if you qualify.

Our  
**GEO-THERMAL  
HEAT PUMP  
SYSTEM**  
is  
environmentally  
friendly.

## CLOSED LOOP SYSTEM

The geo-thermal™ heat pump may  
be installed in a closet, attic,  
equipment room or basement.

### THE GEO-THERMAL™ HEAT PUMP SYSTEM

It works on the principle of drawing energy from the earth to provide ideal indoor temperature at a far lower cost than typical heating/cooling equipment.

It offers the advantages of total heating, cooling, air circulation, air filtration and dehumidification.

For more information on major energy savings, comfort and safety, call us today.
