

Test your bridge skills

Local bridge players will have a chance to test their bridge playing abilities against players from around the world in the Eighth Annual Epson Worldwide Simultaneous Pairs Event set for Saturday June 5.

Beginning at 1 p.m. at the Exchange Hotel in Georgetown, players will be dealt the same hands that are being played around the world. Scores will be adjudicated and the results will be sent to France where the winners will be selected.

Blayne Hillock of the Exchange Hotel will oversee the event in Georgetown.

He says the same hands played here will also be played around the world including the Tower of Singapore, the Empire State building, Eiffel Tower in Paris and in locations in Rotterdam, Montreal

and Moscow.

"Last year there were 102,000 players," said Hillock.

Hillock says players must play 24 hands, and at the end of the day all players will receive a booklet analyzing all hands played that day by Omar Shariff (actor and renowned bridge player).

First prize for the top score for each pair worldwide is an Epson personal computer and printer, second and third prize winners will receive \$1,000 worth of Epson and Seiko products and players who place fourth to tenth worldwide will also receive a prize.

The event is open to bridge players of all levels. Cost is \$8 and Hillock says players must reserve prior to the day.

To reserve a spot or for more information call Hillock at 873-9016.

The Georgetown Lions Club presented \$500 to GDHS to help send the Wind Ensemble to Edmonton for Music Fest Canada. Mani Mitera (left) and Earl Merrill (right) of the Lions Club presented the cheque to Eleanor Wallace, music teacher at the school.

EDUCATION: LET'S TALK!

Presbyterianism studied

The May meeting of the Daughters of Knox was held in the Mary Ellen Anderson Room of the church.

President Anne Moore opened the meeting with the reading of a poem When Lilacs Bloom. Living For Jesus was sung and our club mottoes repeated. Roll call was answered by 12 members.

Inez Brennan and her group then conducted the worship portion of the meeting, which consisted of responsive readings. Margaret Toth offered prayer. The offering was received, and the offertory prayer given by Inez.

The Rev. Craig Cribar then completed the series on Presbyterianism. He spoke about the Westminster Confession of Faith — the principal standard of the Presbyterian church for the past 350 years.
