## Artisans explain skill to Norval W.I.

Norval W.I. met at the home of Rita Deenik Oct. 8 at 7:30 p.m.

President Aileen Nixon opened the meeting by reading a poem entitled The Hand-Me-Down Table.

A very interesting program followed, given by Karen King and Jane Altobelli from the Heritage Hand Weavers and Spinners Guild. Karen and Jane showed us the different wools from all the different breeds of sheep and how they card, wash, dye and spin the wool. They had other natural fibres and synthetics as well. The finished products were beautiful. It is often the additives in commercial yarns that cause allergies they told us. Rita Deenik thanked our guests and presented each of them with a potted mums.

Our Yard Sale held Sept. 19 proved quite profitable and we are

planning another for the spring. Ethel Webb gave a favorable report of Ballinacfad W.I. 40th anniversary Oct. 3. District Director Jean May gave a report of Halton District W.I. fall board meeting. Quilt Fest '93 is asking for a quilted wall hanging from each branch.

The Federated Women's Institute of Ontario (FWIO) suggests a 125 Canada Celebration project for each branch to collect 125 loonies this year. Women's Institute

Educational Workshops are being held in Melville United Church, Fergus, Feb. 20, 1993. Two 2 1/2-hour workshops from nine choices are offered each participant. Halton District Annual is set for May 27, 1993. Guelph Area Convention is being held in Rockmosa Community Centre, Rockwood Oct. 15 and 16. Norval branch will assist Halton District with food and help to serve lunch on Friday, Oct. 16 at Area Convention.

Our W.I. has an invitation to Norval Association 125 Canada Celebration Oct. 24.

The roll call A Favorite Hobby was answered by 11 members attending this craft meeting. Our historical meeting is to be at the home of Norma Thompson, 30 Prince Charles Dr., Georgetown, Nov. 5 at 7:30 p.m.

## Safety tips for women alone; humidifier needed

Nowadays one can not be too careful. Women especially should take extra precautions to be protected and safe while alone. This is the first of a two-part series presenting some tips for women alone from the Halton Regional Police Service.

- On the street:**
- Plan your route and avoid short cuts through parks, vacant lots, or unlit areas;
  - Do not carry too many packages or a bulky purse;
  - Walk near the curb and away from alleys and doorways;
  - If you suspect you are being followed, cross the street; go to the nearest home, service station, or open business premises and call the police.

- If attacked:**
- Scream and run to the nearest residence or business. Cries for help can discourage criminals and may result in their arrest;
  - If you choose to physically resist, take advantage of any "weapons" you may have - such as a purse or umbrella;
  - Note points of identification such as clothing, glasses, scars, hair color and height. Call the

police immediately.

For more information drop in to Acton Social Services and Information Centre (ASSIC) at 19 Willow St. North, Acton or call us at 853-3310.

A pamphlet with complete information for "women alone" can be obtained at ASSIC or by visiting your Village Constables' office or police station.

### Wanted

On a client's behalf, ASSIC is seeking a dehumidifier. Since this is a rare item, we are finding it difficult to locate one. If you have a dehumidifier in working order and wish to donate it, call Lin at ASSIC, 853-3310. (Arrangements may be made for ASSIC to pick up this item.)

Young People: The Random House hook of how things were built, David J. Brown.

Video: Do your own wedding elegantly and affordably.
