THANK YOU, CANADIANS

for participating so enthusiastically in the national constitutional referendum.

If you voted YES, not because you were told to, but because you honestly believed that this would help unite the country, thank you for your faith and generosity.

If you voted NO, not for narrow or selfish reasons, but because you honestly believed the Charlottetown accord was a bad deal for Canada, thank you for expressing the courage of your convictions.

NOW LET'S MOVE FORWARD TOGETHER

Let's give our highest priority to policies and programs that lead to more jobs and lower taxes.

Let's call a halt to the processes and first ministers' conferences that produced the Meech Lake and Charlottetown accords.

Let's make the institutions and policies of our federal government more responsive to the interests and concerns of the Canadian people.

We have begun the process of taking back our country. Thank you.
