Your Week Ahead Horoscope

ARIES Mar. 21-Apr. 19 Do not be in a big hurry to make that important decision. Remain patient and the solution will present itself.

TAURUS Apr. 20-May 20 Be persistent. Withdrawing from a negative situation now will not solve your problem. An improved attitude will help.

GEMINI May 21-June 20 You must forgive yourself before you can begin forgiving others. Everyone makes mistakes... even you.

CANCER June 21-July 22 Be more unpredictable. Do not schedule each moment of your life. Stop and smell the roses for a change.

LEO July 23-Aug. 22 Do not make a promise you know you cannot keep. Overextending yourself will not get you far.

VIRGO Aug. 23-Sept. 22 Follow your intuition. If it doesn't FEEL right then avoid it (this includes relationships and career changes).

LIBRA Sept. 23-Oct. 22 Stress is a problem. Make no more commitments except to yourself. Get away from work and relax, laugh and enjoy life.

SCORPIO Oct. 23-Nov. 21 Examining the past will only cause you regrets. You cannot alter the past, so let it be and look to the future.

SAGITTARIUS Nov. 22-Dec. 21 Expect the unexpected. Love, romance, adventure is just around the corner waiting to pounce on you.

CAPRICORN Dec. 22-Jan. 19 Loneliness can be obliterated by immersing yourself in others problems. Volunteer your time to more philanthropic organization.

AQUARIUS Jan. 20-Feb. 18 You are not perfect and neither is your spouse or loved one. Do not expect more from one another than is humanly possible.

PISCES Feb. 19-Mar. 20 Fight for what is yours. You will not win unless you run so prepare yourself both physically and mentally.
