

IODE's bazaar Nov. 21

First and foremost the IODE bazaar will be held on Nov. 21 at the Acton Legion. Come and do some of your Christmas shopping with us and enjoy a cup of tea as well.

Our Vice Regent Janet Goy opened our meeting on November 3 as the Regent Ernestine Foster was enjoying the sunshine in Florida. Two minutes silence was held for our good friend and member Ruth Miller followed by a prayer by Janet.

Our birthday party at the Manor was a great success as we had a special thank you card from the ladies there. It's always a good feeling when we see these folks enjoying themselves with the IODE to give them a special tea. We joined the Remembrance Day Parade on Nov. 8 and placed a wreath at the cenotaph by Rene Watson.

As always with Remembrance Day ahead of us Jess Coles, our citizenship lady, has an appropriate message for us. A reading entitled

Lakeside
IODE

DOT NORTON

We Remember was read by Jess.

Once again this year we will be lending a helping hand to the other groups to pack and distribute baskets for the Christmas season. This is one of our big achievements of the holiday season. We will be sorting food that has been so generously given and packing on Dec. 22 and 23. We thank all the ladies for their help.

Our next meeting will be a pot luck dinner in the Legion the first Tuesday in December at 6:30 p.m. Gifts for Women's Place to be brought at this time.

New executive for sorority

Member Louise Giffin and her husband Frank visited international headquarters of Beta Sigma Phi this summer. They were in the general area and decided to "drop in" unannounced. They were treated royally and given a very interesting tour of the facilities. Louise stated that it was nice to meet someone after years of corresponding with them, she can now put a face to a name! Louise also said that everyone was friendly and delighted to meet a "sister" from Canada.

Preceptor Gamma Chi (chapter of Beta Sigma Phi), celebrated our Beginning Day on August 15 and 16 at Fran Hopkins' cottage. Nine members attended this fun-filled weekend, and the weather at least cooperated for one full day! We started our regular meetings on Sept. 8 at Carol Hunt's home and held a holiday auction to raise funds for our special projects. The sorority entertained four guests at President Fran Hopkins' home on Sept. 22. It was a successful and

ETTA MILLS

entertaining evening for members and guests and Jazzy Campbell won the "travelling" basket.

Preceptor Gamma Chi's executive for 1992/93 are: President Fran Hopkins, Vice-President Lynda Tyrrell, Secretary John Bligh, Treasurer Rosemary Baskin, City Council Rep Carol Hunt, Members are Edith Scheuing, Lorrie Ryan, Louise Giffin, Loison Helmer and Etta Mills.

Current service projects are the "Love In Christ Food Bank," and the Halton Women's Place, Milton. Planning is well underway for the "social" calendar and many interesting and fun events are planned.
