a horse owner - here's your chance!

Sunday night at Mohawk the \$100,000 Milton Pacing Stakes for three year olds and up, fillies and mares goes postward with world champion Shady Daisy headlining the field along with 1991 Breeders Crown champion, Delinquent Account.

Round up the family and make plans to attend Mohawk's annual Fall Fair on Sept. 25 and 26. The Fall Fair has something for everyone including entertainment, agricultural displays, baked goods, handicrafts, menonite apple pie, rockwood bread and more!

For dining reservations or information on any of these events, call Mohawk Raceway at 854-2255.
