## Norval United celebrates 103rd anniversary

Norval United Church celebrated their 103rd anniversary Oct. 25. Rev. Ann Rowsell conducted the service assisted by guest minister Dr. Ev. Smith of Bellwood. Dr. Smith was accompanied by his wife. Dr. Smith's 51 years of ministry has taken him to many areas, including Northern Ontario, Dunnville, Ancaster, Edmonton, Regina, and Fergus. His sermon was "Reason for Confidence." Special music by the Junior Choir "Open our Eyes" and the Senior Choir sang "Be Thou My Vision."

Dr. Smith gave the children's story "Wind of the Spirit" and had a miniature windmill to go along with the story. Several old hymns added to the service "Faith of our Fathers," "Guide Me Oh Thou Great Jehovah," and "Love Devine, All Loves Excelling." A beautiful lunch was served following the service and everyone enjoyed an hour of fellowship.

### Get well wishes

Esther McClure, formerly of Norval and now of Brampton, is returning to her apartment today (Wednesday) following a fall.

*Norval  
News*

By KAY WILSON

Esther broke her hip and was a patient in Peel Memorial Hospital, Brampton. Following surgery to put a pin in her hip, she was up and walking with help. Esther spent the next three weeks recuperating at Woodhall Park Retirement Centre. Esther, at 93 years past, is a wonder, full of pep and up-to-date on all community and church activities. Many get well wishes are extended to this great lady from all your friends.

### More get well wishes

Get well wishes to Catherine Laidlaw, formerly of RR2 Norval, and now of the Milton Manor. Catherine is now recuperating from a broken hip, with a week's stay in

Milton District Hospital. Catherine is back in the Manor staying fairly close to bed. A coincidence is that it was just a week after Catherine's sister Esther McClure fell, and broke her hip, that she herself fell. Catherine would be pleased to hear from her many friends.

### New baby

Congratulations to Sid and Hillie Feikema, RR1 Norval, on the birth of their third grandchild. Proud parents are Ravi and Glenda Araniyasunderan, of Kimberley Lalitha, 7 lbs. 4 oz. on July 23 at Mount Sinai Hospital. A little sister for Kate.

### Come for lunch

Norval U.C.W. Bazaar and Bake Sale at the church Nov. 14, 10 a.m. to 2 p.m. Crafts and treasures. Come for lunch, sandwiches, relish, beverage \$3.50, for hot dog \$2.50.

### Turkey supper

Norval Presbyterian Church's Turkey Supper will be held at Huttonville School Nov. 13. Sittings at 5 p.m., 6:15 p.m. and 7:30 p.m. For tickets call Jean Crichton, 877-6546 or Doris Sharpe, 455-8634.

# NO CRYSTAL BALL REQUIRED.

## Introducing the Rate-Watcher GIC.

Now you don't need to predict future interest rates when investing in GICs. Our unique Rate-Watcher two-year non-redeemable Guaranteed Investment Certificate offers you a high rate of interest with great flexibility.

**GUARANTEED INTEREST RATE PROTECTION.** If, after one year, our one-year non-redeemable GIC rate is higher than on the day you invested, then the rate for the remaining year will automatically be adjusted upward to the higher rate. If rates are lower a year from now, you'll be safely locked in at your GIC's original two-year rate for another year.

**EXTENDABILITY.** If, at the first anniversary date, rates have risen or fallen to a level that prompts you to think about re-investing for an even longer term, you'll have that option as well, and at no penalty.

At the same one-year anniversary point, you can redeem your Rate-Watcher at the one-year rate of interest which was available on the day you made your investment.

The Rate-Watcher GIC is available until December 31, 1992. For further details call your local Scotiabank branch representative listed below. You'll see a worry free future for your investment, without the aid of a crystal ball.

## PUBLIC NOTICE

The Regional Municipality of Halton  
Department of Public Works  
is interested in establishing a

### Public Liaison Committee (PLC)

The PLC is part of the Public Consultation Program for the Class Environmental Assessment (EA) for additional wastewater trunk capacity to service Georgetown. The Committee may also be asked to provide input on other projects in the Georgetown area.

The PLC will provide an opportunity to exchange information between the public at large and the Steering Committee overseeing the project. The PLC will meet on a monthly basis throughout the duration of the project.

In order to achieve representation from across the community, membership of the PLC will include representatives from the natural, social and economic environment as well as "citizens-at-large". Four members from the "citizens-at-large" category will be selected for the PLC.

If you are a resident of Georgetown and are interested in joining the PLC as a "citizen-at-large", please submit a letter of interest by November 16th, 1992, to Steve Piper at the address below. The Regional Municipality will then contact potential members for the first meeting to be held on November 25th, 1992. For any additional information, contact Iain Day of M.M. Dillon Limited.
