

Dr. Leonard Cook (Lloyd Lindsay) operates his small rural practice from his old office, looking after all the residents of Greenfield Center, Vermont. Georgetown Little Theatre's newest production, Dr. Cook's Garden, opened Thursday night at John Elliott Theatre with a benefit performance in aid of the Literacy Guild. The mystery thriller is guaranteed to keep everyone on the edge of their chair.

Steinem speaks in Guelph

Gloria Steinem, perhaps North America's best known feminist, will speak in Peter Clark Hall, University of Guelph on Wednesday, March 10, at 8 p.m. Steinem will discuss her latest book, 1992's best-seller "Revolution From Within."

Gloria Steinem is a frequent spokesperson on issues of equality. She is currently an editorial consultant and writer for "Ms. Magazine," the national feminist bi-monthly that she co-founded in 1972. Her writing has also appeared in many other magazines, newspapers and anthologies here and abroad.

Steinem has served as founder, board member or adviser for organizations including the Ms. Foundation for Women, the only national, multi-issue, multi-racial public women's fund; the National Women's Political Caucus, a non-partisan group devoted to advancing pro-equality women of all races in elected and appointed office; and Votes for Choice, a non-partisan political action committee that supports pro-choice candidates.

Tickets for this event are \$5 General and \$3 University of Guelph Student (plus handling charges).

Tickets are available at the University Centre Box Office, the Bookshelf, The Corner in Stone Road Mall, Looney Tunes and Records on Wheels, all in Guelph. Special needs seating is available. VISA and Mastercard telephone orders, call (519) 824-4120, ext. 4368.

Proceeds from this event will be donated to Guelph-Wellington Women In Crisis.

Your Week Ahead Horoscope

- ARIES** Mar. 21-Apr. 19 Don't exploit other's ideas. Decide for yourself what must be done and get on with it.
- TAURUS** Apr. 20-May 20 An impasse may appear to be more than it is. You will be able to overcome this obstacle with a little patience.
- GEMINI** May 21-June 20 Don't haggle over emotions. Not everyone is as strong as you are; not everyone has your determination. Show compassion.
- CANCER** June 21-July 22 A "self-help" seminar would not only get you more in touch with yourself, but would also make you more perceptive to others.
- LEO** July 23-Aug. 22 Your counsel is needed. Don't expect to show off your wisdom, though, for your advice should be given quietly.
- VIRGO** Aug. 23-Sept. 22 A token of your affection would be appreciated by that someone special. Show him/her that they are not taken for granted.
- LIBRA** Sept. 23-Oct. 22 You may find yourself in a "no-win" situation. If a decision must be made now, avoid controversy.
- SCORPIO** Oct. 23-Nov. 21 Your competition is gaining. Work harder to get what you want or you are in a position to lose it.
- SAGITTARIUS** Nov. 22-Dec. 21 An unanswered question nags you. Dig deep if you want the truth but be prepared for disappointment.
- CAPRICORN** Dec. 22-Jan. 19 Privacy is just that - private. Stay away if you are not wanted. Don't infringe on other's rights.
- AQUARIUS** Jan. 20-Feb. 18 A loss can be recouped if you do not delay. Steer clear of those who think they are helping - they will only get in the way.
- PISCES** Feb. 19-Mar. 20 Your writing is highlighted. Put your thoughts down on paper - they will be important later on.
