Police seek help in rural break-ins

The Halton Regional Police in Halton Hills and Crime Stoppers of Halton are appealing to the public for any information that will lead to the arrests and identity of the person(s) responsible for breaking into homes in rural Halton Hills.

On Tuesday, Dec. 15, between the hours of 8 a.m. and 5 p.m. private residences on the Tenth Line, Ten Sideroad and Steeles Ave., Halton Hills were broken into. Entry was gained by kicking in either the front or side doors. Once inside the suspects went through the entire interior of the homes.

The thieves stole over \$40,000 worth of jewellery, cash, televisions, video cassette recorders, compact disc player and camera equipment.

Among the items that can be positively identified are:

1. A 28 inch Panasonic TV model 28V798 serial number CB02610720;
2. A Panasonic VCR model PV4063-K, serial number GOSA31059;

There were seven other rural break-ins in Halton on this date and investigators believe that the same people are responsible for all of them.

If you have any information that leads to an arrest in this, or any other case, you may be eligible for a cash reward of up to \$1,000. You need not give your name.

Please call 1-800-668-5151 or 825-TIPS (that's 825-8477).

Drive carefully

The children are back to school from Christmas break and Halton Hills' crossing guards like Carl Cassidy are back on duty, helping our little ones safely across busy streets. Carl patrols Acton's Main and School Lane intersection.
