

Mayor honored

Halton Hills Mayor Russ Miller was recently honored by the "Say No to Drugs, Say Yes to Life" campaign established by the Church of Scientology. National director of the campaign, Shelley Parker, (left) presented Mayor Miller with a "What is Scientology" encyclopedia to recognize the stand he took against drugs when he signed the campaign's honor roll.

Are you searching for a unique Ontario attraction that offers lots of activities in a relaxing and scenic setting? Then consider the Ontario Agricultural Museum during Seniors' Days June 21 to 25.

A showplace for Ontario's agriculture and food industry, the site, nestled beneath the Niagara Escarpment at Milton, boasts over 30 buildings and displays highlighting the evolution of rural and farm life.

Plenty of park benches, shady trees, colorful gardens, crops and livestock complemented by friendly staff, offer the perfect opportunity for seniors to rediscover their rural heritage.

June is Seniors' Month and we are offering a special admission

The museum invites you to take part in the many activities planned during these five days, including introductory tours of our 32-hectare site. Line dancing, quilting demonstrations along with a prize-winning quilt collection, various entertainment groups and refreshments are all part of the festivities.

Other services to make your day in the country enjoyable include a country-style restaurant, gift shop and plenty of free parking.
