

## Bonnette disappointed by decision to discontinue GO in Acton

At Monday night's council meeting Acton councillor Rick Bonnette said he was disappointed to hear that GO train service to Acton and Guelph will be slashed in the near future due to cuts announced by the provincial government Friday.

"This is a tragic announcement," agreed Acton councillor Norm Elliott. "There is no extra space for people to park in Georgetown."

## Appreciation award

The Town of Halton Hills and Halton Hills Fire Department expressed appreciation to Achilles Mazda owner Les Pelitis for his donation of the use of a Mazda MPV van for six months to Halton Hills Fire Department. The van, which was returned last week, was used for local fire pre-

vention work, and on occasion, transported personal to fire scenes. On hand to make the presentation to Les and his wife Litza were Halton Hills mayor Russ Miller and Fire Prevention Officer Dave Ford.
