Wellington museum tour

The Wellington County Museum is offering a Day Away for Museum volunteers, members and non-members. A day trip to Hamilton will include a two-hour guided tour of The Royal Botanical Gardens followed by a light lunch in the Rock Garden Restaurant. The afternoon will include a one-hour guided tour of Dundurn Castle with costumed interpreters from the period. The cost for the day including the bus trip and lunch is: Members \$25 and non-members \$30. Spaces are limited. Call the Museum at 1-519-846-0916 for more information.

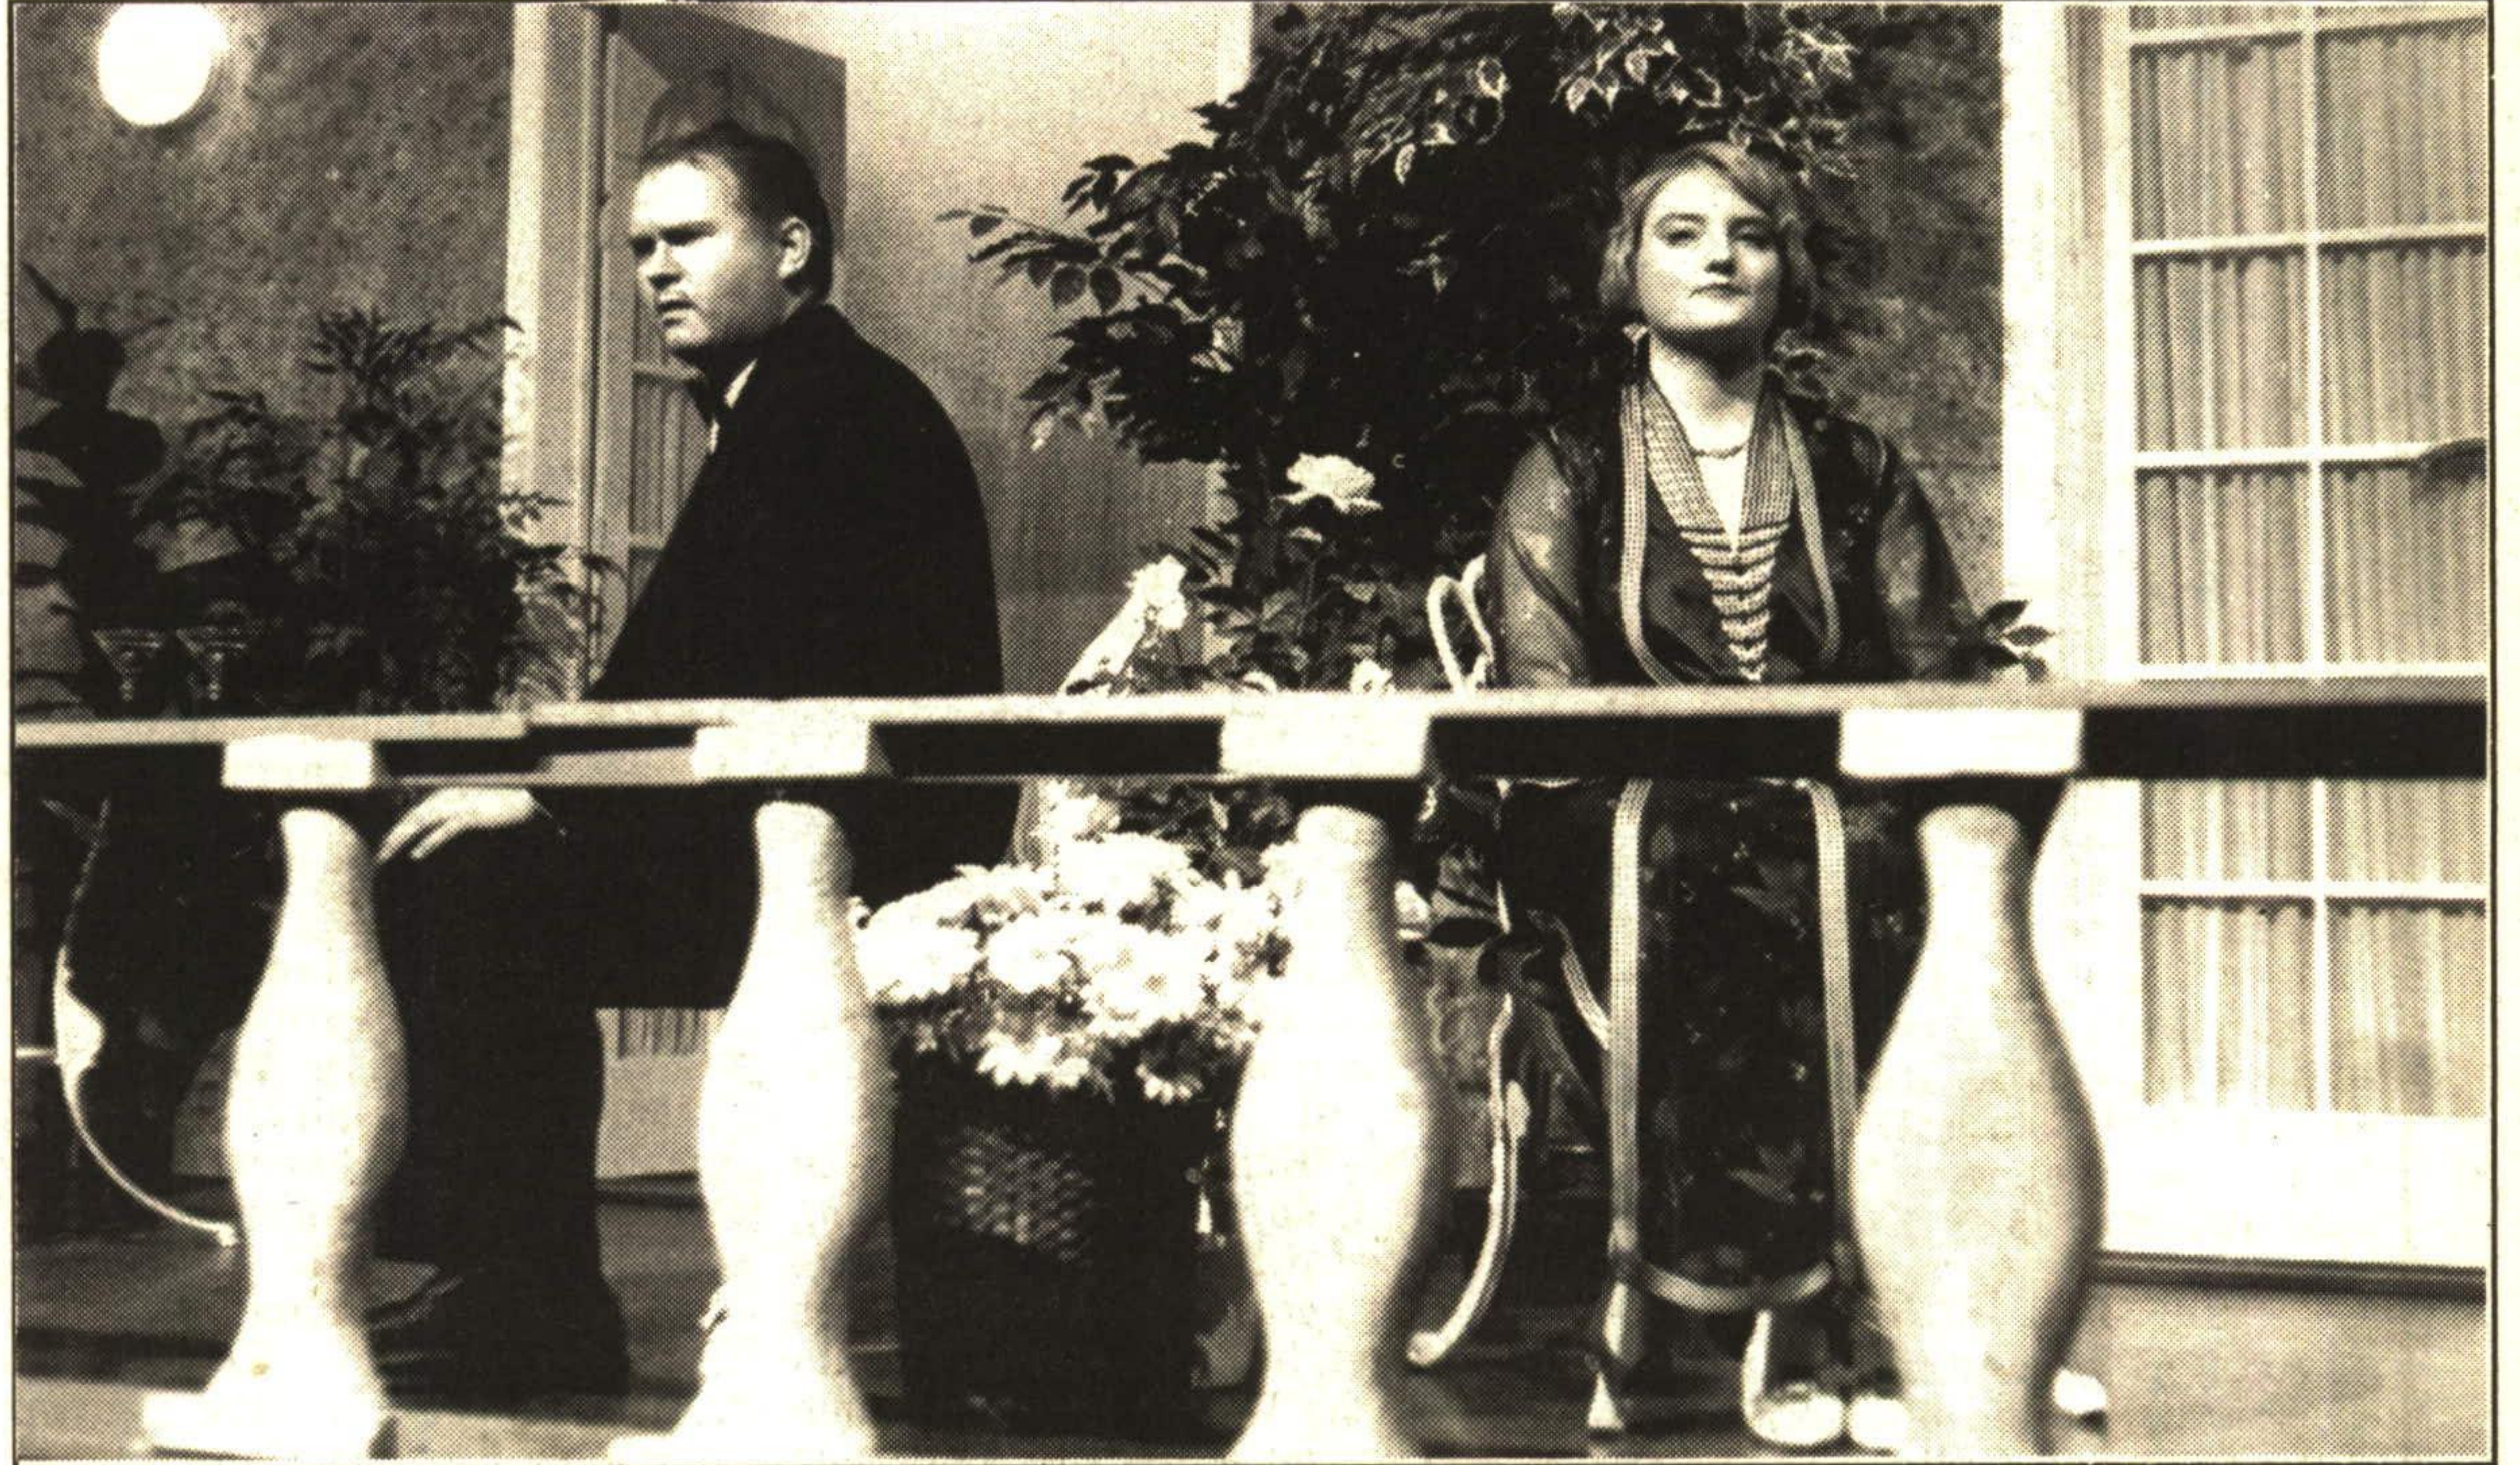

"Craft Studios of Wellington County" will be on display in our large exhibit hall. This exhibit sponsored by the Elora Arts Council honoring 1993 as the "Year of the Craft in the Americas," includes the works of 25 craft artists from the county of Wellington. Works displayed include functional and decorative pottery, blown and stained glass architectural models, wood carving, jewelry, weaving, quilting and candle making. "Craft Studios

of Wellington County" will be on display until May 30.

On our second floor "Mrs. Simcoe's Summer," an exhibit from the Niagara Historical Society and Museum will continue to June 28. The exhibit contains excerpts from the diary of Elizabeth Simcoe, the wife of John Graves Simcoe, Lieutenant Governor of Upper Canada 1792-1796. The display is augmented with artifacts from the late 1700s.

The March Break Program was a great success with 150 children attending over the three days. "Exploring Nature" featured presentations and hands on activities focusing on snakes, reptiles, and amphibians, bird banding and birds of prey. The Museum will be holding a program focusing on Nature and the Environment for next year's March Break. Watch for details next spring.

Summer activities at the Museum and Archives will include a four-week Art Camp in July called the "Fine Art of Hanging Out" and a Museum Activities Program in August. Watch for details in next month's article "At the Museum and Archives."

'Private' meeting
