Dear Ron and Jamie:
Just a little note to say how pleased I am with my new Karry's Kitchen. I want to thank you for the excellent service you gave and also to commend Rick for the marvelous installation job he did. He certainly went the extra mile to make sure every thing was very well done and made some much appreciated suggestions that enhanced the final result. Please pass on my thanks to Rick for a job well done.

Yours truly,
D. VanDyke
