Sorority, Xi Beta Delta gets back to work

By **BRENDA McMURRAY**
 Special to the Independent/Free Press

(Happy New Year from Xi Delta Beta.) The holidays are over and now it's time to get back to that old routine. Xi Delta Beta would like to thank Vanessa Place for the wonderful dinner at our Christmas Party. The service, food and drinks were just great. Thanks Gus!

A pot luck dinner was held at the home of Linda Weeks for Exemplar Day. Secret Sisters were revealed and new ones were chosen. Thanks for a great night Linda.

In the coming months we will be collecting more clothes for the Halton Women's Place and the Food Bank. We will also be selling flowers for the M.S. Society and the Cancer Society.

February 16 will be Friendship Night. Chapters from Acton and Georgetown will meet at Knox Presbyterian Church in Acton for a fun night of Court Whist and friendship.

Anyone interested in joining a chapter of this international organization, please contact Elizabeth Kerr at 877-3176 for details.

Beta Sigma Phi welcomes you! Shown in this picture are Carol Hunt and Jazzy Campbell putting up our "Welcome" sign in Norval. Thanks to their spouses, Gord and Barry, for helping. Two other welcome signs were erected at Hwy. 7 (Moore Park) and on Trafalgar Road at Maple Ave. by Beta Sigma Phi Halton Hills council members.

Preceptor Gamma Chi New sisters welcomed in sorority

By **ETTA MILLS**
 Special to the Independent/Free Press

Preceptor Gamma Chi members have been busy since December. A wonderful potluck Christmas supper was held at the home of Edith Scheuing; a very informative "Conflict" workshop given by Rose Marie Baskin on January 12, and a Robert Burns' evening of poetry, songs and Scottish food was held January 27 at the home of Etta Mills. February planning includes a "Friendship" evening at Knox Church Acton, between all chapters in Georgetown and Acton, and a theatre evening to see GLT's production of Dr. Cook's Garden.

Preceptor Gamma Chi is very pleased to welcome our new sorority sisters: Jeanette Heinemann, Jan Sewell, Maimie Greensheids, and Marilyn Champ. The new members joined in December and rituals were held to officially welcome them into the chapter.

Technical Trades Exploration

Adult & Continuing Education
 (Halton Board of Education)
 in partnership with the
 Canada Employment Centre
 (Georgetown), presents a 21
 week course in Trades
 Exploration & Training.

For Women & Men

Training Program Includes an
 Overview of Modern Industrial Technol-
 ogy and provides an Introduction to:
