NEVER AGAIN!

a War Amps video series

"In a war, everyone suffers... we must never let it happen again."

The War Amps believes it has a responsibility to warn younger generations about the true horrors of war. Who better to recount the battles as they really happened than the veterans who experienced war first-hand? The **NEVER AGAIN!** videos provide historical accounts of Canada's participation in the First and Second World Wars and Korea.

For more information about **NEVER AGAIN!** please contact:
